

# Transport Access Program

## Hawkesbury River Station Upgrade

Project completion

March 2021

### Hawkesbury River Station Upgrade is now complete

Thank you for your patience and cooperation throughout the construction of the Hawkesbury River Station Upgrade. The upgraded facilities are now available to customers including:

- ✓ Two new platform lifts to provide access to the station platforms
- ✓ A new accessible parking space and kiss and ride space
- ✓ A new accessible path and pedestrian crossing to the Dangar Road car park
- ✓ A new family accessible toilet and unisex ambulant toilet
- ✓ Platform resurfacing including the installation of new tactile ground surface indicators for people with reduced or impaired vision
- ✓ Improvements to CCTV and lighting to increase safety and security.

#### Key facts:

**252** workers on the project

**73,604** hours worked

**22** tonnes of structural steel used

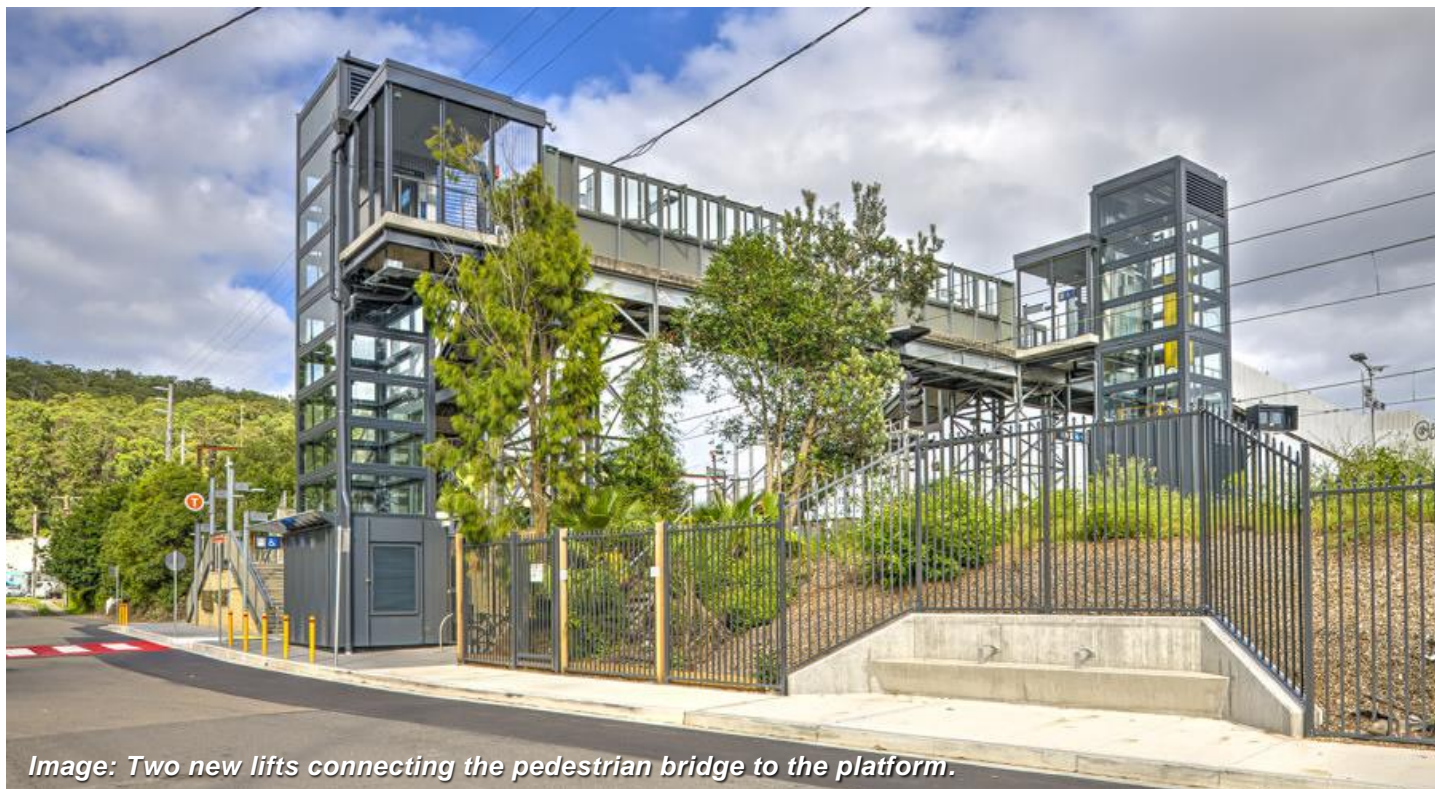

**75** cubic metres of concrete poured
