- Installing services throughout the station
- Excavating and constructing concrete slabs for the Metro platforms (underground former Platforms 13, 14-15).

At Sydenham Station, Sydney Metro are undertaking cladding and electrical work, as well as retaining wall and drainage work.

Sydney Trains is working on:

- Bridge refurbishment at Coulson Street, St Peters
- Bridge renewal works at Flying Junction flyover's Central
- Civil track maintenance
- Eveleigh Yard building maintenance works
- Plain track and turnout resurfacing
- Rail and turnout grinding
- Retaining wall works at Erskineville
- Routine signal and electrical maintenance
- Station upgrade works at Redfern
- Track defect removal works at various locations
- Track reconditioning at Sydenham
- Vegetation maintenance, litter and graffiti removal.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 10pm Friday 5 March until 2am Monday 8 March.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites. Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.
