

Transport Access Program

Hazelbrook Station Upgrade

NIGHT WORK NOTIFICATION

June 2019

The Hazelbrook Station Upgrade is part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Work is continuing for the station upgrade with new facilities including:

- a new lift to provide access to the station platform along with upgrades to provide accessible pedestrian pathways between station facilities
- two upgraded accessible parking spaces in the commuter car park
- improved amenities such as new family accessible toilets
- upgrades to CCTV and wayfinding

Night work – Wednesday 19 and Thursday 20 June

From 10pm to 4:30am Wednesday 19 and Thursday 20 June 2019 removal of materials will occur between the site compound on Railway Parade and the station platforms.

To ensure the safety of our customers, the community and staff, this work will be completed during night time.

What equipment will be used?

The only equipment to be used will be a mobile crane.

The crane may be noisy at times however, every effort will be made to minimise the impact to nearby residents and businesses.

Standard working hours

All other works will continue to be carried out during standard working hours which are between **7am to 6pm, Monday to Friday and 8am to 1pm Saturdays**. The community will be notified of any works outside these hours prior to the work commencing.

Keeping the community informed

If you would like to speak with the project team about this work, please call us on **1800 684 490** or email **projects@transport.nsw.gov.au**. We thank you for your patience and apologise for any inconvenience while we undertake this important work.
