

Sydney Trains

Central to Glenfield track maintenance

From Monday 27 May to Friday 31 May 2024

What we're doing

Sydney Trains will complete maintenance works between Central and Glenfield from Monday 27 May to Friday 31 May.

Sydney Trains construction and maintenance works include:

- Ballast maintenance between Turrella and Central
- Civil track maintenance
- General station maintenance works, to improve safety on stations
- Rail grinding between Turrella and Revesby
- Routine signal and electrical maintenance
- Station upgrade works at Turrella
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Track reconstruction at East Hills
- Track resurfacing, tamping and rail grinding activities
- Turnout grinding between Bardwell Park and Revesby
- Vegetation maintenance, litter and graffiti removal.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place from 10pm to 4am Monday 27 May to Friday 31 May.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
