

# Newtown Station

## train timetable – a look at your station

### The train timetable will provide customers using Newtown station with:

- Improved connections to and from other stations on the Inner West Line, tailored to meet the needs of local residents who want regular, frequent trains connecting schools and local centres.
- 15-minute clock-face services at all stations between 6am and 10pm weekdays and extended to midnight for services from Newtown to the city.
- Improved reliability with the new \$102 million Homebush and Lidcombe turnbacks, separating the Bankstown and Inner West lines and minimising the impact of disruptions elsewhere on the network for Newtown and other Inner West Line customers.
- On Saturdays 15-minute clock-face services from Newtown to the city will continue until 1am to service the late night economy.

The timetable is available to be viewed at [www.newtimetables.com.au](http://www.newtimetables.com.au) or customers can download the new train timetable planning app, New Times, to get an early look at the changes. Available now from the App Store and Google Play.
