

Erskineville Station Upgrade Community Update

Transport Access Program

May 2024

Transport for NSW acknowledges the Gadigal people of the Eora Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The Erskineville Station Upgrade is part of the Transport Access Program, a NSW Government initiative to provide a station that is accessible to people with a disability, limited mobility, parents/carers with prams and customers with luggage.

Day work in May and June

Day work at the station will continue in May and June **Monday to Friday from 7am until 6pm, and from 8am until 1pm on Saturdays.**

Key activities include:

- Rectification of defects
- Installation of tie rods – used for stabilisation and reinforcement – to the awnings at the lift landings.
- Installation of electrical services at the station master's office.

Work outside standard construction hours

We will be working **from 11pm on Wednesday 15 May until 5am on Thursday 16 May** to install electrical services at the station master's office. We have a contingency shift booked on Thursday 16

May in the event the work cannot be completed as planned on 15 May.

What will this mean for you?

You may notice:

- Workers and vehicles
- Traffic control and signage
- Noise from machinery and equipment.

Changes to scheduled works

Work schedules are subject to change due to permits, weather, and site conditions. Further notification will be provided should there be a significant change to the construction program.

Managing our impacts

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- Reducing our noise as much as possible
- Traffic control and signage will be in place, as required.
