# Transport Access Program

## Pendle Hill Station Upgrade

### JULY 2017 COMMUNITY NOTIFICATION

Transport for NSW is making changes at Pendle Hill Station to improve access for customers. The project includes four new lifts, a new station concourse and footbridge, new stairs, platform canopies and a family accessible toilet.

### Upcoming construction activities

Over the coming months you may notice the following activities on site:

- Installation of roofing canopies on Joyce Street stairs and concourse
- Continued upgrade works on station buildings
- Excavation works for electrical services along Joyce Street and Wentworth Avenue footpaths
- Road, footpath and pavement upgrades along Wentworth Avenue and Joyce Street

### Weekend work – 1am Saturday 1 July to 2am Monday 3 July 2017

The following work will be undertaken during a Sydney Trains scheduled trackwork weekend (for information on rail services during the weekend, kindly contact the Transport Infoline on 131500):

- Removal of redundant light pole on Wentworth Avenue
- Installation of platform ceiling panels and down pipes
- Painting of concourse eaves and external lift walls
- Installation of new pedestrian crossing on Wentworth Avenue

### Temporary changes to traffic, parking and bus arrangements

To allow for road works be completed safely from **1am Saturday 1 July until 2am Monday 3 July 2017**, the following changes will apply:

- **Wentworth Avenue will be closed between Bungaree Road and Ballandella Road.** Traffic diversions will be in place on Bungaree Road, Hallmark Street and Ballandella Road. Vehicle access to local businesses along Wentworth Avenue will be maintained with traffic control to assist vehicle movements.
- The HillsBus stop (N70/N71) on Wentworth Avenue beside Pendle Hill Station will be temporarily relocated to Bungaree Road beside 7-Eleven.
- The HillsBus stop on Wentworth Avenue (outside 7-Eleven) will be temporarily relocated to Bungaree Road (opposite 7-Eleven).

- **All parking will be temporarily unavailable along Wentworth Avenue** between Bungaree Road and Ballandella Road.
- A total of **eight parking spaces will be temporarily unavailable on Bungaree Road** to make way for the temporary bus stop.
- Approximately **seven parking spaces will be temporarily unavailable on Pendle Way** between Joyce Street and Civic Avenue and **20 parking spaces will be temporarily unavailable along Joyce Street**.

Signage will be installed prior to the works to notify of these changes.

## Upcoming night works

To minimise disruption to passengers and ensure safety of workers, certain activities need to be undertaken at night. These night works include the installation of tactiles and line marking on all the platforms. These works will be carried out from **Monday 3 July and will continue to Thursday 31 August 2017 between 7.30pm to 4am the following morning**.

## Works on Joyce Street lift shaft and stairs

In July 2017, finishing works on the Joyce Street lift shaft and stairs continue. These works include concrete works and installation of cladding. To safely carry out these activities, there may be periodic lane closures on the northern side of Joyce Street intersection with Pendle Way and temporary removal of parking on Pendle Way. Additionally, the taxi stand located on Joyce Street opposite the station may need to be temporarily relocated to Pendle Way. Signage will be installed in advance of any traffic and taxi changes with traffic controllers on duty to assist pedestrian and vehicle movements.

## Footpath and pavement upgrade works on Joyce Street

In June 2017, footpath and pavement works commenced along Joyce Street for a period of approximately 5 weeks. To ensure the safety of pedestrians and work crews, the following changes will apply:

- Approximately 19 parking spaces will be unavailable on the northern side of Joyce Street
- Approximately 80m of footpath will be closed to pedestrians along Joyce Street. A temporary pedestrian crossing will be installed directing pedestrians to the southern side of Joyce Street and the existing pedestrian crossing on Joyce Street intersection with Pendle Way.
- No parking zones will also be in place on the southern side of Joyce Street

## What plant and equipment will be used?

- |                          |                        |
|--------------------------|------------------------|
| • Semi-trailers          | • Concrete saw         |
| • Mobile lighting towers | • Portable generators  |
| • Construction trucks    | • Excavators           |
| • Franna crane           | • Power and hand tools |

- Crane
- Concrete vibrator
- Concrete truck
- Elevated work platforms
- Balloon tyre dumper

Works may be noisy at times. Every effort will be made to minimise the impact to nearby residents and businesses.

Other work will continue to be carried out during standard construction hours which are Monday to Friday 7am to 6pm and Saturday 8am to 1pm.

We apologise for any inconvenience caused and thank you for your patience and cooperation during these important works.
