

Transport Access Program

Wahroonga Station Upgrade

February 2022

Project Update

Transport for NSW is upgrading Wahroonga Station to make it easier for everyone to access, including people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Upcoming work

Work will continue in February 2022, it includes

- completion of the new lift shaft, footbridge and lift canopy.
- completion of station toilet refurbishment
- finishing work to new pedestrian ramp including screen & brickwork installation
- installation of brickwork & fencing on new road barriers along Redleaf Avenue bridge walkway

- construction of new footpath, kerb and gutters including new pram ramps along Railway Avenue
- installation of new traffic island at Redleaf Avenue round about & final wearing course of Redleaf Avenue Bridge

Equipment to be used includes tipper trucks, concrete pumps and concrete trucks, vacuum trucks, cranes, small excavators, saw cutters, rollers, surveying equipment and hand tools.

This work is in line with the current Public Health Orders and a COVID-19 Safe plan is in place, including masks at the station platform and QR codes.

View of the new lift shaft, footbridge and lift canopy nearing completion January 2022

Provisional full bridge closure

Redleaf Avenue bridge will be temporarily closed to traffic from **7pm to 5am on Monday 28 February** weather permitting.

This night work will be carried out to complete the final wearing course of the bridge.

Work will include:

- installation of waterproofing membrane along new concrete bridge deck
- installation of new asphalt wearing coarse along Redleaf avenue & Railway Avenue

Equipment to be used includes road mill, road saws, lighting towers, excavators, pozi tracks & tipper trucks.

Detours will be in place for southbound motorists **via Ingram Road or Rohini Street** and for northbound motorists **via Rohini Street**. The bridge will reopen to two-way traffic from **5am Tuesday 1 March**.

Traffic and pedestrian access will be maintained for motorists travelling northbound and southbound on Redleaf Avenue Bridge. Please follow the direction of traffic control.

Pedestrian access changes

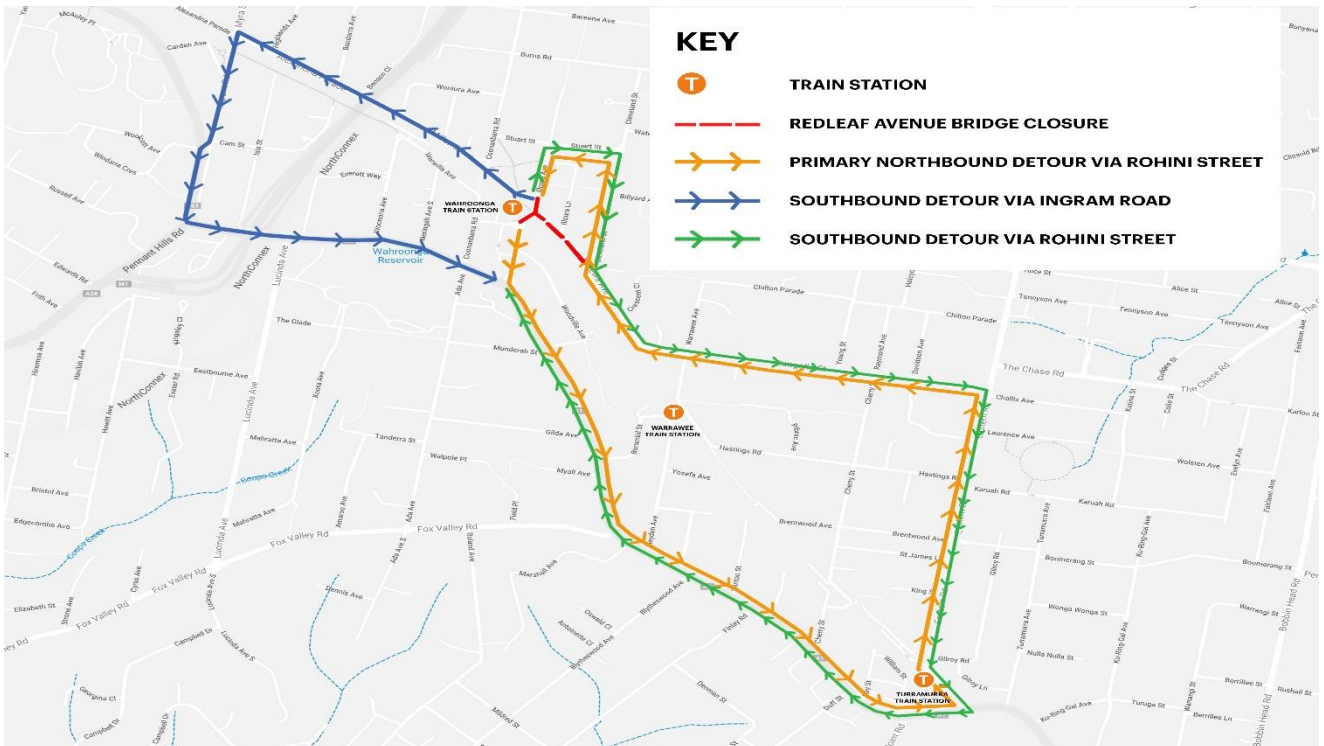

Traffic changes may be in place intermittently during daytime work hours on Redleaf Avenue bridge. **It will remain open to traffic traveling northbound and southbound under the direction of traffic control. Please allow extra travel time.**

The pedestrian footpath along the rail corridor between Illoura Avenue and the Heritage footbridge (on the village side) will continue to be closed. Pedestrian access on Redleaf Avenue and the heritage bridge will be maintained, however minor pedestrian detours will be in place around the work site.

Please follow the directional signage in place. **Customer access to Wahroonga station will be maintained** when trains are running.

Temporary changes to station toilets

The existing male toilet in the station building has now been upgraded as a unisex ambulant toilet. Work is nearing completion to upgrade the existing female toilet to Family accessible toilet (FAT).

Map of traffic detour from 7pm to 5am on Monday 28 February

Construction hours

Standard construction hours are **7am to 6pm every day, including Sundays and public holidays**. This is to facilitate social distancing on construction sites and support the health and wellbeing of workers.

This work schedule may be subject to change due to NSW public health orders.

Keep in touch

We will continue to keep the community informed with project updates. Further information is available on the project website www.transport.nsw.gov.au/wahroonga.

If you would like to be added to the project distribution list, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

Nearby Transport for NSW project

Adjacent to the Wahroonga Station Upgrade, is the Pacific Highway upgrade between Turramurra and Wahroonga Pinch Point Project.

During October 2021 and January 2022, work will continue to upgrade intersections of the Pacific Highway at Fox Valley Road and Redleaf Avenue in Wahroonga. For more information, please visit nswroads.work/t2w
