

Sydney Trains

Canterbury Retaining Wall – Geotechnical Investigation Work

From Thursday 18 April to Saturday 20 April 2024

What we're doing

Sydney Trains is completing investigation works on the retaining wall on Broughton Street near Canterbury Station from Thursday 18 April to Saturday 20 April.

Sydney Trains geotechnical investigation works include:

- Service locating
- Concrete coring
- Borehole drilling

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place from 8pm to 5am on Thursday 18 April and Friday 19 April.**
- Power tools and machinery will be used throughout the works. We will select low-noise equipment when available.
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and Parking

- Heavy vehicles will be using local streets to access the worksite.
- We will park our vehicles within the worksite where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
