Hazelbrook Station Upgrade

Community Notification

March-April 2019

Project update

Work is progressing well at Hazelbrook Station with site establishment completed in February, and excavation commencing for the lift landing wall and shaft.

In March, work is continuing on excavation of the landing wall and lift shaft, with concreting and steel works expected to begin in early April in preparation for the new structures. A variety of equipment will be used, including:

- excavators
- concrete saws
- jackhammers
- power and hand tools
- construction trucks and vehicles
