including for the avoidance of doubt any Authority Approvals, conditions or requirements which must be obtained, carried out or fulfilled to enable the Principal and any Rail Transport Agency to occupy and use the Portion for its intended purpose.

(B) must (at its own cost):

(1) obtain or satisfy the relevant Authority Approval;

(2) comply with any conditions imposed by the Principal’s Representative under clause 2.3(d)(iv)(B); and

Contractor first submits its proposal for modification to the Principal's Representative for its review under clause 9.14;

(ii) must not seek to or apply for any modification to the Planning Approval other than via the Principal; and

(iii) must pay the Principal all fees, costs and expenses arising out of, or in any way in connection with, such modification.

(i) if either party wishes this clause 2.3(g)(i) to apply, then that party must, within 14 days of the Change in Law, give a written notice to the other and the Principal's Representative stating that clause 2.3(g)(i) applies and containing:

(A) details of the Change in Law; and

(B) that party's estimate of any increase or decrease (as the case may be) in the Contractor's cost of carrying out the Contractor's Activities arising out of or in any way in connection with complying with the Change in Law including sufficient information to support the estimates;

(A) representatives of the Principal and the Contractor must meet within 28 days of a notice being given under clause 2.3(g)(i) and must negotiate and endeavour to agree to a reasonable increase or decrease (as the case may be) in the Contractor's cost of carrying out the Contractor's Activities arising from complying with the Change in Law;

(B) if the Principal and the Contractor reach agreement as to the reasonable increase or decrease (as the case may be) in the Contractor's cost of carrying out the Contractor's Activities arising from complying with the Change in Law within 28 days (or such other period that the Principal and the Contractor agree upon) of a notice being given under clause 2.3(g)(i), the Principal's Representative will issue a notice setting out how the Contract Sum will be increased or decreased; and

(C) if the Principal and the Contractor do not reach agreement as to the reasonable increase or decrease (as the case may be) in the Contractor's cost of carrying out the Contractor's Activities arising from complying with the Change in Law within 28 days (or such other period that the Principal and the Contractor agree upon) of a notice being given under clause 2.3(g)(i), the Principal's Representative will determine:

(1) for a decrease in the Contractor's costs of carrying out the Contractor's Activities in compliance with the Change in Law, a reasonable amount as the amount of the decrease; or

(2) for an increase in the Contractor's costs of carrying out the Contractor's Activities in compliance with the Change in Law, the amount of the increased costs reasonably incurred by the Contractor on the basis that the Contractor took all reasonable steps to mitigate those increased costs,

and the Contract Sum will be increased or decreased by that amount; and

(iii) the Contractor must comply with the Change in Law.
(h) If a Change in Authority Approval occurs which necessitates a Variation, the Contractor must:

(i) if the relevant Authority Approval was obtained by the Principal, within 14 days of the date on which the Contractor becomes aware or ought reasonably to have become aware of the Change in Authority Approval taking effect; or

(ii) otherwise, within 14 days of the Change in Authority Approval taking effect,

notify the Principal's Representative in writing with detailed particulars of the reason why the Change in Authority Approval necessitates a Variation.

(i) If the Contractor gives a notice under clause 2.3(h) in respect of a Change in Authority Approval and the Principal's Representative considers that the Change in Authority Approval:

(i) does necessitate a Variation;

(ii) would not have been reasonably foreseen or anticipated as at the Commencement Date by a party experienced and competent in the delivery of works and services similar to the Works or the Contractor's Activities (as applicable) in substantially the same form as the Change in Authority Approval; and

(iii) does not arise out of or in any way in connection with an act or omission by the Contractor including that it does not arise out of or in any way in connection with the Contractor's Outline Design not complying with the terms of an Authority Approval or the requirements of the Works Brief,

the Principal's Representative will direct a Variation under clause 6.2(a) after which relevant adjustments will be made under clause 6.4.

2.3A Portion 2 Planning Approval

(a) The Contractor acknowledges and agrees that:

(i) the Portion 2 Planning Approval has not been obtained on the
Commencement Date;

(ii) it must carry out and achieve Completion of Portion 2A by the Date
for Completion for Portion 2A so that the Principal is able to obtain the
Portion 2 Planning Approval;

(iii) as at the Commencement Date, it is anticipated that the conditions of
the Portion 2 Planning Approval will be substantially the same as the
conditions of the Draft Portion 2 Planning Conditions of Approval;
(iv) the allocation of responsibility for compliance with the conditions of the Portion 2 Planning Approval set out in Schedule 11 is based on the conditions of the Draft Portion 2 Planning Conditions of Approval;

(v) the Contractor has reviewed the Draft Portion 2 Planning Conditions of Approval and has included in the Original Contract Price for Portion 2 all of its costs (including the cost of all physical works and allowance for any delay or disruption) in complying with its obligations under this clause 2.3A; and

(vi) the Contractor is not required to comply with the allocation of responsibility for compliance with the conditions of the Portion 2 Planning Approval set out in Schedule 11 until such time as the Portion 2 Planning Approval is obtained by the Principal and the Principal has provided the Contractor with the notice required by clause 2.3A(b)(i).

(b) If, before the Portion 2 Planning Approval Sunset Date, the Principal obtains the Portion 2 Planning Approval on terms which are acceptable to the Principal:

(i) the Principal's Representative will provide the Contractor with a notice to proceed with the balance of Portion 2B and Portion 2C which notice will be accompanied by a copy of the:

(A) Portion 2 Planning Approval; and

(B) amendments (if any) to Schedule 11 arising out of the granting Portion 2 Planning Approval (Portion 2 Revised Allocation);

(ii) the Portion 2 Planning Approval will replace the Draft Portion 2 Planning Conditions of Approval in Exhibit E and the Portion 2 Revised Allocation will replace the corresponding part of Schedule 11; and

(iii) the Contractor must carry out its obligations under this Deed on the basis of:

(A) the Portion 2 Planning Approval;

(B) the Portion 2 Revised Allocation; and

(C) subject to clauses 2.3A(c), 2.3A(f) and 2.3A(g), without any adjustment to the Contract Sum or any entitlement to make any other Claim against the Principal.

(c) If the Principal provides a notice under clause 2.3A(b)(i) in circumstances where:
(i) the conditions of the Portion 2 Planning Approval are not substantially the same as the conditions of the Draft Portion 2 Planning Conditions of Approval; or

(ii) the conditions of the Portion 2 Revised Allocation are not substantially the same as the conditions of Schedule 11 as on the Commencement Date;

and this will vary the scope of the Contractor’s Activities or the administration cost that the Contractor will incur in carrying out the Contractor’s Activities:

(iii) the Portion 2 Planning Approval or Portion 2 Revised Allocation will be taken to be a ‘Variation Proposal Request’ issued by the Principal to the Contractor to the extent of the substantial difference contemplated by clauses 2.3A(c)(i) and 2.3A(c)(ii);

(iv) the Contractor must provide the Principal the written notice required by clause 6.1 in accordance with that clause; and

(v) the Principal will direct a Variation in respect of the substantial difference contemplated by clauses 2.3A(c)(i) and 2.3A(c)(ii) by issuing a Variation Order under clause 6.2.

(d) The Principal’s Representative may, in its absolute discretion, for any reason and at any time on a maximum of 2 occasions by written notice to the Contractor, unilaterally extend the Portion 2 Planning Approval Sunset Date by any period specified in a notice to the Contractor and the Principal provided that the Principal’s Representative must not extend the Portion 2 Planning Approval Sunset Date by more than an aggregate period of 6 months (unless otherwise agreed by the parties). The Principal’s Representative is not required to exercise its discretion under this clause 2.3A(d) for the benefit of the Contractor.

(e) If the Portion 2 Planning Approval is not obtained, the Principal will not be in breach of this Deed but such circumstance will entitle the Contractor to relief to the extent that the requirements in clause 2.3A(f) or 2.3A(g) (as the case may be) are satisfied.

(f) If the Portion 2 Planning Approval is not obtained by the Portion 2 Planning Approval Date, then the Contractor will be entitled to:

(i) an extension of time to the Date for Completion for Portion 2B and Portion 2C where it is otherwise so entitled under clause 10.10; and

(ii) claim delay damages where it is otherwise so entitled under clause 10.13.

(i) the Principal will omit the balance of Portion 2 from this Deed by issuing a Variation Order in accordance with clause 6;

(ii) clause 2.3B(b)(i) will apply; and

(iii) for the avoidance of doubt, except for any Claim made by the Contractor for the Portion 2 Early Work Component Price, the Contractor has no other entitlement in respect of any other part of the Contract Sum for Portion 2.

(h) The Contractor's entitlement under clauses 2.3A(c), 2.3A(f) or 2.3A(g) (as the case may be) will be its only right to make any Claim arising out of or in any way in connection with the subject matter of this clause 2.3A.

2.3B Portion 2 Early Works

(a) The Contractor:

(i) may commence the Portion 2 Early Works on the Commencement Date and must progress the Portion 2 Early Works as required by this Deed; and

(ii) the Protection of the Environment Operations Act 1997 (NSW);
(iii) the *Environment Protection and Biodiversity Conservation Act 1999* (Cth); or

(ii) a court order referred to in clause 2.4(a)(vi); or

(iii) a direction by the Principal referred to in clause 2.4(a)(vii),

to the extent that such Authority order, court order, or direction prevents the Contractor from achieving Completion of a Portion by the relevant Date for Completion.

(c) Clause 2.4(b) does not apply to the extent that a legal challenge, proceedings or action of the kind referred to in clause 2.4(a) is brought or upheld due to the Contractor's non-compliance with its obligations under this Deed or any Authority Approval.

(b) Subject to clauses 2.5(c) and 3.6, the Contractor agrees it is responsible for, and assumes the risk of all additional work, increased costs and any damages, expense, loss, liability, delay or disruption (including any delay in achieving Completion) it suffers or incurs arising out of or in any way in connection with the existence, location, condition and availability of all Services required for the execution of the Contractor's Activities.

(c) If the electrical capacity at RailCorp’s, or the relevant electrical supply authority’s (as applicable), point of connection specified in the Works Brief is insufficient for the Contractor to carry out the Contractor's Activities in accordance with this Deed then, provided that:

(ii) the Principal’s rights against the Contractor, whether under this Deed or otherwise according to Law.

2.7 Principal Contractor

(a) In this clause 2.7 the terms ‘construction project’, ‘construction work’, ‘principal contractor’ and ‘workplace’ have the same meanings assigned to those terms under the WHS Legislation and the word “Control” has the same meaning as in Schedule 22.

