5.3 Exclusivity

(a) The Independent Certifier must not, and must procure that:

(i) any related body corporate (as defined by sections 9 and 50 of the Corporations Act 2001 (Cth)) of the Independent Certifier; and

(ii) any employees, agents, subcontractors and consultants who are involved in the provision of the Services,

do not, from the date of execution of this deed until the date of expiry of the Term in accordance with clause 4.13:

(iii) have any direct or indirect involvement (whether under contract or any other arrangement):

A. with the SVC Contractor or any of its contractors, consultants or providers, or OpCo or any of its contractors, consultants or providers; or

B. in the Project Agreements; or
provide services to or advise any other person in relation to the Project Agreements, other than the provision of the Services under this deed, except with the prior written consent of TfNSW which may be withheld or granted in its absolute discretion.

The Independent Certifier agrees that:

(i) having regard to the Project Agreements and the Services, clause 5.3 is reasonable as regards the nature of the involvement restrained and the duration and scope of the restraint and that the restraints are reasonably necessary for the probity of the Project Agreements and to ensure the best value for money of the Project Agreements; and

(ii) damages may not be a sufficient remedy for a breach of clause 5.3 and TfNSW may be entitled to specific performance or injunctive relief (as appropriate) as a remedy for any breach or threatened breach by the Independent Certifier, in addition to any other remedies available at Law or in equity.

6. Obligations of the Other Parties

6.1 No interference or influence

(a) The Other Parties will not interfere with or attempt to improperly influence the Independent Certifier in the performance of any of the Services. The parties acknowledge that any communication allowed by this deed will not of itself constitute a breach of this clause.

(b) Clause 6.1(a) will not prevent the Other Parties from providing written comments to the Independent Certifier in respect of the Design Documentation or any other aspect of the SVC Contractor's Activities (including in connection with the Independent Certifier's determination of whether Construction Completion has been achieved by the SVC Contractor) and the Independent Certifier must consider any comments received from the Other Parties.

6.2 Co-operation

(a) Without limiting or otherwise affecting any of the SVC Contractor's obligations under this deed or the Project Agreements, the SVC Contractor must:

(i) co-operate with and provide the Independent Certifier with all information and documents necessary or reasonably required by the Independent Certifier, or otherwise requested by the Independent Certifier or directed by TfNSW;

(ii) allow the Independent Certifier to attend all meetings and procure for the Independent Certifier access to such premises as may be reasonably necessary to enable the Independent Certifier to perform the Services or as requested by the Independent Certifier or directed by TfNSW, including allowing access to the Construction Site and any Extra Land and all areas where the SVC Works are being performed; and

(iii) ensure that Hold Points and Witness Points are included in the Overall D&C Program as required by the Independent Certifier to enable the Independent Certifier to perform the Services.
(b) The SVC Contractor and OpCo must ensure that TfNSW is provided with a copy of any written communication to the Independent Certifier within 2 Business Days of providing the same to the Independent Certifier.

6.3 TfNSW to have no liability

Each party acknowledges that TfNSW is not liable, nor will be taken to have a liability, or to have assumed a liability or become (on enforcement of any of their powers or otherwise) liable:

(a) to any party to this deed by reason of TfNSW being a party to this deed; or

(b) for the performance of any obligation of the SVC Contractor, OpCo or the Independent Certifier under this deed or under any Project Agreement.

7. Change to Services, suspension of Services and appointment of Substitute Certifier

(a) TfNSW may, by written notice to the Independent Certifier, direct the Independent Certifier to carry out a change to the Services (including an addition or omission) and the Independent Certifier must comply with that direction.

(b) The Fee to be paid to the Independent Certifier in relation to a change to the Services referred to in clause 7(a) will be determined in accordance with the schedule of rates set out in the Payment Schedule. If an amount for the change to the Services cannot be determined by reference to the schedule of rates, the amount will be a reasonable amount as stated in writing by TfNSW.

(c) TfNSW may, by written notice to the Independent Certifier (copied to the SVC Contractor and OpCo), direct the Independent Certifier to suspend any or all of the Services for the period of time specified in the notice.

