

Sydney Trains

Beecroft Substation electrical upgrade work

From Wednesday 1 May to Tuesday 31 December 2024

What we're doing

To improve service reliability and reduce the need for ongoing maintenance, Sydney Trains is undertaking electrical upgrade work at Beecroft Substation from Wednesday 1 May to Tuesday 31 December 2024.

We understand this work may have an impact on you and your family. We appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise during the day and over the weekend.
- **Work will take place between Wednesday 1 May and Tuesday 31 December 2024:**
 - from 7am to 5pm on weekdays
 - from 7am to 1pm on Saturdays, with no work planned on Sundays, except as outlined below.
- **Work will also take place during the following track possession weekends:**
 - from 6am to 6pm on Saturday 8 June and Sunday 9 June 2024
 - from 6am to 6pm on Saturday 3 August and Sunday 4 August 2024.
- Equipment may be delivered to the worksite outside the above work times. Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets, including The Crescent, to access the substation.
- While we will park our vehicles near the substation complex where possible, please be aware that on-street parking may be limited near the worksite.

We apologise for any inconvenience and thank you for your co-operation during these essential works.
