

# Transport Access Program

## Edgecliff Station Upgrade

*Artist's impression of the bus interchange with new lift to the station concourse and shops*

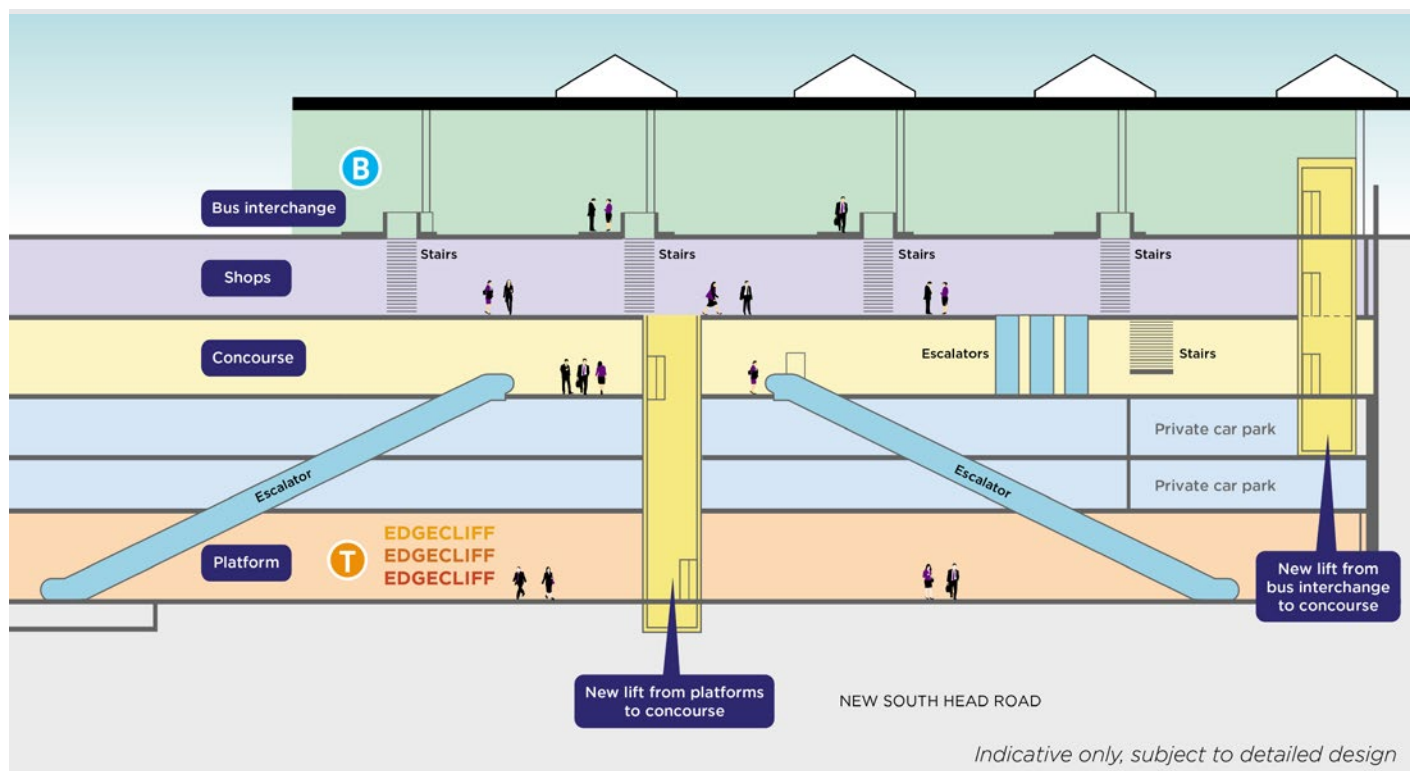

## Have your say on the early plans

The NSW Government is upgrading Edgecliff Station to make it accessible for all customers. The early design for the project includes:

