Transport Access Program

Panania Station Upgrade

COMMUNITY NOTIFICATION

JULY/AUGUST 2017

Artists' impression, Panania Station Upgrade

The Transport Access Program is a Transport for NSW initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Project Update

Work at Panania is ongoing with site and compound establishment completed in mid-June and the removal of a tree within the rail corridor now complete. Work on the station will progressively become more visible this month, with work within the rail corridor and on the station platform starting in preparation for a big weekend of works in early August.

Demolition of the existing pedestrian ramp from Weston Street will commence and temporary access ramps will be constructed and installed on both Weston Street and Edwards Reserve.

NSW
MAKING IT HAPPEN

You may notice the following activities occurring over the coming weeks:

- installation of construction hoarding, shade cloth and signage
- trenching and services installation
- concrete and electrical works
- excavations on platform and spoil removal
- installation of temporary amenities on the platform
- piling in preparation for new lifts
- installation of temporary access to the south side of the station from Weston Street
- demolition of existing pedestrian ramp access to the south side of the station from Weston Street
- construction and installation of the temporary access ramp in Edwards Reserve
- material deliveries.

Upcoming out of hours work

From 11pm Monday 17 July to 6am Tuesday 18 July (with evenings of 18 through to 21 July contingency) 2017

The existing ramp entrance on Anderson Ave north (the Panania Hotel side) will be closed and a temporary ramp will be erected to enable construction to commence on the new lift and forecourt.

Panania Station Footbridge will be CLOSED to pedestrians from 12.15am to 4am on Tuesday 18 July 2017.

Between 12am and 4am, Tuesday 25 July to Friday 28 July 2017

Work will occur nightly within the rail corridor for the installation of equipment access ramps. This work will occur adjacent to Robyn Lane and on the northern side station access ramp.

Between 12am and 4am, Tuesday 1 August and Wednesday 2 August 2017

Work will occur nightly to deliver equipment within the railway corridor, via Robyn Lane.

From 2am Saturday 5 August to 2am Monday 7 August 2017

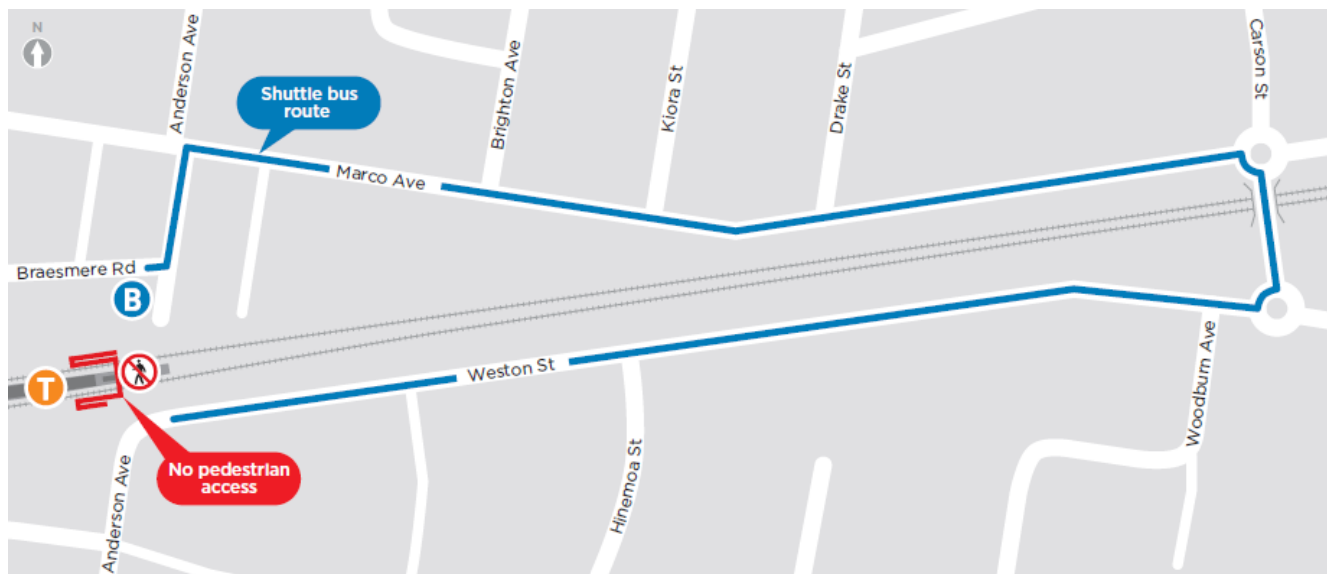

Work has been planned during a scheduled Sydney Trains shutdown to provide safe access for workers and minimise disruption to rail users. Construction activities occurring over the weekend include;

- non destructive digging investigations
- Anderson Avenue (shop side): temporary post and panel wall, demolition of the existing upper and lower ramp, and installation of the temporary access ramp
- install temporary concrete and water lines under the rail track (to enable concrete delivery while trains are running)
- train platform: creation of new ballast ramps, install hoardings to platform, cutting asphalt and

- high voltage electrical works
- lift excavation and shoring
- delivery of form work and reinforced steel

Panania Station footbridge will be CLOSED over this weekend. A complementary shuttle service (fully accessible) will operate to transport commuters every 15 minutes between Braesmere Road and Anderson Avenue.

Equipment to be used during this period will include a piling rig, excavator, a franna crane, bobcat, compactors, generators, vacuum truck, and various hand tools. This work will be noisy at times. Every effort will be made to minimise the noise impact on nearby residents.

Standard construction hours

- 7am to 6pm Monday to Friday, and
- 8am to 1pm Saturday

Notification of any works occurring outside these standard hours will be given prior to works commencing.
