## Hornsby Maintenance Centre OHW Modernisation

From Saturday 8 June to Monday 10 June 2024

### What we're doing

To improve service reliability, Sydney Trains is constructing new overhead wiring in the rail corridor within Hornsby Maintenance Centre from Saturday 8 June to Monday 10 June.

We understand this work may have an impact on you and we appreciate your patience and understanding.

### How this affects you

#### Noise

- These works may create additional noise during the day and night over the weekend.
- **Work will take place from 6am Saturday 8 June to 10pm Monday 10 June.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Finishing works may take place following this period, including the removal of equipment.

#### Traffic and Parking

- Heavy vehicles will use local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
