

Sydney Trains

Seven Hills to Toongabbie track maintenance

From Saturday 27 April to Sunday 28 April 2024

What we're doing

Sydney Trains will be undertaking track maintenance works from Saturday 27 April to Sunday 28 April between Toongabbie Station and Seven Hills Station.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place from 4am Saturday 27 April to midnight Sunday 28 April.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Finishing works may take place following this period, including the removal of equipment and site sheds.

Road closures and parking

- Heavy vehicles will use local streets to access the rail corridor via Station Road. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking on Station Road adjacent to rail corridor will be blocked off to provide parking space for machines and site personnel.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
