Sydney Trains

Wolli Creek to Hurstville track maintenance

From Monday 3 May to Friday 7 May

What we're doing

Sydney Trains is undertaking maintenance between Wolli Creek and Hurstville from Monday 3 May to Friday 7 May.

To improve service reliability, we're working on:

- Civil track maintenance
- Plain track resurfacing
- Rail grinding and tamping at various locations
- Routine signal and electrical maintenance
- Station maintenance works, to improve safety on stations
- Track defect removal at various locations.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise on weeknights.
- **Work will take place nightly between 10pm and 4am from Monday 3 May to Friday 7 May.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
