

Sydney Trains

South Parade, Auburn Fencing upgrade

From Thursday 15 April to Tuesday 29 June

What we're doing

We will be renewing a section of the existing rail corridor boundary fence at South Parade, Auburn. Refer to map on Page 2.

This work will necessitate clearing of some vegetation along the fence line.

Sydney Trains has a duty to protect the rail network from vandalism and spends millions of dollars each year on graffiti removal.

Upgraded fencing will improve security for both the railway and property owners bordering the rail corridor.

We understand this work may have an impact on you and we appreciate your patience and understanding.
