

Sydney Trains

Artarmon embankment maintenance

From Tuesday 2 April to Friday 21 June 2024

What we're doing

Sydney Trains is undertaking essential stabilisation work at Artarmon railway cutting next to Mowbray Road from Tuesday 2 April to Friday 21 June.

Sydney Trains maintenance works include:

- removing vegetation
- removing unbalanced loose materials such as soil and rocks
- shotcreting the embankment face (along the top and the edge of the northern side of the embankment).

This work involves the removal of large trees. Please note all the required environmental approvals have been obtained and relevant environmental guidelines will be followed.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise during the day.
- **Weekday work will take place daily from 7am to 5pm Tuesday 2 April to Friday 21 June.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles and work vehicles will be accessing the rail corridor via Drake Street.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near the worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
