

Warrimoo Station footbridge maintenance

From Saturday 18 May to Sunday 19 May 2024

What we're doing

To improve service reliability, Sydney Trains will complete maintenance works at Warrimoo Station from Saturday 18 May to Sunday 19 May.

We will be repainting a section of the footbridge which involves abrasive cleaning and painting work.

Sydney Trains is undertaking maintenance work at Warrimoo Station from Saturday 18 May to Sunday 19 May to protect the footbridge steelwork from corrosion and extend the life of the structure. We will be repainting a section of the footbridge which involves abrasive cleaning and painting work. Note that abrasive cleaning using high pressure air is noisy and will need to occur at night. Ideally, Sydney Trains would prefer to complete the cleaning and painting during daytime hours to minimise the inconvenience to you. However, as we only have a weekend window when trains do not run to complete the works, Sydney Trains will require to scaffold and contain the area on Saturday day, abrasive clean the existing paint off at night, and complete a 2-coat industrial paint system on Sunday in warmer, drier air. This will prevent any further corrosion on the steelwork. The cleaning is planned to take 14 hours between 4pm Saturday to 6am Sunday. However, we will try our best to accelerate the program to minimise the noise work at night.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works will create additional noise at night and over the weekend.
- **Work will take place from 5am Saturday 18 May to 10pm Sunday 19 May.**
- **Work activities will include abrasive blasting, vacuum cleaning, and compressors.** We will select low-noise compressors and equipment, where low-noise alternatives are available.
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles. Finishing works may take place following this period, including the removal of equipment.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Footbridge Closure

- **The footbridge at Warrimoo Station will be closed from 5am Saturday 18 May to 10pm Sunday 19 May.**
- Pedestrians will be able to cross the rail corridor via a shuttle bus which will be located at the closest bus stops on Railway Parade and Great Western Highway.

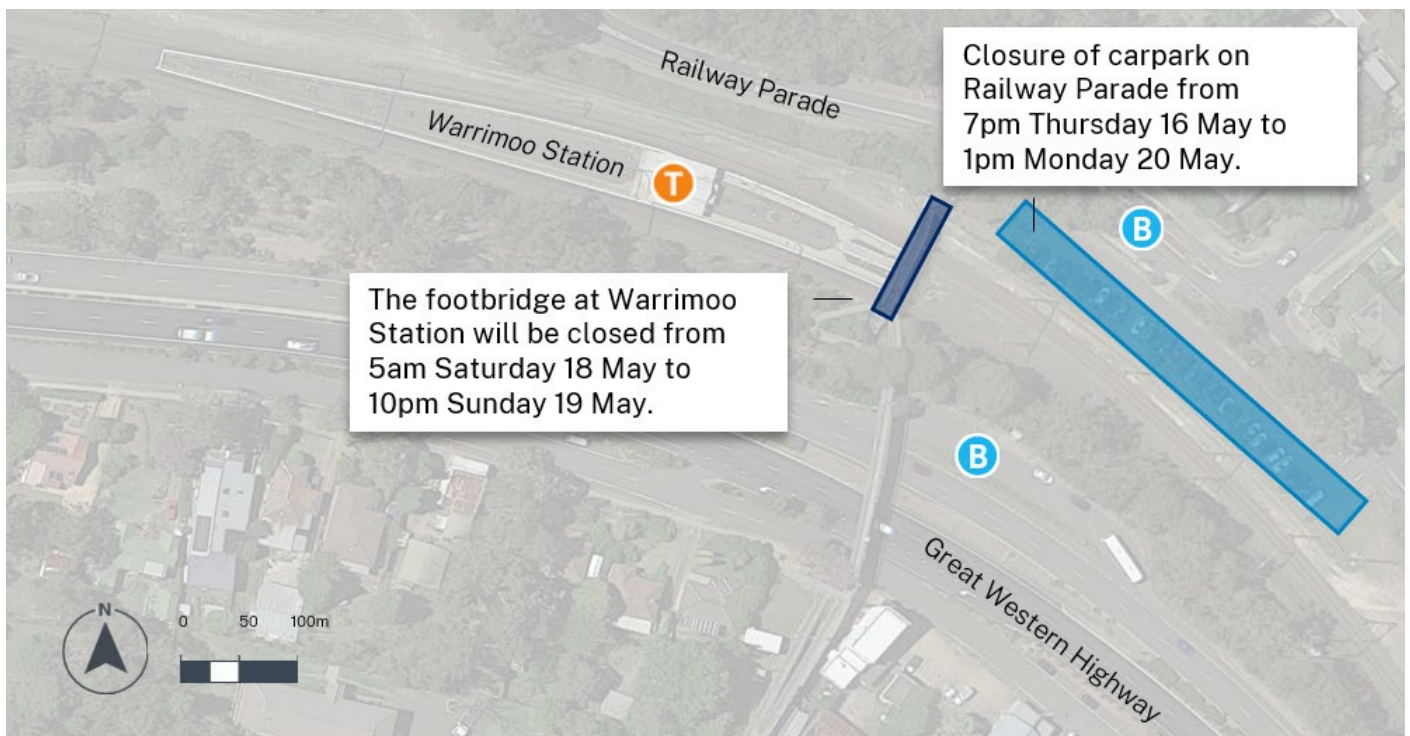

Sydney Trains

Carpark Closure

- The carpark at Warrimoo Station will be closed from 7pm Thursday 16 May to 1pm Monday 20 May.

We apologise for any inconvenience during these essential works.
