

Transport Access Program Unanderra Station Upgrade

Community notification

July 2023

Transport for NSW acknowledges the Wodi Wodi and Dharawal people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The NSW Government is upgrading accessibility at Unanderra Station. This upgrade is being delivered as part of the Transport Access Program, aiming to provide a station precinct that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage

Completed work

We are pleased to announce the old footbridge has been removed and new footbridge is now officially open to the public, with final work around the station being carried out.

Upcoming work

In July we will be completing work on footpaths, kerbs and road surface on Berkeley Road West.

Out-of-hours work

Work on Berkeley Road West will be carried out

between **5am Saturday 22 July** and **6pm Sunday 23 July**. Line marking will also take place between **5am Saturday 29 July** and **6pm Sunday 30 July**.

Equipment to be used will include road work machines and equipment to remove some of the existing road surface, hand tools and line marking trucks and equipment.

Noise modelling will take place and, if work generates higher than normal levels of noise, respite may be offered to your residence.

All work is dependent on weather and site conditions and is subject to change.

If work detailed above is delayed, it will then take place between Saturday 29 July and Sunday 30 July and Saturday 5 August and Sunday 6 August.

Commuter car park

The commuter car park will be closed from **6pm Friday 21 July** until **6pm Sunday 23 July**.
