

Sydney Trains

Mount Colah Station

Footbridge Renewal works

From Monday 18 September to Friday 22 September 2023

What we're doing

Sydney Trains is replacing the existing footbridge at Mount Colah Station. As part of the project, new lifts will also be constructed on the platform and eastern and western sides of the station.

To prepare for the construction of a new pedestrian footbridge and lifts, we will be carrying out concreting works in and around the station from Monday 18 September to Friday 22 September.

How this affects you

Noise

- These works will create additional noise at night during the week.
- Works will take place **from 9pm to 6am between Monday 18 September and Friday 22 September.**
- Power tools and machinery will be used throughout work and we will select low-noise equipment where possible
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Road and footpath closures

- Closure of the left (slow) lane on the Pacific Highway in the southbound direction **from 9pm to 6am between Monday 18 September and Friday 22 September.**
- Detours will be in place for the duration of works. Motorists are encouraged to plan their trip and use alternate routes to avoid the area. Please use trip planner to plan your journey.
- Traffic controllers will be on duty to direct motorists and pedestrians throughout the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
