

# Transport Access Program

## Fairy Meadow Station Upgrade

### Have your say

## The NSW Government is improving accessibility at Fairy Meadow Station

Have your say on the proposed improvements to Fairy Meadow Station. Key features include:

- two new lifts to access the station platforms
- new ramp and stairs to access Platform 2
- a new family accessible toilet and ambulant toilet
- a new kiss and ride bay in the commuter car park
- upgrades to CCTV, lighting and wayfinding
- removal of the existing track level crossing
- additional canopies for increased weather protection.

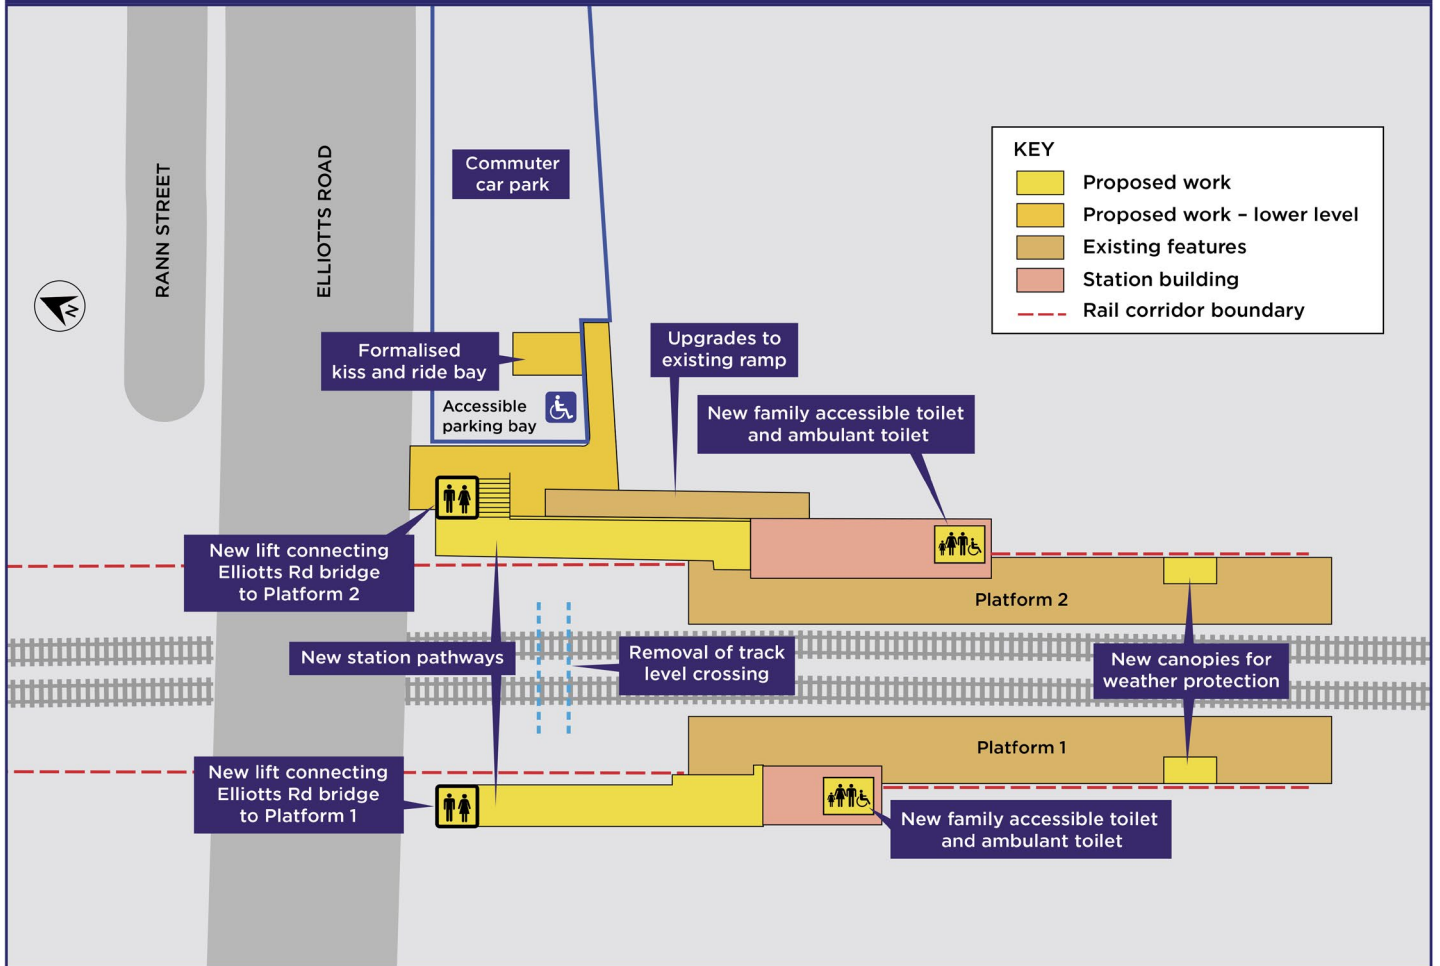

## Transport Access Program

This project is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure. As part of this program, the Fairy Meadow Station upgrade would aim to provide a station precinct that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage.

## Next steps

Transport for NSW develops initial concept design options for the project including identification and consideration of environmental constraints, risks and opportunities.

We are here

Transport for NSW prepares a Review of Environmental Factors (REF) for public display and invites submissions.

Transport for NSW assesses and responds to feedback and prepares a submissions report/determination report with proposed conditions to minimise environmental impacts.

Transport for NSW determines the Proposal.  
*Conditions of Approval made available on Transport for NSW website.*

Construction commences subject to compliance with conditions.  
Subject to planning approval, construction is expected to commence in early 2019 and take around 12 months to complete.

### Come and meet the project team

Between **4pm and 6pm on Monday 6 May 2019**, representatives from the Transport for NSW project team will be located at **Corrimal District Library and Community Centre in the Myrtle Room** to answer any questions you may have on the project.

If you are unable to attend, but would like to speak with the project team please call **1800 684 490** or email **projects@transport.nsw.gov.au**.

Visit **transport.nsw.gov.au/fairy-meadow** for more information.

### Review of Environmental Factors

The Review of Environmental Factors (REF) is a planning document outlining proposed work, potential impacts and mitigation measures.

The document includes comprehensive assessments on the existing environment and expected impacts of the project including:

- traffic and transport
- biodiversity
- visual impact
- noise and vibration
- heritage.