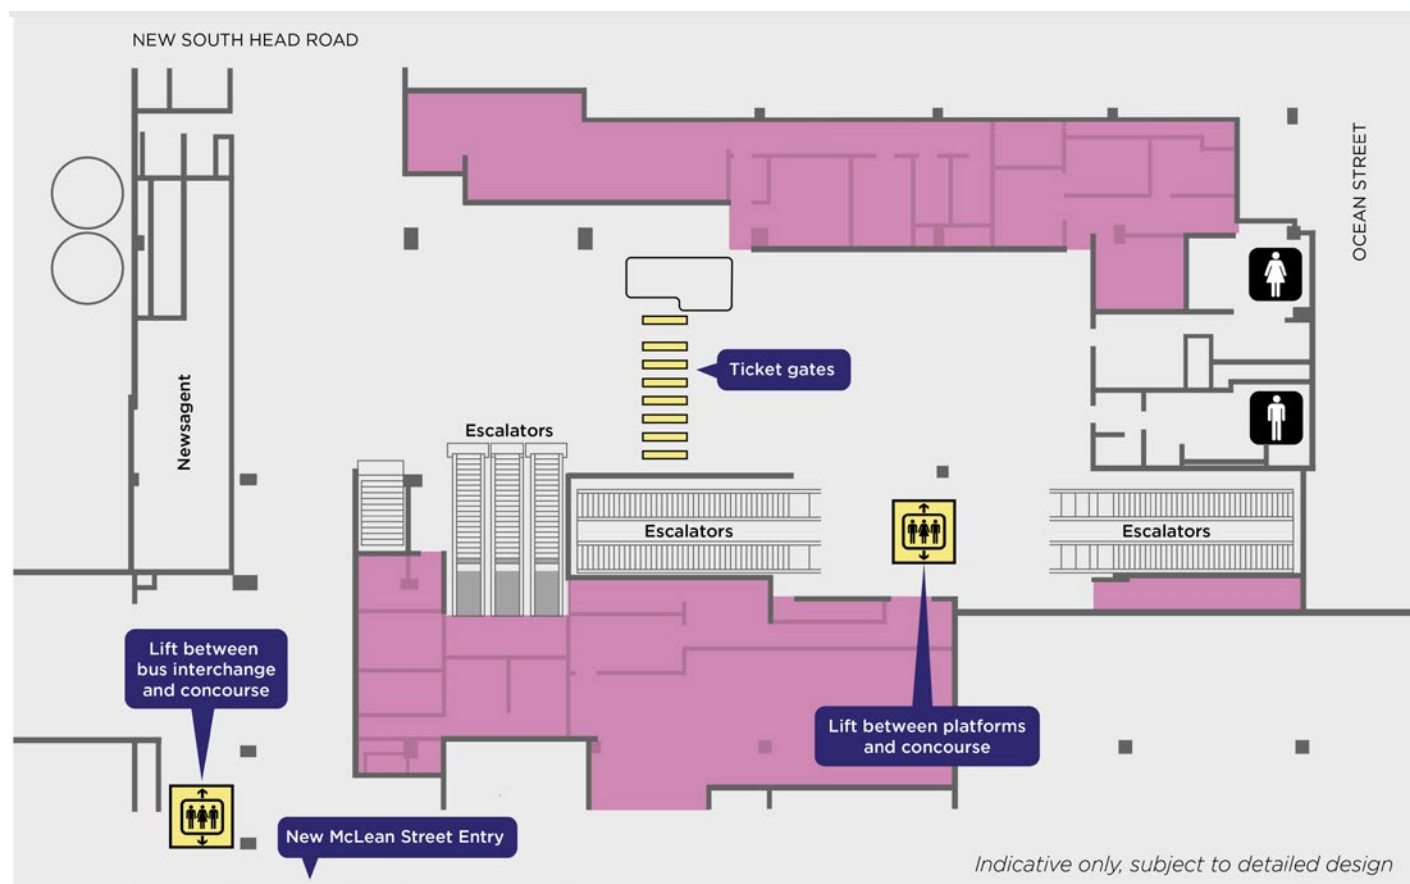

- two new lifts to provide access to the train platforms and to the bus interchange
- refurbished escalators to the train platforms
- relocated ticket gates to improve customer circulation
- cctv upgrades
- new crossings and ramps in the bus interchange area to provide access to the lift
- interchange facilities such as a kiss and ride zone, additional seating and shelter.

See the plans on page two for further information.

## Indicative layout of the station upgrade - concourse

## Have your say

We want your feedback on the initial plans as well as opportunities you think may improve access to the station. Your feedback will help inform the concept design and the planning approval documents which will be placed on public display later this year.

