### How this affects you

#### Noise

- These works may create additional noise at night.
- **Work will take place from 10pm Friday 26 April to 2am Monday 29 April.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

#### Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