2.8 Unconditional Undertakings and Parent Company Guarantee

(a) Without limiting clause 2.8(d), or clause 2.8(e), the unconditional undertakings to be provided under this clause 2.8 are for the purpose of ensuring the due and proper performance by the Contractor of its obligations under this Deed.

(b) The Contractor must give the Principal on or before the Commencement Date, two unconditional undertakings:

(i) each for 2.5% of the total aggregated Original Contract Price for all the Portions;

(ii) within 28 days after the expiration of all the Defects Rectification Periods (excluding any extensions under clause 8.6), release so much of the unconditional undertakings provided by the Contractor under clause 2.8(b) as may be then held by the Principal, to such amount as the Principal's Representative determines to be reasonable, having regard to the work to which the remaining Defects Rectification Periods (including any extensions under clause 8.6) apply; and

(b) The Principal and the Contractor agree that if any matter warranted in clauses 2.9(a)(i) or 2.9(a)(ii) is found not to be true or correct, in addition to any other rights that the Principal may have, the Contractor:

(i) will be in fundamental breach of this Deed (such breach going to the root of this Deed); and

(ii) without limiting the Principal's rights under clause 14.3, must pay to the Principal as liquidated damages the sum equivalent to that allowed or paid or to be paid pursuant to any contract, arrangement or understanding referred to in clause 2.9(a)(ii)(A) or 2.9(a)(ii)(C).

At any time prior to the Date of Completion of a Portion (but without limiting clauses 8 and 13.3) the Principal's Representative may issue a document titled "Variation Proposal Request" to the Contractor, which will set out details of a proposed Variation that the Principal is considering in respect of that Portion.

Within 10 Business Days of the receipt of a "Variation Proposal Request", or at such other time as is approved by the Principal's Representative, the Contractor must provide the Principal's Representative with a written notice in which the Contractor sets out:

(a) the adjustment to the Contract Sum (and change to the Payment Schedule in Schedule 2) that the Contractor would claim in respect of the proposed Variation (other than those costs referred to in clause 6.1(b)) with details of how the amount has been calculated;
(b) the expected effect that the proposed Variation would have on the Contractor Program, and the Contractor achieving Completion of the Portion by the relevant Date for Completion with details of how the effect has been assessed and if the proposed Variation would entitle the Contractor to an extension of time, the amount of its entitlement under clause 10.13 arising from that extension of time;

(c) a statement that the proposed Variation:

   (i) does not conflict with or change the requirements of the Works Brief or the Contractor's Outline or involve changes other than those described in the notice; or

   (ii) changes the requirements of the Works Brief or the Contractor's Outline or involves changes other than those described in the notice, in which case the Contractor must explain all the changes and effects, including providing information on the:

   (A) scope and limits of the work changes;

   (B) design criteria and how they are to be addressed;

   (C) effect on relevant reports, drawings and studies;

   (D) assumptions;

   (E) Authority Approvals and Third Party Agreements affected; and

(e) where required by the Principal's Representative, the additional costs that the Contractor anticipates would be incurred by it if a direction was given under clause 10.15 to compress the performance of the Contractor's Activities to overcome part or all of any of the delay in achieving Completion of a Portion by the relevant Date for Completion expected to be caused by the Variation outlined in the "Variation Proposal Request"; and

(f) any other information concerning the proposed Variation that the Principal's Representative requires.

The Principal will not be obliged to proceed with any proposed Variation that is the subject of a "Variation Proposal Request".

6.2 Variation Orders

(a) Whether or not the Principal's Representative has issued a "Variation Proposal Request" under clause 6.1, the Principal's Representative may at
any time prior to the Date of Completion of a Portion (but without limiting clauses 8 and 13.3) direct the Contractor to carry out a Variation in respect of that Portion by issuing a Variation Order, in which the Principal's Representative will state one of the following:

(i) the proposed adjustments to the Contract Sum and the Payment Schedule set out in the Contractor's notice under clause 6.1(a) are agreed and the Contract Sum and Payment Schedule will be adjusted accordingly;

(ii) any adjustment to the Contract Sum will be determined under clause 6.4(b); or

(iii) the Variation is to be carried out as daywork and any adjustment to the Contract Sum will be determined under clause 6.7.

(b) There is no limitation on the power of the Principal's Representative to direct a Variation, and no Variation or direction to carry out a Variation will invalidate this Deed.

(c) The Contractor must comply with a Variation Order irrespective of:

(ii) the location or timing (including the impact on any Date for Completion) of the work involved in the Variation;

(iii) whether or not it agrees with any or all of the terms of the Variation Order; or

(iv) any Dispute related to the Variation.

(d) The Contractor's entitlement (if any) to an extension of time and delay costs arising out of a Variation directed under clause 6.2(a) will be dealt with under clause 10 and not this clause 6. 6.3 Options

The Principal's Representative may, by written notice given to the Contractor at any time within the period stated in Schedule 25, exercise any Option. Commencing upon the issue of such a notice by the Principal's Representative, the Principal and the Contractor must perform their obligations under this Deed on the basis that the Contract Sum, the Works Brief and the provisions of this Deed will be adjusted as set out in Schedule 25 for the relevant Option.

For the avoidance of doubt:

(a) the Principal is not under any obligation whatsoever to exercise; and
(b) the Contractor is not entitled to make, nor will the Principal be liable upon, any Claim in respect of the Principal not exercising any Option.

Where the Principal does not exercise its discretion to exercise an Option, the Principal may, either by itself or by third parties, undertake the work contemplated by the relevant Option.

The exercise of an Option by the Principal's Representative under this clause 6.3 will not:

(c) relieve the Contractor from its liabilities or obligations (including those arising out of any warranties given under this Deed);

(d) limit or otherwise affect the Principal's rights against the Contractor or the Contractor's rights against the Principal (including those arising out of any warranties given under this Deed); or

(e) entitle the Contractor to an extension of time, whether under this Deed or otherwise according to any Law.

6.4 Valuation

Subject to clauses 6.10, 8.4, 15 and 17, the Contract Sum and the Payment Schedule will be adjusted for all Variations that have been directed by the Principal's Representative by:

(b) to the extent that clause 6.2(a)(ii) applies:

(i) subject to sub-paragraph (iii) and the remainder of this clause 6.4(b), an amount in respect of the Variation to be determined by the Principal's Representative on the basis of (where applicable or where it is reasonable to use them for valuing the Variation):

(A) the prices and rates set out in Schedule 18; and

(B) any other applicable data in this Deed,

which will be increased, to the extent that the amounts referred to in sub-paragraphs (A) and (B) are not already expressed to be inclusive of the Contractor's Overhead Costs and profit, by the following percentage or percentages of the total amount determined relevantly under sub paragraphs (A) and (B):

(C) where the adjustment to the Contract Sum is to be an increase, the relevant percentage set out in Schedule 1 of the
total amount determined relevantly under sub-paragraphs (A) and (B), which will be in total satisfaction of all the Contractor's Overhead Costs and profit; or

(D) where the adjustment to the Contract Sum is to be a decrease, the percentage set out in Schedule 1 of the total amount determined relevantly under sub-paragraphs (A) and (B) for off-site overheads described in clause 33.2 of Schedule 33 and profit;

(ii) subject to sub-paragraph (iii) and the remainder of this clause 6.4(b), to the extent sub-paragraph (i) does not apply, an amount determined by the Principal's Representative on the basis of reasonable prices and rates (which are to be exclusive of any amount for Overhead Costs or profit) to be agreed between the parties, or failing agreement, determined by the Principal's Representative, which will be increased by the following percentage of that amount:

(A) where the adjustment to the Contract Sum is to be an increase, the relevant percentage set out in Schedule 1, which will be in total satisfaction of all the Contractor's Overhead Costs and profit; or

(B) where the adjustment to the Contract Sum is to be a decrease, the percentage set out in Schedule 1 for off-site overheads described in clause 33.2 of Schedule 33 and profit; and

(iii) subject to the remainder of this clause 6.4(b), where the Variation is in respect of the provision of spare parts, an amount determined in accordance with Schedule 1,

provided however that, where the Principal's Representative has issued a Variation Proposal Request, the Contractor's entitlement under this clause 6.4(b) will not be greater than any amount set out in the Contractor's notice under clause 6.1(a); or

(c) to the extent that clause 6.2(a)(iii) applies, the amount determined by the Principal's Representative under clause 6.7.

6.5 Omissions

If a Variation the subject of a direction by the Principal's Representative requires the omission or deletion of any part of the Works:
(a) the Principal may thereafter either perform this work itself or employ or engage any other person or persons to carry out and complete the omitted or deleted work;

(b) the Principal will not be liable upon any Claim by the Contractor arising out of or in any way in connection with any work being omitted or deleted from the Contractor's Activities whether or not the Principal thereafter performs this work itself or employs or engages any other person or persons to carry out and complete the omitted or deleted work;

(c) the adjustment to the Contract Sum arising from the work that has been omitted or deleted will be valued in accordance with clause 6.4, and in respect of Portion 2, in accordance with clause 2.3B; and

(d) the adjustment (if any) to the Date for Completion of the Portion will be assessed in accordance with clause 10.11.

6.6 Daywork

(a) If the Contractor is given a direction under clause 6.2(a)(iii) to carry out work as daywork, the Contractor must:

(i) carry out the daywork in an efficient manner; and

(ii) after the direction, each day provide the Principal's Representative with a written report in respect of that day signed by the Contractor that:

(A) records particulars of all resources used by the Contractor for the execution of the daywork; and

(B) includes those particulars reasonably required by the Principal's Representative that evidence the cost of the daywork.

(b) The Principal's Representative may direct the manner in which the matters referred to in clause 6.6(a)(ii) must be recorded.