Feedback on the early design can be sent to:

- [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au)
- Transport Access Program – Edgecliff  
Director – Planning and Environment  
Locked Bag 6501, St Leonards NSW 2065

Further information on the project scope and expected construction impacts and associated mitigation measures can be found at:

- [www.transport.nsw.gov.au/projects/tap](http://www.transport.nsw.gov.au/projects/tap)
- [nsw.gov.au/haveyoursay](http://nsw.gov.au/haveyoursay)

Please provide your feedback by **5pm Friday 2 June 2017**.

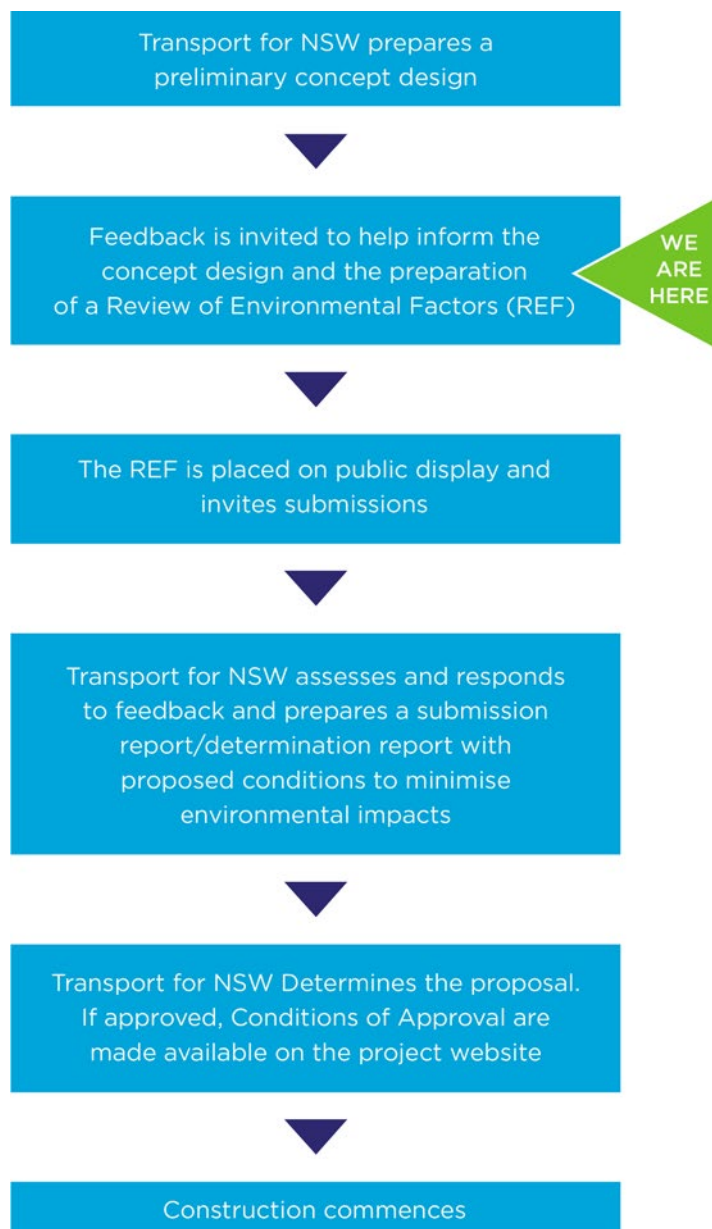

### Come and meet the Transport for NSW project team

Representatives from the TfNSW project team will be at Edgecliff Station (near the ticket gates) to take your feedback and answer any questions you may have on the project.

Please note that you may drop in at any time between **4pm and 6pm on 1 May, 9 May, 18 May and 26 May 2017**.

If you are unable to attend and would like to talk with the team, please call the Project Infoline on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au)

## Next steps – Planning approval

## Edgecliff Bus Interchange

Works in the bus interchange as part of this project include the construction of a new lift (which will stop at the shop level and the station concourse level), as well as associated pedestrian crossings and ramps to enable safe accessible paths of travel from each bus stand/platform to the new lift.

Sydney Trains is currently undertaking some works within the bus interchange to construct a new cycleway and bicycle storage facility. Please contact Sydney Trains on **131 500** for more information on these works.

## Transport Access Program

This station upgrade is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.
