

Sydney Trains

City Circle to Lidcombe track maintenance

From Friday 3 May to Monday 6 May 2024

What we're doing

Sydney Trains will complete maintenance works around the City Circle and to Lidcombe from Friday 3 May to Monday 6 May.

Sydney Trains construction and maintenance works include:

- Bridge renewal at Burwood Road Underbridge, Burwood
- Building (Station) refurbishment at Strathfield
- Drainage works at Strathfield
- Platform resurfacing at Homebush
- Rerailing between Macdonaldtown and Newtown
- Routine civil, signal, and electrical maintenance
- Station upgrade works, to improve safety on stations
- Track circuits renewal between Flemington and Homebush
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Track reconditioning at Lewisham
- Track resurfacing, tamping and rail grinding activities
- Turnout refurbishment at Central
- Turnout renewal at Macdonaldtown
- Vegetation maintenance, litter, and graffiti removal.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place from 10.15pm Friday 3 May to 2am Monday 6 May.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