6.7 Valuation of Daywork

In valuing the adjustment to the Contract Sum arising from any work that the Principal's Representative directs to be carried out as daywork, the Principal's Representative will have regard to:

(a) the amount of wages and allowances paid or payable by the Contractor for the hours reasonably worked in respect of the daywork at the rates:

(i) set out in Schedule 18 (which rates will apply to all labour whether employed by the Contractor, a Subcontractor or otherwise);
(ii) where the rates in Schedule 18 do not apply, as established by the Contractor to the satisfaction of the Principal's Representative; or

(iii) determined by the Principal's Representative;

(b) the amount paid or payable by the Contractor in accordance with any statute or award applicable to labour additional to the amount determined under clause 6.7(a);

clause 8.3(b)(i), which notice will also confirm that clause 8.3(c) applies;

(ii) deny that the direction entitles the Contractor to make a Claim by the giving of a notice under this clause 8.3(b)(ii), which notice will also confirm that clause 8.3(c) applies, and the Contractor may issue a notice of dispute under clause 15.2;

(e) The Contractor acknowledges and agrees that:

(i) it is responsible for liaising with, and obtaining from, any Rail Transport Agency any Track Possession or power isolation that is necessary for the Contractor to:

(iv) it will not be relieved of its liabilities or responsibilities whether under this Deed or otherwise according to Law by reason of the matters set out in this clause 8.3(e).
Where a direction is given under clause 8.2(a), the Contractor will not be entitled to make a Claim against the Principal for rectifying the Defect (or the part notified) and must bear all costs, losses and expenses suffered or incurred in rectifying the Defect unless:

(i) the Principal's Representative has issued a notice under clause 8.3(b)(i); or

(ii) the Principal's Representative has issued a notice under clause 8.3(b)(ii), in which case any entitlement which the Contractor has is not affected by proceeding as directed under clause 8.3(c) before the determination of any Dispute.

8.4 Claim for Variation

Where a Variation to overcome a Defect has been directed under clause 8.2(c):

(a) the Principal's Representative will determine:

(i) the value of the Variation work in accordance with clause 6.4; and

arising out of or in any way connected with any delay in the design
development process as contemplated by this clause 9.14(m).

(n) The restrictions on the commencement of any part of the Works in this
clause 9.14 are in addition to any restrictions that exist elsewhere in this
Deed, including under any Third Party Agreement.

(o) For the purposes of calculating time under this clause 9.14 the days between
24 December and 7 January shall not be counted.

(p) Unless otherwise directed by the Principal's Representative, the Contractor
must provide the number and form of copies specified in Schedule 1 of each
Document which is submitted for review under this clause 9.14.

9.15 Work Method

Whether or not this Deed prescribes a particular work method or a work method is
otherwise a part of this Deed or reviewed or approved (expressly or impliedly) by the
Principal's Representative, the fact that any work method that the Contractor adopts
or proposes to adopt is impractical or impossible or that the Contractor, with or
without the approval of the Principal's Representative, uses another work method
will:

(a) not entitle the Contractor to make any Claim against the Principal arising out
of or in any way in connection with the work method proving to be impractical
or impossible or any change in the work method; and

(b) not cause this Deed to be frustrated.
9.16 Exchange of Information between Government Agencies

(a) The Contractor authorises the Principal, its employees and agents to make information concerning the Contractor (including any information provided under clause 9.16A) available to NSW government departments or agencies. Such information may include, but need not be limited to, any information provided by the Contractor to the Principal and any information relating to the Contractor's performance under this Deed.

(b) The Contractor acknowledges that any information about the Contractor from any source, including but not limited to substantiated reports of unsatisfactory performance, may be taken into account by the Principal and NSW government departments and agencies in considering whether to offer the Contractor future opportunities for NSW government work.

(c) The Contractor also acknowledges that the Principal has in place processes for assessing the performance of its contractors, that these processes will apply to the Contractor's performance under this Deed and that it will participate in the Principal's "Contractor Performance Reporting" process.

9.16A Financial Assessment

Without limiting or otherwise restricting clause 9.16, the Contractor acknowledges and agrees that:

(a) the Principal may, during the term of this Deed, either itself, or through the engagement of private sector service providers, undertake ongoing financial assessments (Financial Assessment) of the Contractor and any Subcontractors;

(b) the Financial Assessment may be undertaken at three monthly (or longer) intervals from the date of commencement of the Works; and

(c) it must, if requested by the Principal's Representative, within 10 Business Days of receiving such request, provide any documents, information and evidence as is reasonably required by the Principal's Representative under, out of, or in connection with the Financial Assessment.

The Contractor acknowledges and agrees that:

(a) if any of the Contractor's Activities, or the activities of any of the Contractor's personnel, in connection with the Contractor's Activities (the Relevant Matters) constitute a "facility" within the meaning of the NGER Legislation, then, for the purposes of the NGER Legislation, the Contractor has
operational control of that facility and will comply with any obligations arising in respect of the Principal's activities under the NGER Legislation;

(b) if, despite the operation of clause 9.17(a), the Principal incurs, or (but for this clause) would incur, a liability under or in connection with the NGER Legislation as a result of or in connection with any of the Relevant Matters, and the NGER Legislation provides that such liability can be transferred by the Principal or the NSW Government or any of its agencies to the Contractor, the Contractor must, on the written request of the Principal, do all things reasonably necessary to ensure the liability is transferred to the Contractor;

(c) if the Principal requests it, the Contractor must provide Greenhouse Data to the Principal:

(i) to the extent that, in a manner and form that, and at times that, will enable the Principal to comply with the NGER Legislation irrespective of whether the Principal or the Contractor or any other person has an obligation to comply with the NGER Legislation in connection with any Relevant Matters; and

(ii) otherwise as requested by the Principal from time to time.

(d) the Contractor must also provide to the Principal all Greenhouse Data and other information which the Contractor provides to any other person under the NGER Legislation in connection with any Relevant Matters, at the same time as the Contractor provides that Greenhouse Data or other information to that other person;

(e) the Contractor must:

(i) collect and record all such Greenhouse Data as may be required to enable reporting under the NGER Legislation or enable the Contractor to discharge its obligations under this clause 9.17, and keep that Greenhouse Data for at least 7 years after the end of the year in which the Relevant Matters occur; and

(ii) permit any persons appointed or authorised by the Principal to examine, monitor, measure, copy, audit and/or verify the Greenhouse Data and co-operate with and provide all reasonable assistance to any such persons (including by doing such things as giving access to premises, plant and equipment, producing and giving access to documents and answering any relevant questions);

(f) the Principal may provide or otherwise disclose the Greenhouse Data and any other information which the Principal obtains under this clause 9.17 to
any other person, and may otherwise use the Greenhouse Data and other information for any purpose as the Principal sees fit; and

(g) nothing in this clause 9.17 is to be taken as meaning that the Principal has agreed to perform any statutory obligation that the Contractor may have regarding the provision of Greenhouse Data to any Authority.

10. Time and Progress

10.1 Rate of Progress

(a) Subject to clause 2.3B(a)(ii), the Contractor must:

(i) regularly and diligently progress the Contractor's Activities;

(ii) proceed with the Contractor's Activities with due expedition and without delay; and

(iii) achieve Completion of each Portion by the relevant Date for Completion.

(b) Without limiting clause 10.14(b) or the Contractor's rights under the SOP Act, the Contractor must not suspend the progress of the whole or any part of Contractor's Activities except where permitted or required under this Deed.

(c) Without limiting the next paragraphs of this clause 10.1 or clause 10.3, the Contractor must give the Principal's Representative reasonable advance notice of any information, documents or directions required by the Contractor to carry out the Contractor's Activities in accordance with this Deed.

(d) The Principal and the Principal's Representative will not be obliged to furnish information, documents or directions earlier than the Principal or the Principal's Representative, as the case may be, should reasonably have anticipated at the Commencement Date.

(e) The Principal's Representative may, by written notice expressly stated to be pursuant to this clause 10.1, direct in what order and at what time the various stages or parts of the Contractor's Activities must be performed. If the Contractor can reasonably comply with the direction, the Contractor must do so. If the Contractor cannot reasonably comply, the Contractor must notify the Principal's Representative in writing, giving reasons. For the avoidance of doubt, no direction by the Principal's Representative will constitute a direction under this clause 10.1 unless the direction is in writing and expressly states that it is a direction under this clause 10.1.

(f) If compliance with a written direction expressly stated to be pursuant to this clause 10.1 causes the Contractor to incur more or less cost than otherwise
would have been incurred, the difference will be valued as if it were a Variation except where the direction was necessary because of, or arose out of, or in any way in connection with, a failure by the Contractor to comply with its obligations under this Deed. Subject to the Contractor's right to make a claim for an extension of time under clause 10.7, such costs shall be the Contractor's sole entitlement, and the Contractor will not be entitled to make, and the Principal will not be liable upon, any other Claim, arising out of or in any way in connection with any direction pursuant to this clause 10.1.

10.2 The Contractor's Programming Obligations

The Contractor:

(a) acknowledges and agrees that:

(i) subject to clause 10.2(b), the Design Program will form part of the Contractor Program;

(ii) it has made and will make adequate allowances in the Contractor Program for:

(A) the delays referred to in clause 10.6;

(B) all Hold Points and Witness Points;

(C) those parts of the Contractor's Activities that may only be performed during a Track Possession or power isolation; and

(D) the high degree of interface, interaction, and integration of the Contractor's Activities with work being (or to be) performed by any relevant Rail Transport Agency during Commissioning and Operational Readiness; and

(iii) provision of the Design Program does not affect the Contractor's other programming obligations under this clause 10.2;

(b) must prepare and provide a Contractor Program that complies with and includes the details required by this Deed, including the TfNSW Standard Requirements, and any requirements of the Principal's Representative;

(c) must submit the Contractor Program to the Principal's Representative for its review in accordance with clause 9.14 within the earlier of:

(i) 45 Business Days of the Commencement Date; or

(ii) any time required by the TfNSW Standard Requirements;

(d) must when directed to do so by the Principal's Representative, prepare and submit to the Principal's Representative specific detailed programs and
schedules for the Contractor's Activities within 5 Business Days of receipt of such a direction;

(e) must update, revise and submit to the Principal's Representative an updated Contractor Program, Design Program to allow for delays to non-critical activities, extensions of time granted by the Principal's Representative to any Date for Completion, the actual progress made by the Contractor, Variations and any other changes to the Contractor's Activities but excluding claims for extensions of time to any Date for Completion which have been submitted by the Contractor to the extent that they have not been granted by the Principal's Representative:

(i) on a monthly basis (which is limited, in the case of the Design Program to the periods covered by that program); or

(ii) whenever directed to do so by the Principal's Representative;

(f) must prepare and provide for the Principal's Representative's information only versions of all Contractor Programs prepared in accordance with clause 10.2(e) that also allow for those claims for an extension of time to any Date for Completion that have been made by the Contractor in accordance with clause 10.8 but to which the Principal's Representative has not yet responded in accordance with clause 10.10;

(g) must comply with the requirements of the Principal's Representative and its other obligations under this Deed in preparing and using programs, including the requirements in clause 9.14; and

(h) must not unreasonably depart from the current version of the Design Program and the Contractor Program that have been submitted to the Principal's Representative for review under clause 9.14 and, in respect of which:

(i) the Principal's Representative has given the Contractor the notice referred to in clause 9.14(d)(iii)(C); or

(ii) the relevant period of time in clause 9.14(d)(iii) has expired and the Principal's Representative has not rejected it or made any comments on it (except, in the case of comments, where the Contractor has responded to the comments within the required time period and in a manner satisfactory to the Principal's Representative as referred to in clause 9.14(e)).

