## Central to East Hills track maintenance

From Monday 3 May to Friday 7 May

### What we're doing

Sydney Trains is undertaking maintenance between Central and East Hills from Monday 3 May to Friday 7 May.

At Central Station, Sydney Metro are:

- Working on Platforms 16-23, the Eastern Suburbs Railway Concourse and the upper and lower Northern Concourse
- Installing services throughout the station
- Excavating and constructing concrete slabs for the metro platforms (underground former Platforms 13, 14-15).

Sydney Trains is working on:

- Civil track maintenance
- Plain track resurfacing
- Rail grinding and tamping at various locations
- Routine signal and electrical maintenance
- Station upgrade works at Bexley North
- Track defect removal works.

### How this affects you

#### Noise

- These works may create additional noise on weeknights.
- **Work will take place nightly between 10pm and 4am from Monday 3 May to Friday 7 May.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

#### Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