(d) The Independent Certifier acknowledges and agrees that TfNSW may, with or without the Other Parties, appoint another certifier (Substitute Certifier) to carry out those Services which are omitted as a result of a change to the Services as directed under clause 7(a), and any decision of a Substitute Certifier appointed shall be treated (between TfNSW, the SVC Contractor, OpCo and the Independent Certifier) as if it is a decision of the Independent Certifier, and the Substitute Certifier shall have all of the rights and powers of the Independent Certifier under the Project Agreements in connection with those Services.

(e) Notwithstanding a change to the Services or the appointment of a Substitute Certifier, the Independent Certifier must continue to perform the Services, as varied in accordance with this clause 7, in accordance with this deed. Without prejudice to any claim in respect of the performance of the Independent Certifier, the Independent Certifier is not responsible for the performance of the Substitute Certifier.

8. Liability, insurance and indemnity

8.1 Limitation of liability

Subject to clause 8.2, the Independent Certifier's total liability to TfNSW, any Other Party and the Interface Owners under, arising out of or in connection with this deed and the deed polls provided by the Independent Certifier in favour of the Interface Owners, from all claims howsoever arising (including negligence and breach of statutory duty) will be limited to:
(a) for claims in relation to which the Independent Certifier is entitled to be indemnified (or would have been entitled to be indemnified but for any act or omission of the Independent Certifier) under the professional indemnity insurance required to be held by the Independent Certifier under clause 8.3(a), $20 million; and

(b) for all other claims, the higher of:

(i) $20 million; and

(ii) any amount for which the Independent Certifier is indemnified under an insurance policy required to be held by the Independent Certifier under clauses 8.3(b) to 8.3(d).

8.2 Exclusions

The limitation of liability in clause 8.1 does not apply to any claims arising out of or in connection with any of the following on the part of the Independent Certifier or anyone for whom it is responsible:

(a) fraud or criminal conduct;

(b) wilful misconduct, being any conduct, act or omission done or to be done which results from conscious, reckless or intentional indifference to any provision of this deed or the rights or welfare of, or foreseeable harmful consequences to, those who are or may be affected by that conduct, act or omission; or

(c) gross negligence, being any negligent act or omission which the Independent Certifier knew, or ought reasonably to have been aware, would result in substantial losses being incurred by another party to the deed.

8.3 Insurances

The Independent Certifier must, from the later of the date of the SVC Project Deed and the date of this deed, hold and maintain:

(a) professional indemnity insurance with:

(i) a limit of indemnity of not less than $20 million for any single claim and in the aggregate in respect of legal liability (including, without limitation, in connection with property damage, personal injury or death) arising from a breach of professional duty, whether owed in contract or otherwise, by reason of any negligent act, error or omission by the Independent Certifier or its employees, agents or consultants; and

(ii) a deductible of not more than $500,000;

(b) workers compensation insurance in accordance with the requirements of Law;

(c) public liability insurance with:

(i) a limit of indemnity of not less than $50 million for any one claim in respect of legal liability for third party property damage, personal injury or death arising from the performance of the Services under this deed; and

(ii) a deductible of not more than $50,000; and

(d) such other insurance as may reasonably be required by the Other Parties.
8.4 Notice of matter affecting insurance

The Independent Certifier must notify the Other Parties 30 days in advance of any event which could affect its insurance cover or if any policy is cancelled, avoided or allowed to lapse.

8.5 Provision of information

The Independent Certifier must provide to the Other Parties:

(a) certified copies of the insurance policies apart from the professional indemnity insurance and workers compensation insurance; and
(b) certificates of currency, with respect to the insurances effected and maintained by the Independent Certifier for the purposes of this clause 8,

at any time and from time to time on request by any party and prior to the renewal of each policy.

8.6 Periods for insurance

The Independent Certifier must maintain:

(a) the project specific professional indemnity insurance for a period of 7 years (whether annually renewable or a single project policy) after the Date of Construction Completion of the last Portion to achieve Construction Completion or the date of termination of this deed, whichever is earlier;
(b) the workers compensation insurance until it ceases to perform the Services;
(c) the public liability insurance until it ceases to perform the Services; and
(d) any other insurances for such time as may reasonably be required by the Other Parties.