(i) Unless otherwise directed by the Principal's Representative, for all programs and schedules provided in accordance with this clause, the Contractor must provide:
10.3 Contractor Not Relieved

Without limiting clause 9.14, no submission of, review of or comment upon, acceptance or rejection of, or any failure to review or comment upon or reject, a program (including the Contractor Program) prepared by the Contractor, by the Principal's Representative in connection with the program, will:

(a) relieve the Contractor from or alter its liabilities or obligations under this Deed, including the obligations under clause 10.1;

(b) evidence or constitute the notification of a delay or claiming of or the granting of an extension of time to any Date for Completion, or a direction by the Principal's Representative to compress, disrupt, prolong or vary any, or all, of the Contractor's Activities; or

(c) affect the time for the performance of the Principal's or the Principal's Representative's obligations under this Deed.

10.4 Compression by Contractor

If the Contractor chooses to compress the Contractor's Activities or otherwise accelerate progress:

(a) neither the Principal nor the Principal's Representative will be obliged to take any action to assist or enable the Contractor to achieve Completion before any Date for Completion;

(b) the time for carrying out the obligations of the Principal or the Principal's Representative will not be affected; and

(c) the Contractor does so at its own cost and risk.

10.5 Importance of Completion on Time

The Contractor acknowledges:

(a) the importance of complying with its obligations under clause 10.1; and

(b) that a Date for Completion will only be extended in accordance with clause 10.10 or clause 10.12, or when so determined under clause 15.
10.6 Risk and Notice of Delay

(a) Except as expressly provided for in clause 10.10, the Contractor accepts the risk of all delays in, and disruption to, the carrying out of the Contractor's Activities and performance of its obligations under this Deed both before and after any Date for Completion.

(b) The Contractor must within 5 days of the commencement of an occurrence causing any delay, or which is likely to cause delay, give the Principal's Representative written notice of any delay or likely delay to the carrying out of the Contractor's Activities, details of the cause and how any Date of Completion is likely to be affected (if at all).

10.7 Entitlement to Claim Extension of Time

(a) If the Contractor is or will be delayed on or prior to the Date for Completion of a Portion by reason of:

(i) an Act of Prevention;

(ii) a cause so described in Schedule 1; or

(iii) a direction to suspend that satisfies clause 10.14(a)(ii),

in a manner that will prevent it from achieving Completion of the Portion by the relevant Date for Completion, the Contractor may claim an extension of time to the relevant Date for Completion.

(b) If the Contractor is, or will be, delayed after the Date for Completion of a Portion by reason of an Act of Prevention in a manner which will delay it in achieving Completion of a Portion, the Contractor may claim an extension of time to the relevant Date for Completion.

10.8 Claim for Extension of Time

To claim an extension of time the Contractor must:

(a) within 14 days of the commencement of the occurrence causing the delay, submit a written claim to the Principal's Representative for an extension of time to the relevant Date for Completion, which:

(i) gives detailed particulars of the:

(A) delay and the occurrence causing the delay; and

(B) activities that are critical to the maintenance of progress in the execution of the Contractor's Activities; and

(ii) states the number of days for which the extension of time is claimed together with the basis of calculating that period, including evidence that the:
(A) conditions precedent to an extension of time in clause 10.9 have been met; and

(B) occurrence will delay it in achieving Completion in the manner described in clause 10.7; and

(b) if the effects of the delay continue beyond the period of 14 days after the commencement of the occurrence causing the delay and the Contractor wishes to claim an extension of time in respect of the further delay, submit a further written claim to the Principal's Representative:

(i) every 28 days after the first written claim, or such other period as may be approved by the Principal's Representative in writing, until after the end of the effects of the delay; and

(ii) containing the information required by paragraph (a).

The Principal's Representative may, within 14 days of receiving the Contractor's claim or further claim for an extension of time for Completion, by written notice to the Contractor, request additional information in relation to the claim or further claim. The Contractor must, within 14 days of receiving such request, provide the Principal's Representative with the information requested.

10.9 Conditions Precedent to Extension of Time

Subject to clauses 10.16 and 10.17, it is a condition precedent to the Contractor's entitlement to an extension of time to any relevant Date for Completion that:

(a) the Contractor gives the notices and claims required by clauses 10.6(b) and 10.8 as required by those clauses;

(b) the Contractor complies with any request for additional information under clause 10.8 within the time required;

(c) the cause of the delay is beyond the reasonable control of the Contractor;

(d) the Contractor is actually, or will be, delayed:

(i) on or prior to the Date for Completion of the Portion, by reason of one or more of the causes set out in clause 10.7(a) in the manner described in clause 10.7(a); or

(ii) after the Date for Completion of the Portion, by reason of an Act of Prevention in the manner described in clause 10.7(b); and

(e) the Contractor is not given a direction to compress under clause 10.15.

If the Contractor fails to comply with the conditions precedent in this clause 10.9:

(f) the Principal will not be liable upon any Claim by the Contractor; and
(g) the Contractor will be absolutely barred from making any Claim against the Principal, arising out of or in any way in connection with the event giving rise to the delay and the delay involved.

10.10 Extension of Time

(a) Subject to clauses 10.10(c), 10.16 and 10.17, if the conditions precedent in clause 10.9 have been satisfied, the relevant Date for Completion will be extended by a reasonable period determined by the Principal's Representative, and notified to the Principal and the Contractor within 28 days after:

(i) the latest of the:
   (A) Contractor's written claim under clause 10.8; and
   (B) provision by the Contractor of any additional information regarding the claim required under clause 10.8; or

(ii) where the Principal's Representative has given the Contractor a direction to compress under clause 10.15 and subsequently issued a notice under clause 10.16 withdrawing the direction to compress given under clause 10.15, the date of issue of the notice under clause 10.16.

(b) A failure of the Principal's Representative to grant a reasonable extension of time to any Date for Completion, or to grant an extension of time to any Date for Completion within the relevant 28 day period, will not cause an affected Date for Completion to be set at large, but nothing in this paragraph will prejudice any right of the Contractor to damages.

(c) The Principal's Representative will reduce any extension of time to the relevant Date for Completion it would otherwise have determined under this clause 10.10 to the extent that the Contractor:

(i) contributed to the delay; or

(ii) failed to take all reasonably practicable steps necessary both to preclude the cause of the delay and to avoid or minimise the consequences of the delay.

10.11 Reduction in Time

If the Principal's Representative directs a Variation that omits or deletes any part of the Works:

(a) the Contractor:
(i) may (no later than 10 Business Days after the direction) provide whatever information it considers may assist the Principal’s Representative to determine; and

(ii) must provide whatever programming or other information the Principal’s Representative directs (and within the time directed) so that the Principal’s Representative can determine, what (if any) adjustment should be made to the Date for Completion of a Portion; and

(b) the relevant Dates for Completion of a Portion or Portions may be reduced by a reasonable period determined by the Principal’s Representative having regard to the impact of the Variation and notified to the Principal and the Contractor within 20 Business Days of the date of the Variation.

10.12 Unilateral Extensions

(a) Whether or not the Contractor has made, or is entitled to make, a claim for an extension of time to any relevant Date for Completion, or is entitled to be, or has been, granted an extension of time to any relevant Date for Completion under clause 10.10, the Principal’s Representative may, in its absolute discretion, for any reason and at any time, from time to time by written notice to the Contractor and the Principal, unilaterally extend any Date for Completion by any period specified in a notice to the Contractor and the Principal.

(b) The Principal’s Representative is not required to exercise its discretion under this clause 10.12 for the benefit of the Contractor.

(c) The discretion to grant an extension of time under this clause 10.12 may only be exercised by the Principal's Representative, and the exercise or failure to exercise that discretion is not a "direction" which can be the subject of a Dispute pursuant to clause 15 or in any other way opened up, reviewed or exercised by any other person in any forum (including in any expert, arbitration or litigation proceedings).

10.13 Delay Damages

(a) For each day by which the Date for Completion of a Portion is extended due to:

(i) a breach of this Deed by the Principal;

(ii) the cancellation of a Track Possession or power isolation listed in Schedule 14:
(A) less than 12 weeks prior to the time at which it was planned to commence; or

(B) with more than 12 weeks' notice, but without the provision of an alternative Track Possession or power isolation at a time the Contractor is reasonably able to utilise in substitution for the cancelled Track Possession or power isolation;

(iii) a Variation that satisfies the requirements of paragraph (c) of the definition of Act of Prevention; or

(iv) in respect only of Portion 2B and Portion 2C, the Principal not providing the Contractor with the notice required by clause 2.3A(b)(i) by the Portion 2 Planning Approval Date,

the Contractor will, subject to clause 10.13(b), be entitled to be paid the costs reasonably incurred by the Contractor as a direct result of the delay the subject of the extension of time, as determined by the Principal's Representative who must, where they are applicable, use the rates and prices in Schedule 1.

(b) The Principal's liability under clause 10.13(a)(iv):

(i) in respect of any delay the subject of the extension of time which falls within the period commencing on the Portion 2 Planning Approval Date until the date the Principal either:

(A) provides the Contractor with the notice required by clause 2.3A(b)(i); or

(B) omits the balance of Portion 2 from this Deed by issuing a Variation Order in accordance with clause 6 as contemplated by clause 2.3A(g),

is limited:

(C) to costs reasonably incurred by the Contractor as a direct result of maintaining its resources on standby during that delay; and

(D) in any event, to the amount set out in Schedule 1 for each day by which the Date for Completion of a Portion is extended during that period; and

(ii) if, and only if, the Principal provides the Contractor with the notice required by clause 2.3A(b)(i), is limited to the aggregate of:

(A) the costs referred to in clause 10.13(b)(i), if any; and
(B) any other costs reasonably incurred by the Contractor as a direct result of the delay the subject of the extension of time but only in respect of any period of any such extension of time that relates to the period after the date that the Principal provides the notice required under clause 2.3A(b)(i).

(c) Notwithstanding any other provision of this Deed (including any provision of this Deed entitling the Contractor to an increase in the Contract Sum for additional costs, or to the payment of additional costs), the amounts payable pursuant to this clause 10.13 will be a limitation upon the Principal's liability to the Contractor for any delay or disruption that:

(i) the Contractor encounters in carrying out the Contractor's Activities; or

(ii) arises out of, or in any way in connection with, the breach of this Deed by the Principal,

and the Contractor will not be entitled to make, nor will the Principal be liable upon, any Claim in these circumstances other than for the amount which is payable by the Principal under this clause 10.13.

