Australian Government

BUILDING OUR FUTURE

NSW NOW The new state of business

July 2015

Installation of a new pedestrian and cycle bridge over the M4 Motorway, Claremont Meadows from Monday 27 July

The Australian and NSW governments are funding this work as part of the $70 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the Western Sydney Infrastructure Plan.

The new three metre wide pedestrian and cycle bridge will be installed over the M4 Motorway about 22 metres west of the existing Kent Road Bridge, Claremont Meadows. The pedestrian and cycle bridge will improve access and network connections, increase safety and improve pedestrian and cycling paths.

Roads and Maritime Services will carry out the work to build the new bridge structure including the abutments, piers, bridge deck and safety barriers. The attached map helps to better explain the project.

This work will take 160 shifts to complete from **Monday 27 July 2015** to **Friday 22 January 2016**, excluding **Sundays**, weather permitting. Our working hours will be from **7am** to **6pm, Mondays** to **Fridays** and from **8am** to **1pm** on **Saturdays**. We will notify you in advance if we need to do any work outside of these times.

How will the work affect you?

There will be some noisy work, but every effort will be made to minimise the impact on residents including carrying out the work during the day.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe including the occasional use of traffic controllers.

The existing single lane closure on Kent Road will remain in place.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our project team on **1800 631 531** or email WerringtonArterialRoad@rms.nsw.gov.au or visit rms.nsw.gov.au/werringtonarterialroad.

Thank you for your patience during this important work.

Western Sydney Infrastructure Plan

The Australian and NSW governments are providing $70 million to build the Werrington Arterial Road as part of the Western Sydney Infrastructure Plan**,** a $3.6 billion, 10 year road investment program for western Sydney. The Plan will deliver major road infrastructure upgrades to support an integrated transport solution for the region and capitalise on the economic benefits from developing a western Sydney airport at Badgerys Creek. For more information on our projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.

*Total length amended due to confirmation of The Northern Road scope of work
