

# Transport Access Program

## Warrawee Station Upgrade

### Project update

April 2020

The NSW Government is improving accessibility at Warrawee Station. This upgrade is part of the Transport Access Program, an initiative to provide a better experience for public transport customers by delivering modern, safe and accessible infrastructure.

Work commenced in November 2019 and construction is expected to be completed by the end of 2020.

### Upcoming work

Work will continue in April and will include:

- construction of the new platform lift
- construction of the new kiss and ride zone on Warrawee Avenue
- construction of the accessible footpath on Warrawee Avenue
- electrical work to upgrade the station power supply
- construction of canopy footings.

Equipment to be used includes, but is not limited to, concrete pumps, concrete saws, excavators, shoring equipment, a crane, hand tools, generators, power tools, delivery vehicles and light vehicles.

*Construction of the new lift pit continued in March.*

Work will be carried out during standard construction hours, which are **7am to 6pm Monday to Friday**, and **8am to 1pm Saturday**. We will notify nearby residents and businesses in advance if we need to work outside these times.

### Access to amenities

Temporary toilet facilities are available at the north end of the platform while the existing male and female toilets are converted to a new family accessible toilet and unisex ambulant toilet.

## Traffic and parking changes

From **6 April 2020 to 8 May 2020** the kiss and ride zone on Warrawee Avenue will be closed while it is reconfigured with additional spaces. The footpath along Warrawee Avenue which leads to the footbridge and station entrance will also be upgraded during this time. Access of the footpath will be limited but maintained during construction. The kiss and ride zone, timed parking and footpath on Heydon Avenue station entrance will remain open.

Traffic control and pedestrian diversions will also be in place as required to assist with traffic changes. Please follow the direction of traffic controllers and allow extra travel time.

## Project overview

The Warrawee Station Upgrade aims to provide a station precinct that is accessible to people with a disability, limited mobility, parents with prams and customers with luggage. Key features of the upgrade include:

- a new lift between the platform and existing footbridge
- a canopy from the new lift to the station building on the platform
- new accessible parking spaces and a kiss and ride space on Heydon Avenue
- new kiss and ride spaces on Warrawee Avenue
- new accessible pathways through the station precinct
- a new family accessible toilet and unisex ambulant toilet
- a new bike shelter
- improvements to CCTV and lighting to increase safety and security.

## Keep in touch

The community will be kept informed with regular project notifications and information via the project website: [www.transport.nsw.gov.au/warrawee](http://www.transport.nsw.gov.au/warrawee). For further information on the project, please call the Project Infoline on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au). For urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
