

# Sydney Trains

## Macdonaldtown to Hornsby track maintenance

From Friday 4 June to Monday 7 June

### What we're doing

Sydney Trains is undertaking maintenance between Macdonaldtown and Hornsby from Friday 4 June to Monday 7 June.

At Central Station, Sydney Metro is:

- Working within the hoardings on Platforms 16-23, the Eastern Suburbs Railway Concourse and the upper and lower Northern Concourse
- Installing services throughout the station
- Constructing concrete slabs for the metro platforms (underground former Platforms 13, 14-15)

Between Artarmon and Chatswood stations Sydney Metro is carrying out:

- Construction earthworks, trackworks and tamping
- Removal of redundant rail infrastructure
- Spoil removal from the rail corridor
- Piling within the rail corridor
- Construction of site drainage
- Service investigations.

Sydney Trains is working on:

- Bridge refurbishment at Pacific Highway Overbridge, Pymble
- Cutting works at Pymble
- Defect removal at multiple locations
- Footbridge refurbishment at Pymble Station
- Plain track and turnout resurfacing
- Rail and turnout grinding
- Rerailing at Lindfield
- Routine civil, signal and electrical maintenance
- Station upgrade works at Redfern, Wollstonecraft, Roseville and Wahroonga
- Sydney Harbour Bridge railway deck upgrade stage works
- Vegetation maintenance, litter and graffiti removal.

### How this affects you

#### Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 11pm Friday 4 June until 3am Monday 7 June.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

#### Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.