8.7 Obligations unaffected by insurance

The requirement to effect and maintain insurance in this clause 8 does not limit the liability or other obligations of the Independent Certifier under this deed.

8.8 Indemnity

Subject to clause 8.1, the Independent Certifier is liable for and indemnifies each Other Party against any liability, loss, claim, expense or damage which they may pay, suffer or incur in respect of:

(a) any damage to or loss of property; or
(b) death of or injury to any person,

insofar as the liability, loss, claim, expense or damage arises out of the act, error or omission of the Independent Certifier, its employees, agents or consultants.

9. Termination of appointment

9.1 Notice of termination

Following consultation with the Other Parties, TfNSW may terminate the appointment of the Independent Certifier under this deed by notice in writing served on the Independent Certifier (copied to the SVC Contractor and OpCo) if:
(a) the Independent Certifier is in breach of this deed and the breach is not remediable in the reasonable opinion of TfNSW;

(b) the Independent Certifier is in breach of this deed and the breach, being remediable in the reasonable opinion of the Other Parties, has not been remedied within 7 days of the service by TfNSW of a notice specifying the breach and requiring the breach to be remedied;

(c) an Insolvency Event occurs in relation to the Independent Certifier; or

(d) TfNSW in its absolute discretion for any reason whatsoever serves on the Independent Certifier a notice of termination of the appointment of the Independent Certifier in respect of the Services, on a date specified in the notice, being not less than 15 Business Days after the date of issue of the notice.

9.2 Termination

Where a notice is served on the Independent Certifier under clause 9.1, the appointment of the Independent Certifier will terminate upon the earlier of:

(a) the date specified in the notice issued under clause 9.1; or

(b) the appointment of a replacement for the Independent Certifier.

9.3 Delivery of documents

Upon the earlier of the date of termination of the appointment of the Independent Certifier and the date of completion of the Services, the Independent Certifier:

(a) must deliver up to the Other Parties or to such other person as the Other Parties may direct, all books, records, drawings, specifications and other documents in the possession, custody or control of the Independent Certifier relating to the Services; and

(b) acknowledges that the Other Parties have the right to use all such documents for any purposes in connection with the North West Rail Link, the SVC Works, the SVC Contractor's Activities or the Project Agreements.

9.4 Reasonable assistance

Where the Other Parties give a notice under clause 9.1 of termination of the appointment of the Independent Certifier, the Independent Certifier must provide full assistance to the Other Parties and any appointed replacement for the Independent Certifier in order to enable such replacement to be in a position to perform the Services with effect from the appointment of such replacement.

9.5 Payment until date of termination

Where the appointment of the Independent Certifier is terminated under clause 9.1(d), the Independent Certifier is only entitled to be paid by the SVC Contractor the proportion of the Fee for Services performed up to the date of the termination.

9.6 Termination without payment

Termination of the appointment of the Independent Certifier will be without prejudice to any claim which any of the Other Parties may have in respect of any breach of the terms of this deed which occurred prior to the date of termination.
9.7 **Survive termination**
This clause 9 will survive the termination of this deed by the Other Parties under clause 9.1.

9.8 **Rights upon termination**
If the appointment of the Independent Certifier is terminated pursuant to clauses 9.1(a) to 9.1(c), the parties' remedies, rights and liabilities shall be the same as they would have been under the Law governing the deed had the Independent Certifier repudiated the deed and the Other Parties elected to treat the deed as at an end and recover damages.

10. **GST**

(a) Except where the context suggests otherwise, terms used in this clause 10 have the meaning given to those terms by the A New Tax System (Goods and Services Tax) Act 1999 (Cth) (as amended from time to time).

(b) Any part of a supply that is treated as a separate supply for GST purposes (including attributing GST payable to tax periods) will be treated as a separate supply for the purposes of this clause 10.

(c) Unless otherwise expressly stated, all consideration to be provided under this deed (other than under this clause 10) is exclusive of GST. Any consideration that is specified to be inclusive of GST must not be taken into account in calculating the GST payable in relation to a supply for the purpose of this clause 10.

