Sydney Trains

Lidcombe to Sefton track maintenance

From Saturday 16 October to Monday 18 October

What we're doing

Sydney Trains is undertaking maintenance between Lidcombe and Sefton from Saturday 16 October to Monday 18 October.

To improve service reliability, we're working on:

- civil track maintenance
- plain track resurfacing and rail grinding
- routine signal and electrical maintenance
- station maintenance works at Berala and Regents Park
- track defect removal works at various locations
- turnout refurbishment at Regents Park
- turnout renewal at Sefton
- litter and graffiti removal
- vegetation maintenance.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place around the clock from 2am Saturday 16 October until 2am Monday 18 October.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
