- Civil track maintenance
- General routine maintenance activities
- Overhead wiring maintenance activities
- Routine signal and electrical maintenance
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Turnout refurbishment at Mortdale Yard

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place from 8am Saturday 6 April to 9pm Sunday 7 April.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