(d) Any payment or reimbursement required to be made under this deed that is calculated by reference to a cost, expense or other amount paid or incurred will be limited to the total costs, expense or amount less the amount of any input tax credit to which an entity is entitled for the acquisition to which the cost, expense or amount relates.

(e) If GST is payable in relation to a supply made under or in connection with this deed, then any party (Recipient) that is required to provide consideration to another party (Supplier) for that supply must pay an additional amount to the Supplier equal to the amount of that GST at the same time as any other consideration is to be first provided for that supply.

(f) The Supplier must provide a tax invoice to the Recipient at the same time as any consideration is to be first provided for that supply.

(g) If the GST payable in relation to a supply made under or in connection with this deed varies from the additional amount paid by the Recipient under clause 10(e), then the Supplier will provide a corresponding refund or credit to, or will be entitled to receive the amount of that variation from, the Recipient. Any payment, credit or refund under this clause 10(g) is deemed to be a payment, credit or refund of the additional amount payable under clause 10(e). If any adjustment event occurs in relation to a supply, the Supplier must give the Recipient an adjustment note event within 7 days after the date of the adjustment event.

11.4 TfNSW as a public authority

(a) This deed will not in any way unlawfully restrict or otherwise unlawfully affect the unfettered discretion of TfNSW to exercise any of its functions and powers pursuant to any Law.

(b) Each of the Independent Certifier, the SVC Contractor and OpCo acknowledges and agrees that, without limiting clause 11.4(a), anything which TfNSW does, fails to do or purports to do pursuant to its functions and powers under any Law will be deemed not to be an act or omission by TfNSW under this deed and will not entitle any of the Independent Certifier, the SVC Contractor or OpCo to make any claim against TfNSW.

(c) The parties agree that clauses 11.4(a) and 11.4(b) are taken not to limit any liability which TfNSW would have had to the Independent Certifier, the SVC Contractor or OpCo under this deed as a result of a breach by OpCo of a term of this deed but for clauses 11.4(a) and 11.4(b) of this deed.

11.5 Amendments

This deed may only be varied by a deed executed by or on behalf of each of the parties.

11.6 Waiver

(a) Failure to exercise or enforce, or a delay in exercising or enforcing, or the partial exercise or enforcement of, a right, power or remedy provided by Law or under this deed by a party does not preclude, or operate as a waiver of, the exercise or enforcement, or further exercise or enforcement, of that or any other right, power or remedy provided by Law or under this deed.

(b) A waiver or consent given by a party under this deed is only effective and binding on that party if it is given or confirmed in writing by that party.

(c) No waiver of a breach of a term of this deed operates as a waiver of another breach of that term or of a breach of any other term of this deed.
11.7 Cost of performing obligations
Each party must, unless this deed expressly provides otherwise, pay its own costs and expenses in connection with performing its obligations under this deed.

11.8 Further acts and documents
Each party must promptly do all further acts and execute and deliver all further documents (in form and content reasonably satisfactory to that party) required by Law or reasonably requested by another party to give effect to this deed.

11.9 Consents
A consent required under this deed from a party may be given or withheld, or may be given subject to any conditions, as that party (in its absolute discretion) thinks fit, unless this deed expressly provides otherwise.

11.10 Assignment
A party cannot assign, novate or otherwise transfer any of its rights or obligations under this deed without the prior consent of each other party unless this deed expressly provides otherwise.

11.11 Replacement body
Where a reference is made to any Authority, institute, association, body, person or organisation (Former Body) which is reconstituted, renamed, replaced, ceases to exist or has its powers or functions transferred to another Authority, institute, association, body, person or organisation, that reference will be deemed to refer to the Authority, institute, association, body, person or organisation (Replacement Body) which then serves substantially the same powers, functions or objects as the Former Body. Any reference to any senior officer of the Former Body will be to the equivalent senior officer of the Replacement Body.

11.12 Counterparts
This deed may be executed in any number of counterparts and by the parties on separate counterparts. Each counterpart constitutes the deed of each party who has executed and delivered that counterpart.

