

# Kiama Station

## Upcoming work

---

Recently we advised of upcoming work inside the Kiama Park&Ride Commuter Car Park to facilitate the installation of new lighting for the drivers walkway inside the rail corridor.

Further investigations have revealed a layer of rock which will require the use of an excavator and rock breaker in order for the team to identify existing underground service route locations.

**We will be completing this work during standard construction hours (7am to 6pm Monday to Friday and 8am to 1pm on Saturdays) between Monday 15 May and Monday 29 May 2023.**

To enable safe construction, we will be required to reserve car spaces in the Kiama Park&Ride Commuter Car Park for the duration of the work. Signage will be in place to assist motorists with these temporary changes.

If you would like to find out more, please contact us through the formal contact avenues listed overleaf.

We would like to thank you, our closest neighbours, for your ongoing support as we work to deliver an improved rail network.

## We are going paperless

We are committed to integrating sustainable practices into our projects and reducing environmental impacts. After May 2023, we will no longer be distributing paper notifications to residents unless requested. Instead, we will contact you via email when there is construction work that may impact you.

To register for digital construction updates, please scan the QR code and fill out the form.

If you wish to continue to receive paper notifications, you can request this via the QR code or call us at **1800 684 490** and ask to speak to a member of More Trains, More Services.

**Register to receive important information about upcoming construction work in your area.**