10.14 Suspension

(a) The Principal's Representative may direct the Contractor to suspend and, after a suspension has been directed, to re-commence, the carrying out of all or a part of the Contractor's Activities. Nothing in this clause 10.14 limits the Principal's rights under clause 2.16.

If the suspension under this clause 10.14(a) arises in the circumstances set out in clause 2.16(f), then clauses 2.16(f) and 2.16(g) will apply, otherwise where it arises as a result of:

(i) the Contractor's failure to carry out its obligations in accordance with this Deed (including under clause 4.6 or clause 4.7 or where the Contractor otherwise fails to comply with its obligations in relation to engineering authorisation or ASA compliance in accordance with this Deed or where any process, procedure, test method, calculation, analysis or report required by this Deed has resulted in or will result in a non-conformance) the Contractor will not be entitled to make, and the Principal will not be liable upon, any Claim arising out of, or in any way in connection with, the suspension; or

(ii) a cause other than the Contractor's failure to perform its obligations in accordance with this Deed:
(A) a direction to suspend under this clause 10.14(a) will entitle the Contractor to:

(1) be paid by the Principal the extra costs reasonably incurred by it as a direct result of the suspension as determined by the Principal's Representative; and

(2) an extension of time to any relevant Date for Completion where it is otherwise so entitled under clause 10.10;

(B) the Contractor must take all reasonably practicable steps possible to mitigate the extra costs incurred by it and any delay in achieving Completion of any Portion as a result of the suspension; and

(C) the Contractor will not be entitled to make, and the Principal will not be liable upon, any Claim arising out of, or in any way in connection with, the suspension other than as allowed under this clause 10.14(a)(ii).

(b) The Contractor may suspend the carrying out of all or a part of the Contractor's Activities to avoid an Incident.

(c) The Contractor will not be entitled to make, and the Principal will not be liable upon, any Claim arising out of or in any way in connection with a suspension by the Contractor under clause 10.14(b).

10.15 Direction to Compress

(a) If the Contractor makes a claim under clause 10.8, the Principal's Representative may direct the Contractor to compress the Contractor's Activities by taking those measures which are necessary to overcome or minimise the extent and effects of some or all of the delay, which may include taking the measures necessary in order to achieve Completion of a Portion by the relevant Date for Completion.

(b) Prior to commencing any such compression the Contractor must give the Principal's Representative an estimate of the costs of taking all such necessary measures.

(c) The Principal's Representative may give such a direction whether or not the cause of delay for which the Contractor has made its claim under clause 10.8 entitles the Contractor to an extension of time to any relevant Date for Completion.
10.16 Withdrawal of Compression Direction

The Principal's Representative may at any time by notice in writing withdraw any direction given by it under clause 10.15, after which the Contractor will be entitled to any extension of time to which it may have otherwise been entitled in respect of the cause of delay in respect of which the Contractor made a claim under clause 10.8. Any such extension will be determined having regard to the effect which the compression of the Contractor's Activities taken by the Contractor prior to the withdrawal of the direction has had on mitigating the delay which is the subject of the claim for an extension of time made by the Contractor under clause 10.8.

10.17 Partial Compression

If the Principal's Representative gives the Contractor a direction to compress under clause 10.15 and it only applies to part of a delay, the Contractor's entitlement to any extension of time to any relevant Date for Completion, which it otherwise would have had, will only be reduced to the extent to which the direction to compress requires the Contractor to compress to overcome the delay.

10.18 Compression

If the Principal's Representative gives a direction to the Contractor under clause 10.15:

(a) whether or not the Contractor provides a cost estimate under clause 10.15, the Contractor must comply with the direction;

(b) if the Contractor would, but for the direction, have been entitled to an extension of time to the relevant Date for Completion for the cause of delay in respect of which the Contractor made a claim under clause 10.8, the Contractor will, to the extent it would have been entitled to an extension of time, be entitled to be paid the lesser of:

(i) the sum of:

   (A) the extra costs reasonably incurred by the Contractor (which, if the Principal's Representative gives a notice to withdraw the direction under clause 10.16 will be those extra costs incurred prior to the giving of such notice) and directly attributable to compressing the Contractor's Activities, as determined by the Principal's Representative; and

   (B) that percentage of the amount under sub-paragraph (A) stipulated in Schedule 1; and

(ii) the cost estimate (if any) provided by the Contractor pursuant to clause 10.15; and
(c) the Contractor will not be entitled to make, and the Principal will not be liable upon, any Claim arising out of, or in any way in connection with, the cause of delay and the direction, other than for the amount it is entitled to under this clause 10.18.

10.19 Principal's Right to Liquidated Damages not Affected

The Principal's rights to liquidated damages under clause 12.7 for a failure by the Contractor to achieve Completion of a Portion by any relevant Date for Completion will not be affected by the Principal's Representative giving the Contractor a direction to compress under clause 10.15.

10.20 Contractor's Entitlements

This clause 10 is an exhaustive code of the Contractor's rights arising out of or in any way in connection with any delay, disruption or Act of Prevention and the Contractor waives all rights at Law to claim any relief from its obligations under this Deed otherwise than in accordance with this clause 10.

11. Payment

11.1 Contractor's Payment Entitlements

(a) Subject to clause 16.12 and to any other right to set-off that the Principal may have, the Principal must pay the Contractor the Contract Sum and any other amounts expressly payable by the Principal to the Contractor under this Deed, in accordance with the procedure in this clause 11.

(b) The Contract Sum is not subject to rise and fall.

11.2 Payment Claims

The Contractor may give the Principal's Representative a claim for payment on account of the Contract Sum and any other amounts expressly payable by the Principal to the Contractor under this Deed on the latter of:

(a) satisfaction of the conditions precedent to the Contractor's entitlement to make a payment claim set out in clause 11.7; and

(b) the following dates:

(i) prior to the time for the submission of the Completion Payment Claim, upon the 6th Business Day of each month;

(ii) for the Completion Payment Claim, within the time required by clause 11.10; and

(iii) for the Final Payment Claim, within the time required by clause 11.12.
The Contractor agrees with the Principal that each date prescribed in this clause 11.2 as the date on which the Contractor may make a payment claim is, for the purposes of section 8 of the SOP Act, a "reference date".

Each claim for payment must:

(c) generally follow the form of the Payment Schedule and be as the Principal's Representative reasonably requires;

(ca) provide a breakdown of the amount claimed for each of Portion 1, Portion 2, Portion 3 and Portion 4;

(d) include all the evidence reasonably required by the Principal's Representative of the amount of work completed in accordance with this Deed and the amount payable;

(e) not used;

(f) not used; and

(g) for each monthly claim pursuant to clause 11.2(b)(b)(i) (a Progress Claim), set out the amount claimed for work completed to the end of the previous month and details of how the amount has been calculated, using the following methodology:

(i) for each part of the Contractor's Activities described in the Payment Schedule which has been completed (subject to any minor Defects) the sum of the amounts in the Payment Schedule (adjusted to allow for any additions and deductions to the Contract Sum) for all such completed parts of the Contractor's Activities;

(ii) to which is added, for each part of the Contractor's Activities described in the Payment Schedule which has not been completed (with the exception of activities associated with items in the Payment Schedule titled “As-built data and asset management documentation” for which payment claims must be made only once complete under clause 11.2(g)(i)) the completed proportion of that part of the Contractor's Activities multiplied by the amount set out for that part in the Payment Schedule;

(iii) to which is added the value of unfixed plant and materials (in accordance with clause 11.8) multiplied by a factor of 85%;

(iv) to which is added any other amounts that may be payable by the Principal to the Contractor pursuant to a provision of this Deed; and

(v) which is reduced, where work is defective or omitted, by the estimated cost of rectifying the Defect or carrying out the omitted work; and
(h) such further information and evidence in respect of the payment claim as is reasonably required by the Principal's Representative.

The Contractor may not include in any payment claim under this clause 11 any amount for a Claim which is barred by clause 17.6 or any other provision of this Deed.

11.3 Payment Statements

(a) The Principal's Representative must (on behalf of the Principal), within 10 Business Days of receiving a Progress Claim which complies with the requirements of clause 11.2, a Completion Payment Claim under clause 11.10 or a Final Payment Claim under clause 11.12, issue to the Contractor and the Principal a payment statement which identifies the Progress Claim, Completion Payment Claim or Final Payment Claim to which it relates, and which sets out:

(i) its determination of the value of the Contractor's Activities carried out in accordance with this Deed, using the methodology in clause 11.2(g) where the payment statement relates to a Progress Claim;

(ii) the amount already paid to the Contractor;

(iii) the amount (if any) the Principal directs the Principal's Representative that the Principal is entitled to retain, deduct, withhold or set-off under this Deed;

(iv) the amount (if any) which the Principal's Representative believes to be then payable by the Principal to the Contractor on account of the Contract Sum and which the Principal proposes to pay to the Contractor or the amount which the Principal's Representative believes to be then payable by the Contractor to the Principal; and; and

(v) if the amount in clause 11.3(a)(iv) is less than the amount claimed in the relevant Progress Claim, Completion Payment Claim or Final Payment Claim:

(A) the reason why the amount in clause 11.3(a)(iv) is less than the amount claimed in the relevant Progress Claim, Completion Payment Claim or Final Payment Claim; and

(B) if the reason for the difference is that the Principal proposes to retain, deduct, withholding or setting-off payment for any reason, the reason for the Principal retaining, deducting, withholding or setting-off payment.
(b) The issue of a payment statement by the Principal's Representative does not constitute approval of any work nor will it be taken as an admission or evidence that the part of the Works or Contractor's Activities covered by the payment statement has been satisfactorily carried out in accordance with this Deed.

(c) Failure by the Principal's Representative to set out in a payment statement an amount, or the correct amount, which the Principal is entitled to retain, deduct, withhold or set-off from the amount which would otherwise be payable to the Contractor by the Principal will not prejudice the Principal's right to subsequently exercise its right to retain, deduct, withhold or set-off any amount under this Deed.

(d) The Contractor agrees that the amount referred to in the payment statement in respect of clause 11.3(a)(iv), for the purposes of sections 9 and 10 of the SOP Act, is the amount of the "progress payment" (as defined in that SOP Act) calculated in accordance with the terms of this Deed to which the Contractor is entitled in respect of this Deed.