11.13 No representation or reliance
(a) Each party acknowledges that no party (nor any person acting on a party’s behalf) has made any representation or other inducement to it to enter into this deed, except for representations or inducements expressly set out in this deed.

(b) Each party acknowledges and confirms that it does not enter into this deed in reliance on any representation or other inducement by or on behalf of any other party, except for representations or inducements expressly set out in this deed.

(a) embodies the entire understanding of the parties, and constitutes the entire terms agreed by the parties; and

(b) supersedes any prior written or other agreement of the parties.

11.16 Indemnities

(a) Each indemnity in this deed is a continuing obligation, separate and independent from the other obligations of the parties, and survives termination, completion or expiration of this deed.

(b) It is not necessary for a party to incur expense or to make any payment before enforcing a right of indemnity conferred by this deed.

(c) A party must pay on demand any amount it must pay under an indemnity in this deed.

11.17 No agency, partnership, joint venture or other fiduciary relationship

Nothing in this deed will be construed or interpreted as:

(a) conferring a right in favour of any party to enter into any commitment on behalf of another party or otherwise to act as agent of another party; or

(b) constituting the relationship between any two or more of the parties (or all of the parties) as that of partners, joint venturers or any other fiduciary relationship.

11.18 Severance

If at any time any provision of this deed is or becomes void, illegal, invalid or unenforceable in any respect under the law of any jurisdiction, then that will not affect or impair:

(a) the legality, validity or enforceability in that jurisdiction of any other provision of this deed; or

(b) the legality, validity or enforceability under the law of any other jurisdiction of that or any other provision of this deed.

11.19 Moratorium legislation

To the fullest extent permitted by Law, the provisions of all Laws which at any time operate directly or indirectly to lessen or affect in favour of a party any obligation under this deed, or to delay or otherwise prevent or prejudicially affect the exercise by a party of any right, power or remedy under this deed or otherwise, are expressly waived.
Schedule 1 - Services

1. General

The Services include all the functions, obligations, duties and services which the Project Agreements contemplate will be discharged by the Independent Certifier including providing various certificates required under the SVC Project Deed and the agreements between TfNSW and the Interface Owners.

2. Initial Certification and Monitoring Plan

The Independent Certifier must provide the Services to no lesser effort, quality or standard than that detailed in Schedule 3 and the initial Certification and Monitoring Plan included as Exhibit A.
Schedule 2 - Payment Schedule

1. Payment claim

At the end of each month or quarter (as applicable) after the later of the date of the SVC Project Deed and the date of this deed, the Independent Certifier must submit to TfNSW (copying the SVC Contractor) an account for payment on account of the Fee:

(a) setting out the value of the Services performed in accordance with this deed during the relevant month or quarter;
(b) calculated in accordance with this Payment Schedule; and
(c) in such form and with such details and supporting documentation as TfNSW and the SVC Contractor may reasonably require (which may include details of the time expended by the Independent Certifier in performing the Services).

2. Payment and notification of disputed amounts

(a) The parties agree that:

(i) TfNSW will pay 100% of the Fee; and
(ii) pursuant to the SVC Project Deed, the SVC Contractor will be liable to TfNSW for any amounts payable to the Independent Certifier under paragraphs 3(b) or 3(e) of this Payment Schedule where the fact, matter or thing which gives rise to the liability to pay such amounts arises out of, or in connection with, an act or omission of the SVC Contractor.

(b) Subject to paragraph 5 of this Payment Schedule TfNSW must, within 30 days after receipt of the account for the month (submitted in accordance with paragraph 1), pay the Independent Certifier any portion of the Fee attributable to the Services performed during the month which is not disputed. If TfNSW or the SVC Contractor (as applicable) disagrees with an amount included in an account submitted by the Independent Certifier then, within 10 Business Days of receipt of the Independent Certifier's account, TfNSW or the SVC Contractor (as applicable) must notify the Independent Certifier in writing of the reasons for any amount which is disputed (which in the case of notification by the SVC Contractor must be copied to TfNSW).

(c) If the parties do not resolve the matter within 10 Business Days after the issue of TfNSW's or the SVC Contractor's written notice, TfNSW's Representative (acting reasonably and independently) must determine the dispute. Any determination by TfNSW's Representative in respect of the amount payable must be given effect to by the parties unless and until it is reversed or overturned in any subsequent court proceedings.

