

# Strathfield Station

## train timetable – a look at your station

### The train timetable will provide customers using Strathfield station with:

- Overall, the total number of services will increase by 305 each week.
- Improved connections to Inner West stations, with an improved 15 minute frequency on that line from 6am to 10pm on weekdays, tailored to meet the needs of local residents who want frequent services to schools and local centres.
- Improved reliability with the new \$102 million Homebush and Lidcombe turnbacks, separating the Bankstown line from Inner West, South and Western lines and minimising the impact on Strathfield customers when there are disruptions elsewhere on the network.

The timetable is available to be viewed at [www.newtimetables.com.au](http://www.newtimetables.com.au) or customers can download the new train timetable planning app, New Times, to get an early look at the changes. Available now from the App Store and Google Play.
