Sydney Trains

Sydenham to Sefton track maintenance

From Saturday 20 August to Monday 22 August

What we're doing

Sydney Trains is undertaking maintenance between Sydenham and Sefton via Bankstown from Saturday 20 August to Monday 22 August.

Between Sydenham and Bankstown, Sydney Metro is undertaking upgrades to the concourse precincts, installing new lift structures and staircases, installing platform furniture, rebuilding platforms, building new trackside cabling and equipment and undertaking substation and power upgrade work.

Sydney Trains is working on:

- Civil track maintenance
- Power supply upgrade works between Yagoona and Sefton
- Routine signal and electrical maintenance
- Station platform maintenance works between Lakemba and Birrong
- Station upgrade works at Yagoona
- Track defect removal to improve network reliability
- Litter and graffiti removal
- Vegetation maintenance.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place around the clock from 2am Saturday 20 August until 2am Monday 22 August.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
