Transport Access Program

Toongabbie Station Upgrade

COMMUNITY NOTIFICATION – START OF MAIN CONSTRUCTION WORKS

MAY 2017

Artists impression, upgraded Toongabbie Station from Portico Parade

The Transport Access Program is a Transport for NSW initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Project Overview

Toongabbie Station is being upgraded under the Transport Access Program to provide a more modern, safe and integrated experience for public transport customers. The station's existing infrastructure will be upgraded to make sure the station meets the needs of users now and into the future, including:

- installation of new lifts, upgrades to existing station access stairs
- widening a section of the existing footbridge to establish ticketing and passenger information facilities
- new kiss and ride facilities and extension of taxi ranks on Portico Parade
- new accessible parking spaces on Wentworth Avenue
- installation of new family accessible toilets within existing station buildings on both platforms
- new canopies for weather protection
- improvements to bicycle facilities and interchange areas
- improved lighting and CCTV security surveillance.

Project timeline

Work on the station will begin over the coming weeks, with the establishment of site compounds and hoarding set up on platforms. Work will take place at Toongabbie throughout 2017 and will be completed in mid-2018.

Upcoming weekend work

From **2am Saturday 20 May until 2am Monday 22 May**, work will take place during a scheduled Sydney Trains track work weekend.

Work will include excavation on Wentworth Avenue and on both platforms for the installation of buried cables, installation of hoardings, and piling activities for the new lift shafts on both platforms. Equipment that may be used in this period includes cranes, trucks, excavators, concrete pump, piling rig, concrete saw, power tools and hand tools.

This work will be noisy at times. Every effort will be made to minimise the impact to commuters, nearby residents and businesses.

For enquiries regarding rail services during the weekend works, please contact the Transport Infoline on 131 500.

Standard construction hours

Construction on the Toongabbie Station Upgrade will be undertaken throughout the month during standard working hours, which are

- 7am to 6pm Monday to Friday, and
- 8am to 1pm Saturday

Notification of any works occurring outside these standard hours will be given prior to works commencing.

Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website found at: www.transport.nsw.gov.au/projects/tap/current-works/toongabbie-station For further information on the project, please call the Project Infoline on 1800 684 490 or email projects@transport.nsw.gov.au.

We apologise for any inconvenience and appreciate your cooperation during these important works.
