

# Transport Access Program

## Wahroonga Station Upgrade

### Project update

January 2022

Transport for NSW is upgrading Wahroonga Station to make it easier for everyone to access, including people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

### Upcoming work

Work will continue in January 2022, it includes:

- finishing work for the new lift shaft, footbridge and lift canopy
- completion of station toilet refurbishment
- underground service investigation, relocation of services and utilities
- construction of a new pedestrian ramp including concrete placement & screen installation
- installation of new road barriers either side of Redleaf Avenue bridge
- construction of new footpath, kerb and gutters

Equipment to be used includes tipper trucks, concrete pumps and concrete trucks, vacuum trucks, cranes, small excavators, saw cutters, rollers, surveying equipment and hand tools. This work is in line with the current Public Health Orders and a COVID-19 Safe plan is in place, including masks at the station platform and QR codes.

For more information call **1800 684 490**,

Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [www.transport.nsw.gov.au/wahroonga](http://www.transport.nsw.gov.au/wahroonga)

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

## Pedestrian access and traffic changes

Transient traffic changes may be in place intermittently during daytime work hours on Redleaf Avenue bridge. **It will remain open to traffic traveling northbound and southbound under the direction of traffic control. Please allow extra travel time.**

The pedestrian footpath along the rail corridor between Illoura Avenue and the Heritage footbridge (on the village side) will continue to be closed. Pedestrian access on Redleaf Avenue and the heritage bridge will be maintained, however minor pedestrian detours will be in place around the work site.

Please follow the directional signage in place. **Customer access to Wahroonga station will be maintained** when trains are running.

## Temporary changes to station toilets

The existing male toilet in the station building has now been upgraded as a unisex ambulant toilet. Work is nearing completion to upgrade the existing female toilet to a Family accessible toilet (FAT).

## Site shutdown

Wahroonga construction site will be closed over the Christmas period from **Friday 24 December 2021 to Monday 10 January 2022**. There will be no construction work taking place during this time, however customers may continue to see construction staff throughout this time to ensure safety, maintenance and security of the work site.

## Construction hours

Standard construction hours are **7am to 6pm every day, including Sundays and public holidays**. This is to facilitate social distancing on construction sites and support the health and wellbeing of workers.

*This work schedule may be subject to change due to NSW public health orders.*

## Keep in touch

We will continue to keep the community informed with project updates. Further information is available on the project website [www.transport.nsw.gov.au/wahroonga](http://www.transport.nsw.gov.au/wahroonga). If you would like to be added to the project distribution list, please contact us on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au). For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

## Nearby Transport for NSW projects

Adjacent to the Wahroonga Station Upgrade, is the Pacific Highway upgrade between Turramurra and Wahroonga Pinch Point Project. During October 2021 and January 2022, work will continue to upgrade intersections of the Pacific Highway at Fox Valley Road and Redleaf Avenue in Wahroonga. For more information, please visit [nswroads.work/t2w](http://nswroads.work/t2w)