(e) Where the Principal has notified the Contractor in accordance with clause 18(f)(iv) that it no longer proposes to issue a recipient created tax invoice for a taxable supply made by the Contractor for the Principal, the Contractor must, within 2 Business Days after receipt of the payment statement issued by the Principal's Representative under clause 11.3(a) give the Principal's Representative a tax invoice (which complies with the GST Legislation) for the amount of the payment statement.

11.4 Performance and Compliance Incentive Payment Scheme

(a) The Principal aims to achieve a high standard of performance and full compliance by the Contractor for the duration of the Project in respect of:

(i) safety;
(ii) rail safety and reliability;
(iii) environmental management;
(iv) communications;
(v) compliance audits;
(vi) quality; and
(vii) time.

(b) Without in any way affecting the obligations of the Contractor under any Law, under any Authority Approval or under this Deed, the Principal agrees to pay the Contractor in respect of the applicable period specified in the
Performance and Compliance Incentive Payment Table with each payment by the Principal to the Contractor under clause 11.5(a) an amount (if any) determined under this clause 11.4 as an incentive to the Contractor’s continuing level of performance and full compliance.

(c) The amount payable under clause 11.4(b) will be determined by the Principal’s Representative in its absolute discretion on a monthly basis in accordance with the Performance and Compliance Incentive Payment Table.

(d) The maximum amount payable per month across all Portions under clause 11.4(b) is set out in Schedule 1.

(e) The Principal’s Representative must, at the same time as it issues the payment statement under clause 11.3, issue a supplementary payment statement setting out the amount which it has determined as payable under clause 11.4(b). The determination by the Principal’s Representative of the amount payable under clause 11.4(b) will be final and binding and not capable of review in any forum.

11.5 Payment

(a) Where, pursuant to clause 11.3(a)(iv), the Principal's Representative sets out in a payment statement an amount payable by the Principal to the Contractor, subject to clauses 11.1, 11.2, 11.7, 11.10, 11.12, 14.3, 14.7(a)(i) and 16.12, the Principal must, within 15 Business Days of receipt of the payment claim to which the payment statement relates, pay the Contractor the amount set out in the payment statement referred to in clause 11.3(a).

(b) Where, pursuant to clause 11.3(a)(iv), the Principal's Representative sets out in a payment statement an amount payable by the Contractor to the Principal, the Contractor must, within 5 Business Days of the Principal's Representative issuing the payment statement under clause 11.3, pay the Principal the amount set out in the payment statement referred to in clause 11.3(a).

11.6 Payment on Account

A payment of moneys under clause 11.5(a) is not:

(a) an admission or evidence of the value of work or that work has been satisfactorily carried out in accordance with this Deed;

(b) an admission of liability; or

(c) approval by the Principal or the Principal's Representative of the Contractor's performance or compliance with this Deed,

but is only to be taken as payment on account.
11.7 Conditions Precedent

It is a condition precedent to the Contractor’s entitlement to make a payment claim under clause 11.2, and the Principal’s obligation to make a payment under clause 11.5(a), that prior to submitting the payment claim the Contractor has:

(a) complied with clauses 1.6, 2.2(f)(ii), 2.2(f)(iv) and 10.2;
(b) provided the Principal with the unconditional undertakings and the Parent Company Guarantee (if any) required under clause 2.8;
(c) submitted the initial and updated parts of the Contract Management Plan as required by clauses 4 and 9.14 of this Deed and the TfNSW Standard Requirements;
(d) provided any report and programs required under clause 9.10;
(e) provided the Principal’s Representative with:
   (i) a statutory declaration by the Contractor, or where the Contractor is a corporation, by a representative of the Contractor who is in a position to know the facts attested to, in the form of Schedule 20, made out not earlier than the date of the payment claim;
   (ii) the Contractor's Certificate of Design Compliance and the Designers’ Certificates of Design Compliance;
   (iii) the Contractor's Certificate of Construction Compliance and Designers’ Certificates of Construction Compliance;
   (iv) certification by the Contractor that all of the Contractor's Activities and parts of the Works for which payment has been claimed are in accordance with:
      (A) the requirements of the Planning Approval; and
      (B) all other Authority Approvals; and
   (v) where clause 11.18(e) applies, the statement and the evidence (if any) required to be provided by the Contractor pursuant to that clause;
(f) in relation to any unfixed plant and materials which the Contractor proposes to claim in a payment claim, provided the evidence and documents required by, and otherwise satisfied the requirements of, clause 11.8;
(g) effected or procured to be effected the insurances required by clauses 2.2(c) and 13.5 and (if requested) provided evidence of this to the Principal's Representative;
(h) provided such evidence as the Principal's Representative may require that this Deed has been properly executed by or on behalf of the Contractor and that the Contractor is bound under this Deed;

(i) not used; and

(j) done everything else that it is required to do under this Deed before being entitled to make a payment claim or receive payment.

Unless the Contractor has complied with the conditions precedent set out above the Contractor will have no entitlement to submit a payment claim under clause 11.2.

11.8 Unfixed Plant and Materials

The Contractor is only entitled to make a claim for payment for plant or materials intended for incorporation in the Works but not yet incorporated, and the Principal is only obliged to make payment for such plant or materials in accordance with clause 11.5(a), if:

(a) the Contractor provides evidence of:

   (i) ownership of the plant or materials;

   (ii) identification and labelling of the plant and materials as the property of the Principal; and

   (iii) adequate and secure storage and protection;

(b) security acceptable to the Principal in the form of the unconditional undertaking in Schedule 16 issued by an Institution approved by the Principal in an amount equal to the payment claimed for the unfixed plant and materials has been provided by the Contractor to the Principal;

(c) the plant and materials are on the Site or are available for immediate delivery to the Site;

(d) the insurance held and the storage arrangements for the unfixed plant and materials are acceptable to the Principal's Representative;

(e) the condition of the unfixed plant and materials has (if required by the Principal's Representative) been confirmed in an Inspection by the Principal's Representative; and

(f) if the PPS Law applies, the Principal has registered a Security Interest in the unfixed plant or materials in accordance with clause 16.29.

The only such unfixed plant or materials to be allowed for in a payment statement are those that have become or (on payment) will become the property of the Principal. Upon a payment against a payment statement that includes amounts for
unfixed plant and materials, title to the unfixed plant and materials included will vest progressively in the Principal.

The security provided in accordance with clause 11.8(b) will be released once the applicable unfixed plant and materials are incorporated into the Works and are fit for their intended purpose.

11.9 Payment of Employees and Subcontractors

(a) When submitting any Progress Claim, Completion Payment Claim or Final Payment Claim, the Contractor must give the Principal's Representative a statutory declaration in accordance with clause 11.7(e)(i).

(b) If any moneys are shown as unpaid in the Contractor's statutory declaration under clause 11.7(e)(i), the Principal may withhold the moneys so shown until the Contractor provides evidence to the satisfaction of the Principal's Representative that the moneys have been paid to the relevant persons.

(c) If an employee or a Subcontractor obtains a court order in respect of the moneys payable to him, her or it in respect of his, her or its employment on, materials supplied for, or work performed with respect to, the Contractor's Activities, and produces to the Principal the court order and a statutory declaration that it remains unpaid, the Principal may (but is not obliged to) pay the amount of the order and costs included in the order to the employee or Subcontractor, and the amount paid will be a debt due from the Contractor to the Principal.

(d) If the Principal receives notice of any Insolvency Event in relation to the Contractor, the Principal will not make any payment to an employee or Subcontractor without the concurrence of the administrator, provisional liquidator, liquidator, trustee or official receiver, as the case may be, of the Contractor.

(e) Nothing in this clause 11.9 limits or otherwise affects the Principal's rights under section 175B(7) of the **Workers Compensation Act 1987** (NSW), section 18(6) of schedule 2 of the **Payroll Tax Act 2007** (NSW) or section 127(5) of the **Industrial Relations Act 1996** (NSW).

11.10 Completion Payment Claim

(a) No later than 28 days after the issue of each Notice of Completion for:

(i) Portion 1;

(ii) Portion 2C;

(iii) Portion 3; and
(iv) Portion 4,

and subject to compliance with clause 11.7, the Contractor may lodge with the Principal’s Representative a payment claim marked “Completion Payment Claim” stating:

(v) the Contract Sum in respect of:

(A) Portion 1;
(B) Portion 2;
(C) Portion 3; or
(D) Portion 4,

(as the case may be);

(vi) all payments received on account of the Contract Sum in respect of Portion 1, Portion 2, Portion 3, or Portion 4 (as the case may be); and

(vii) the balance (if any) due to the Contractor in respect of Portion 1, Portion 2, Portion 3 or Portion 4 (as the case may be), being the Contract Sum in respect of that Portion less the payments referred to in clause 11.10(a)(vi).

Each Completion Payment Claim must be accompanied by such information as the Principal’s Representative may reasonably require.

(b) With each Completion Payment Claim, the Contractor must lodge with the Principal’s Representative a First Statement of Outstanding Claims for the relevant Portion. The First Statement of Outstanding Claims must identify all Claims that the Contractor wishes to make against the Principal in respect of any fact, matter or thing arising out of, or in any way in connection with, the Contractor’s Activities in connection with that Portion, the part of the Works comprising that Portion or this Deed in connection with that Portion which occurred prior to the date of submission of the Completion Payment Claim.

(c) Each Completion Payment Claim, and First Statement of Outstanding Claims must address all facts, matters or things arising out of, or in any way in connection with, the Contractor’s Activities, the part of the Works comprising the relevant Portion or this Deed up to the date of submission of the Completion Payment Claim in respect of all Claims included in the Completion Payment Claim and First Statement of Outstanding Claims.

(d) Without limiting clause 11.11, any Claim by the Contractor against the Principal in respect of any fact, matter or thing arising out of, or in any way in connection with, the Contractor’s Activities in connection with a Portion, the part of the Works comprising a Portion or this Deed in connection with a
Portion which occurred prior to the date of submission of the Completion Payment Claim which:

(i) has been made;

(ii) could have been made; or

(iii) should have been made,

that is not included in the Completion Payment Claim, or First Statement of Outstanding Claims, in respect of that Portion will be deemed to have been abandoned by the Contractor and is barred.

(e) The First Statement of Outstanding Claims is not a Claim. All Claims must be made separately and at the times provided in the respective clauses dealing with Claims. After lodging the First Statement of Outstanding Claims the Contractor is not entitled to make any further Claim (not identified in the First Statement of Outstanding Claims or the Completion Payment Claim) whatsoever against the Principal, and the Principal will not be liable upon any further Claim by the Contractor except as provided in clause 11.12.

