## Moree Station Upgrade

### Have your say

#### The NSW Government is improving accessibility at Moree Station

Planning is underway to improve accessibility at Moree Station to make it easier for people with additional mobility requirements, parents/carers with prams and customers with luggage. Feedback on the concept design is invited from **Monday 7 June until Monday 21 June 2021**.

#### Key features of the proposed upgrade include:

- upgrades to existing footpaths and ramps around the station precinct
- upgrades to the taxi zone and kiss and ride space
- a new accessible parking space
- a formalised bus stop at the station entrance
- modifications to the waiting room and ticket office
- improved amenities including ambulant toilets
- a new boarding zone on the platform
- tactile indicators along the platform
- improvements to wayfinding and lighting.

#### Have your say

The community is invited to comment on the project's concept design.

Your feedback will help Transport for NSW understand what is important to customers and the community.
