

Sydney Trains

Macdonaldtown to Newtown track maintenance

From Friday 3 May to Monday 6 May 2024

What we're doing

Sydney Trains is undertaking maintenance work between Macdonaldtown to Newtown from Friday 3 May to Monday 6 May.

To improve service reliability, we are working on rail maintenance and rerailing track works.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place from 6am Friday 3 May to 2am Monday 6 May.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles may be using local streets to access the rail corridor on the corner of Station Street to along Gladstone Street.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