(f) Despite clause 11.10(e), if subsequent to the lodgement by the Contractor of the Completion Payment Claim, a final determination is made under clause 15 increasing the Contract Sum or otherwise entitling the Contractor to the payment of money (including damages), the Contractor can lodge an amended Completion Payment Claim to take account of the amount of the increase or the payment to which it is entitled. The amended claim must be lodged with the Principal’s Representative within 28 days after the final determination is made. If it is not lodged within that time, it is barred.

(g) The claims and statements required under this clause 11.10 are in addition to the other notices which the Contractor must give to the Principal’s Representative under this Deed in order to preserve its entitlements to make any such Claims.

(h) Without limiting clause 11.10(g), the Contractor cannot include in any claim or statement under this clause 11.10 any Claims that are barred under this Deed including by clause 17.6.

11.11 Release after Completion Payment Claim

The Contractor releases the Principal from any Claim in respect of any fact, matter or thing arising out of, or in any way in connection with, the Contractor’s Activities in connection with a Portion, a Portion, or this Deed in connection with a Portion that occurred prior to the date of submission of the Completion Payment Claim in respect of that Portion, except for any Claim which:
(a) has been included in the Completion Payment Claim, or First Statement of Outstanding Claims, in respect of that Portion which is given to the Principal's Representative within the time required by, and in accordance with clause 11.10; and

(b) has not been barred under another provision of this Deed.

11.12 Final Payment Claim

(a) No later than 28 days after the expiration of the last Defects Rectification Period, and subject to compliance with clause 11.7, the Contractor may lodge with the Principal's Representative a payment claim marked "Final Payment Claim" stating the Contract Sum, all payments received on account of the Contract Sum and the balance, if any, due to the Contractor. The Final Payment Claim must be accompanied by such information as the Principal's Representative may reasonably require.

(b) With the Final Payment Claim the Contractor must lodge with the Principal's Representative a Second Statement of Outstanding Claims. The Second Statement of Outstanding Claims must identify all Claims that the Contractor wishes to make against the Principal in respect of any fact, matter or thing arising out of, or in any way in connection with, the Contractor's Activities, the Works or this Deed which occurred prior to the date of submission of the Final Payment Claim.

(c) The Final Payment Claim and Second Statement of Outstanding Claims must address all such facts, matters or things arising out of or in any way in connection with the Contractor's Activities, the Works or this Deed up to the date of submission of the Final Payment Claim in respect of all Claims included in the Final Payment Claim and Second Statement of Outstanding Claims.

(d) Without limiting clause 11.13, any Claim by the Contractor against the Principal in respect of any fact, matter or thing arising out of, or in any way in connection with, the Contractor's Activities, the Works or this Deed which occurred prior to the date of the Final Payment Claim which:

(i) has been made;

(ii) could have been made; or

(iii) should have been made under the paragraph above,

that is not included in the Final Payment Claim or Second Statement of Outstanding Claims will be deemed to have been abandoned by the Contractor and is barred.
(e) The Second Statement of Outstanding Claims is not a Claim. All Claims must be made separately and at the times provided in the respective clauses dealing with Claims. After lodging the Second Statement of Outstanding Claims the Contractor is not entitled to make any further Claim (not identified in the Second Statement of Outstanding Claims or the Final Payment Claim) whatsoever against the Principal, and the Principal will not be liable upon any further Claim by the Contractor.

(f) Despite clause 11.12(e), if subsequent to the lodgement by the Contractor of the Final Payment Claim, a final determination is made under clause 15 increasing the Contract Sum or otherwise entitling the Contractor to the payment of money (including damages), the Contractor can lodge an amended Final Payment Claim to take account of the amount of the increase or the payment to which it is entitled. The amended claim must be lodged with the Principal's Representative within 28 days after the final determination is made. If it is not lodged within that time, it is barred.

(g) The claims and statements required under this clause 11.12 are in addition to the other notices that the Contractor must give to the Principal's Representative under this Deed in order to preserve its entitlements to make any such Claims.

(h) Without limiting clause 11.12(g), the Contractor cannot include in any claim or statement under this clause 11.12 any Claims that are barred under this Deed including by clause 17.6.

11.13 Release after Final Payment Claim

The Contractor releases the Principal from any Claim in respect of any fact, matter or thing arising out of, or in any way in connection with, the Contractor's Activities, the Works or this Deed that occurred prior to the date of submission of the Final Payment Claim, except for any Claim which:

(a) has been included in the Final Payment Claim or Second Statement of Outstanding Claims which is given to the Principal's Representative within the time required by, and in accordance with, clause 11.12; and

(b) has not been barred under another provision of this Deed.

11.14 Interest

(a) If any moneys due to either party remain unpaid after the date upon which, or the expiration of the period within which, they should have been paid, then interest will be payable thereon from, but excluding the date upon which, or the date at the end of the expiration of the period within which, they should have been paid to and including the date upon which the moneys are paid.
(b) The rate of interest will be the rate from time to time prescribed for judgment debts under the *Uniform Civil Procedure Rules 2005* (NSW). Interest will be compounded at six monthly intervals.

(c) This will be the party's sole entitlement to interest, including damages for loss of use of, or the cost of borrowing, money.

### 11.15 Correction of Payment Statements

The Principal's Representative may, in any payment statement:

(a) correct any error; and

(b) modify any assumptions or allowances made,

in any previous payment statement issued by the Principal's Representative.

### 11.16 Costs Allowed by Contractor

Unless otherwise provided in this Deed, it is agreed that the Contractor has, and will be deemed to have, allowed in the Original Contract Price for and will be wholly responsible for the payment of:

(a) without limiting clause 18, all customs duties, tariffs and similar taxes (other than GST) and charges paid or payable on all items that are:

   (i) intended to be used for, or that are to be incorporated into, the Works; or

   (ii) otherwise used for the Contractor's Activities;

(b) any long service leave levy which may be payable in respect of the Contractor's Activities or the Works;

(c) all royalties, licence fees and similar payments for Intellectual Property in respect of:

   (i) the items that are intended to be used for, or that are to be incorporated into, the Works; and

   (ii) all Contract Documentation; and

(d) all fluctuations in the value of the Australian dollar against other currencies.

The Contractor will have no entitlement to any increase in the Contract Sum or otherwise to make any Claim against the Principal in respect of any of those amounts, whatever they may actually be.

### 11.17 Security of Payment Act

(a) When an adjudication occurs under the SOP Act, and the Principal has paid an adjudicated amount to the Contractor:
(i) the amount will be taken into account by the Principal’s Representative in issuing a payment statement under clause 11.3;

(ii) if it is subsequently determined pursuant to this Deed that the Contractor was not entitled under this Deed to payment of some or all of the adjudicated amount that was paid by the Principal (overpayment), the overpayment will be a debt due and payable by the Contractor to the Principal which the Contractor must pay to the Principal upon demand and in respect of which the Contractor is not entitled to claim or exercise any set-off, counterclaim, deduction or similar right of defence;

(iii) if the adjudicator’s determination is quashed, overturned or declared to be void, the adjudicated amount then becomes a debt due and payable by the Contractor to the Principal upon demand and in respect of which the Contractor is not entitled to claim or exercise any set-off, counterclaim, deduction or similar right of defence;

(iv) the Principal’s Representative:
   (A) is not bound by the adjudication determination;
   (B) may reassess the value of the work that was valued by the adjudicator; and
   (C) may, if it disagrees with the adjudication determination, express its own valuation in any payment statement; and

(v) the payment statement referred to in clause 11.17(a)(iv)(C) will be treated as a final determination of the value of the relevant work, subject to the provisions of clause 15.

(b) Nothing in this Deed will affect, restrict or limit the Contractor's right to:

   (i) refer for adjudication any dispute falling with section 17 of the SOP Act; or

   (ii) suspend the Contractor's Activities under section 15, 16 or 24 of the SOP Act.

(c) For the purposes of section 17(3) of the SOP Act the Contractor irrevocably chooses the Institute of Arbitrators & Mediators, Australia, as the "authorised nominating authority" (as that term is defined in the SOP Act) for any adjudication application it may make under the SOP Act in respect of the subject matter of this Deed.
11.18 Payment Withholding Request under Division 2A of Part 3 of the SOP Act

(a) Without limiting clause 11.9 or 16.12, the Principal may withhold any amount that is less than or equal to the amount claimed to be owed under a payment withholding request served on the Principal pursuant to Division 2A of Part 3 of the SOP Act.

(b) If the Principal withholds from money otherwise due to the Contractor any amount that is less than or equal to the amount claimed to be owed under a payment withholding request served on the Principal pursuant to Division 2A of Part 3 of the SOP Act, then:

(i) the Principal may plead and rely upon Division 2A of Part 3 of the SOP Act as a defence to any claim for the money by the Contractor from the Principal; and

(ii) the period during which the Principal retains money due to the Contractor pursuant to an obligation under Division 2A of Part 3 of the SOP Act will not be taken into account for the purpose of determining:

(A) any period for which money owed by the Principal to the Contractor has been unpaid; and

(B) the date by which payment of money owed by the Principal to the Contractor must be made.

(c) The Contractor agrees not to commence proceedings to recover any amount withheld by the Principal pursuant to a payment withholding request served on the Principal in accordance with Division 2A of Part 3 of the SOP Act.

(d) Any amount paid by the Principal pursuant to section 26C of the SOP Act will be a debt due and payable from the Contractor to the Principal.

(e) If the Principal withholds money pursuant to a payment withholding request served on the Principal pursuant to Division 2A of Part 3 of the SOP Act and the Contractor:

(i) pays the amount claimed to be due under the adjudication application to which the payment withholding claim relates; or

(ii) becomes aware that the adjudication application to which the payment withholding claim relates has been withdrawn,

then the Contractor must so notify the Principal and the Principal's Representative within 5 days after the occurrence of the event in subparagraph (e)(i) or (ii) (as applicable) by providing to the Principal and the Principal's Representative a statement in writing in the form of a statutory declaration together with such other evidence as the Principal or Principal's
Representative may require evidencing that the amount has been paid or the adjudication application has been withdrawn (as the case may be).

11.19 Title

Title in all items forming part of the Works will pass progressively to the Principal (or, in respect of Remote Works constructed on Remote Sites, to the Principal's nominee being the relevant entity who is to take the benefit of the Remote Works) on the earlier of payment for or delivery of such items to the Site or Remote Site (as applicable). Risk in all such items remains with the Contractor in accordance with clause 13.1.

