

Sydney Trains

Strathfield to Berowra track maintenance

From Saturday 12 June to Monday 14 June

What we're doing

Sydney Trains is undertaking maintenance between Strathfield and Berowra from Saturday 12 June to Monday 14 June.

Sydney Metro will undertake early investigations, other inspections and activities within the rail corridor around North Strathfield station, to prepare for the construction of Sydney Metro West.

Sydney Trains is working on:

- Civil track maintenance
- Cutting and embankment works at Berowra
- Plain track and turnout resurfacing
- Rail and turnout grinding
- Routine signal and electrical maintenance
- Station upgrade works at Beecroft, Thornleigh and Normanhurst
- Track defect removal works at various locations
- Track reconstruction at Rhodes
- West Ryde Commuter Car upgrade works
- Litter and graffiti removal
- Vegetation maintenance.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 2am Saturday 12 June until 11pm Monday 14 June.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
