At Central Station, Sydney Metro is:

- Working within the hoardings on Platforms 16-23, the Eastern Suburbs Railway Concourse and the upper and lower Northern Concourse
- Installing services throughout the station
- Installing services, lifts, escalators and finishes for the metro platforms (underground former Platforms 13-15 area)
- Reinstating Platforms 13 and 14, including canopies (former Platforms 13-15 area).

Sydney Trains is working on:

- Civil track maintenance
- Track resurfacing
- Rail grinding and tamping at various locations
- Routine signal and electrical maintenance
- Station upgrade works at Turrella
- Track defect removal to improve network reliability.

How this affects you

Noise

- These works may create additional noise on weeknights.
- **Work will take place nightly between 11pm to 4am from Monday 15 August to Friday 19 August.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