3. The Fee

(a) The Fee consists of the following components:

(i) a lump sum [omitted for confidentiality] exclusive of GST for the Design Phase Services, subject to adjustment in accordance with this paragraph 3;
(ii) a lump sum payment of [redacted] exclusive of GST for the Construction Phase Services, subject to adjustment in accordance with this paragraph 3;

(iii) a lump sum payment of [redacted] exclusive of GST for the Completion Phase Services, subject to adjustment in accordance with this paragraph 3; and

(iv) a schedule of rates exclusive of GST for the Defects Phase Services, subject to adjustment in accordance with paragraph 4.

(b) Adjustments will be made to the lump sums referred to in paragraphs 3(a)(i), 3(a)(ii) and 3(a)(iii) by TfNSW in accordance with the appropriate rates set out in the schedule of rates in paragraph 4 of this Payment Schedule for reasonable increases or decreases in the cost to the Independent Certifier of performing the Design Phase Services, Construction Phase Services and/or Completion Phase Services as a result of:

(i) a Change directed by TfNSW’s Representative under the SVC Project Deed;

(ii) re-certification of Design Documentation packages due to changes in Design Documentation (including resubmission of Design Documentation under clause 5.2(e) of the SVC Project Deed including as required by TfNSW’s Representative). In relation to the re-certification of any Design Documentation packages during the provision of the Construction Phase Services, adjustments will be made to the lump sum for the Construction Phase Services referred to in clause 3(b) only to the extent that the time involved in undertaking the re-certification work, and addressing non-conformances, by the Independent Certifier exceeds 700 hours in total;

(iii) significant delay to the performance of the Design Phase Services, Construction Phase Services and/or Completion Phase Services having regard to the Overall D&C Program, but only to the extent that:

A. in the case of Design Phase Services, the Design Phase Services are required to be carried out for longer than 12 months;

B. in the case of Construction Phase Services, the Construction Phase Services are required to be carried out past 21 January 2017; and

C. in the case of Completion Phase Services, the Construction Completion inspections by the Independent Certifier exceed 200 hours in total;

(iv) the review and certification of more than 50 design packages in total; or

(v) any additional Services directed by TfNSW.

In this clause a "design package" means each submission of the Design Documentation to the Independent Certifier and the information required by clauses 5.2(c) and 5.2(i) of the SVC Project Deed relating to each discrete design component or part or element of it, of the SVC Contractor’s Activities and includes
the Design Documentation that is produced for the Developed Concept Design Stage, the Substantial Detailed Design Stage and the Final Design Documentation.

(c) Payments for Defects Phase Services will be in accordance with the appropriate rates set out in the schedule of rates in paragraph 4 of this Payment Schedule.

(d) The Independent Certifier acknowledges that (except as described in and payable under paragraph 3(e)) it has allowed in the lump sums and schedules of rates referred to in paragraph 3(a) for the provision of all labour, materials, work, vehicles, telecommunications, travel, accommodation (including travel and/or accommodation for personnel relocating to and from Sydney, but excluding Independent Certifier site facilities provided by the SVC Contractor in accordance with Appendix 6 of the SWTC), disbursements and other costs necessary for and arising out of or in connection with the Services referred to above as covered by the lump sum and schedule of rates, whether or not expressly mentioned in this deed or the SVC Project Deed.

(e) The Independent Certifier will be entitled to reimbursement of its costs for travel and accommodation outside of the Greater Sydney metropolitan area (which incorporates Newcastle and Wollongong) incurred in the course of carrying out the Services if the costs:

(i) have been reasonably and properly incurred for the sole purpose of performing the Services;

(ii) were approved in writing by TfNSW (and, where the SVC Contractor is liable for the disbursements pursuant to paragraph 2(a)(ii), by the SVC Contractor) prior to being incurred; and

(iii) are supported by documentation provided to TfNSW which is satisfactory to TfNSW (and, where the SVC Contractor is liable for the disbursements pursuant to paragraph 2(a)(ii), by the SVC Contractor).
