

# Unanderra Station Upgrade lift opening

## Community notification

May June 2023

Transport for NSW acknowledges the Wodi Wodi people of the Dharawal Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The NSW Government is upgrading accessibility at Unanderra Station. This upgrade is being delivered as part of the Transport Access Program, an initiative to provide a better experience for public transport customers by delivering modern, safe and accessible infrastructure.

### Completed work

We are pleased to announce three new lifts and the new footbridge at Unanderra Station are complete and will be open to the public on **Tuesday 30 May**, and the old footbridge will close on the same day.

### Upcoming work

This month we will be continuing work on footpaths, kerbs and asphaltting on Berkeley Road West. Landscaping, fencing, handrails, and touch up paint work will continue.

The old footbridge will be demolished on **Saturday 3 June and Sunday 4 June**.

### Out of hours work

The old footbridge demolition will happen between **12 midnight Saturday 3 June and 10pm Sunday 4 June**. For the safety of staff and customers, this will take place during a scheduled Sydney Trains trackwork period when no trains will be running, and the station will be closed.

Equipment to be used will include cranes, excavators and bobcat, jackhammers, demolition saw, height access equipment and hand tools. This work may generate higher than normal levels of noise and respite vouchers may be offered to residents immediately surrounding the work areas.

*All work is dependent on weather and site conditions and is subject to change.*

### Working hours

Aside from the weekend work mentioned above normal working hours will continue between **7am and 6pm Monday to Friday and 8am and 1pm Saturdays**. Some work may also be carried out on weekends until the end of the project, from 7am to 6pm on Saturdays and 8am to 6pm on Sundays.

### Pedestrian access and loop road

Pedestrian access to the station will be available via the new footbridge from **Tuesday 30 May**.

The loop road from Princes Highway to the commuter car park will be closed to all traffic and pedestrians from **5am Saturday 3 June until 10pm Sunday 4 June**.

We apologise for the inconvenience and thank you for your patience while this work is carried out.

Work is being carried out on footpaths, kerbs, landscaping and fencing at Unanderra Station.