12. Completion

12.1 Progressive Inspection and Testing

(a) At any time prior to Completion of a Portion, the Principal's Representative may direct that any materials or work forming part of the Contractor's Activities in respect of that Portion be tested. The Contractor must provide such assistance, documentation, records, personnel (including Subcontractors) and samples and make accessible such parts of the Contractor's Activities or Works as may be required. On completion of any test the Contractor must make good the Contractor's Activities or Works so that they fully comply with this Deed.

(b) The Principal's Representative may direct that any part of the Contractor's Activities or the Works must not be covered up or made inaccessible without the Principal's Representative's prior approval.

(c) The tests prescribed in this Deed must be conducted by the Contractor as and when provided for in this Deed, or may be conducted by the Principal's Representative or a person (that may include the Contractor) nominated by the Principal's Representative.

(d) Any testing required to be done by an independent authority must be carried out by an authority recognised by the Joint Accreditation System of Australia and New Zealand.

(e) Unless otherwise stated in this Deed, before conducting a test under this Deed the Principal's Representative or the Contractor must give not less than two Business Days' notice in writing to the other of the time, date and place of the test. If the other party does not then attend, the test may nevertheless proceed.

(f) Without prejudice to any other rights or remedies under this Deed, if the Contractor or the Principal's Representative delays in conducting a test, the
other, after giving reasonable notice in writing of intention to do so, may conduct the test.

(g) Each party must promptly make the results of tests available to the other and to the Principal's Representative.

(h) Where the Principal's Representative directs that materials or work be tested, the costs of and incidental to testing must be valued under clause 6.4 and must be borne by the Principal or paid by the Principal to the Contractor unless:

(i) this Deed provides that the Contractor must bear the costs or the test is one which the Contractor was required to conduct other than pursuant to a direction under clause 12.1;

(ii) the test shows that the material or work is not in accordance with this Deed;

(iii) the test is in respect of a part of the Contractor's Activities or the Works covered up or made inaccessible without the Principal's Representative's prior approval where such was required; or

(iv) the test is consequent upon a failure of the Contractor to comply with a requirement of this Deed.

(i) Where the extra costs are not to be borne by the Principal, they will be borne by the Contractor and will be a debt due from the Contractor to the Principal or paid by the Contractor to the Principal on demand.

12.2 Contractor to Notify the Principal of Completion of a Portion

(a) The Contractor must give the Principal's Representative written notice 21 days before it anticipates achieving Completion of a Portion.

(b) Following the issue by the Contractor of a notice under clause 12.2(a), the Contractor must:

(i) prepare a detailed procedure for the progressive Inspection by the Principal's Representative of that Portion; and

(ii) provide a draft defects management plan (without identifying any Defects) in respect of that Portion.

(c) The procedure and draft defects management plan referred to in clause 12.2(b) must be submitted to the Principal's Representative and, prior to the Inspection under clause 12.3(a) must, if required by the Principal's Representative, be amended to ensure that the:

(i) procedure provides the Principal's Representative with sufficient time to properly carry out the progressive Inspection and the final
Inspection which the Principal's Representative is required to undertake under clause 12.3 to determine whether Completion of the Portion has occurred; and

(ii) draft defects management plan fully addresses the matters the Principal's Representative directs.

12.3 Inspection before Completion of a Portion

(a) The Principal's Representative and the Contractor's Representative must, within 7 days of receipt by the Principal's Representative of the notice referred to in clause 12.2(a), jointly inspect the Portion at a mutually convenient time.

(b) Following the joint Inspection under clause 12.3(a), the Principal's Representative must issue a notice to the Principal and the Contractor either:

(i) containing a list of the items that are apparent and it believes must be completed before Completion of the Portion is achieved; or

(ii) stating that it believes the Contractor is so far from achieving Completion of the Portion that it is not practicable to issue a list as contemplated in clause 12.3(b)(i).

(c) When the Principal's Representative issues a notice under either clause 12.3(b)(i) or clause 12.3(b)(ii), the Contractor must continue to proceed to bring the Portion to Completion and thereafter when the Contractor considers it has achieved Completion of the Portion, the Contractor must notify the Principal's Representative in writing by means of copies of the Contractor's Certificate of Portion Completion for that Portion and the Designers' Certificates of Portion Completion for that Portion.

Each Contractor's Certificate of Portion Completion must attach:

(i) a register of all records of verification of design, construction, commissioning and handover (including procurement, testing, and Hold Points and Witness Points). All records are to be satisfactorily completed and signed;

(ii) the final form of the defects management plan referred to in clause 12.2, which incorporates a register of any outstanding minor Defects and proposals for their rectification;

(iii) a register of Asset Management Information provided in accordance with the TfNSW Standard Requirements;

(iv) a register of deficiency notices issued, all of which are required to have been satisfactorily completed and closed out;
(v) a register of concessions granted for non-conforming work; and
(vi) all Authority Approvals including any required for the Principal to occupy and use the Portion for its intended purposes, in accordance with clause 2.3(c)(vi).

Thereafter the Principal's Representative and the Contractor's Representative must jointly inspect the Contractor's Activities at a mutually convenient time.

(d) Following the joint Inspection under clause 12.3(c), the Principal's Representative must within 21 days of receipt of a notice under clause 12.3(c), or of receipt of a notice under clause 12.3(e), issue a notice to the Principal and the Contractor:

(i) if satisfied that Completion of the Portion has been achieved:
   (A) stating the date on which the Principal's Representative determines Completion of the Portion was achieved; and
   (B) where relevant to the test for Completion of that Portion, containing a list of any minor Defects, of the type described in paragraph (a) of the definition of Completion in clause 1.1, that are apparent; or

(ii) if not satisfied that Completion of the Portion has been achieved:
   (A) containing a list of the items that are apparent and it believes must be completed before Completion of the Portion is achieved; or
   (B) stating that it believes the Contractor is so far from achieving Completion of the Portion that it is not practicable to issue a list as contemplated by clause 12.3(d)(ii)(A).

(e) If the Principal's Representative issues a notice under either clause 12.3(d)(ii)(A) or clause 12.3(d)(ii)(B), the Contractor must continue to proceed to bring the Portion to Completion and thereafter when it considers it has achieved Completion of the Portion, the Contractor must notify the Principal's Representative by notice in writing by means of a Contractor's Certificate of Portion Completion for that Portion and the Designers' Certificates of Portion Completion for that Portion, to which are attached the documents referred to in the second paragraph of clause 12.3(c), and after which the third paragraph of clause 12.3(c), clause 12.3(d) and this clause 12.3(e) will reapply.
12.4 **Unilateral Issue of Notice of Completion**

If at any time a notice required to be given by the Contractor to the Principal's Representative under either of clauses 12.3(c) or 12.3(e) is not given by the Contractor yet the Principal's Representative is of the opinion that Completion of a Portion has been achieved, the Principal's Representative may at any time and for any reason in its absolute discretion, issue a Notice of Completion under clause 12.3(d)(i) for the Portion.

12.5 **Handover upon Completion**

The Contractor acknowledges that the Principal will require (in part) a progressive handover of the Works and that this handover will take place by the Contractor handing over each Portion once that Portion has reached Completion. The Principal's obligations under clause 3.1(b) in respect of the Site will then cease in respect of so much of the Site, access to which was provided for that Portion which is handed over to the Principal.

12.6 **Part of a Portion**

(a) Subject to clause 12.6(c), at any time and from time to time prior to the Date of Completion of a Portion (whether or not part of the Portion has reached a stage equivalent to Completion or not), the Principal's Representative may by written notice to the Contractor direct the creation of one or more new Portions **(New Portion)** from the then existing Portion **(Existing Portion)**.

(b) The notice under clause 12.6(a) must contain (as a minimum) the following information:

(i) the scope of the Contractor's Activities in the New Portion and the corresponding adjustment to the scope of the Contractor's Activities in the Remaining Portion (including, in light of clause 1.2(w), whether or not an existing or new Appendix A or Appendix B to the Works Brief apply to the New Portion and the Remaining Portion);

(ii) the Date for Completion of the New Portion, which date must be reasonable having regard to the scope of the Contractor's Activities in the New Portion (including those Contractor's Activities still to be completed), the Date for Completion of the Existing Portion, and any other relevant factors known to the Principal's Representative (on the understanding that the Date for Completion of the Remaining Portion is to be no later than the Date for Completion of the Existing Portion (as at the date of a notice under clause 12.6(a)));

(iii) the daily rate for liquidated damages to apply to the New Portion and the Remaining Portion, provided however that:
(A) The total of the daily rates for liquidated damages applicable to the New Portion and the Remaining Portion must not exceed the daily rate for liquidated damages applicable to the Existing Portion before the creation of the New Portion; and

(B) the daily rate of the Existing Portion in Schedule 1 is replaced by the daily rates determined in accordance with this clause 12.6.

c) The Principal's Representative may not create a new Portion from Portion 2A, Portion 2B or Portion 2C prior to the date that Portion 2 Planning Approval is achieved.

d) Following the creation of a New Portion, references throughout this Deed to the Existing Portion are to be interpreted as references to the New Portion and the Remaining Portion. For example, if the Principal's Representative creates a New Portion from Portion 4, then references to Portion 4 will be interpreted as comprising the New Portion (Portion 4A) and the Remaining Portion (Portion 4B).

e) The exercise by the Principal's Representative of its power to create a New Portion under this clause 12.6 does not, of itself, entitle the Contractor to make any claim against the Principal in respect of the Existing Portion, whether in regard to an adjustment to the Original Contract Price or otherwise.

f) If a part of a Portion has reached a stage equivalent to Completion but another part of the Portion has not reached Completion the Principal may, after the Contractor is given written notice by the Principal's Representative, occupy or use any part of a Portion although the whole of the Portion has not reached Completion.

g) If the Principal's Representative gives any such notice under clause 12.6(f):

   (i) the Principal must allow the Contractor reasonable access to the part of the Portion referred to in the notice and being occupied or used by the Principal, to enable the Contractor to bring the Portion of which the area being occupied or used forms part to Completion; and

   (ii) this will not otherwise limit or affect the obligations of the parties under this Deed, including the obligation of the Contractor to achieve Completion of the relevant Portion of which the area being occupied or used forms part, by the relevant Date for Completion.
12.7 Liquidated Damages for Delay in Reaching Completion

(a) Subject to clauses 12.7(f) and 12.7(g), if Completion of a Portion has not occurred by the Date for Completion for the Portion, the Contractor must pay the Principal liquidated damages at the rates stated in Schedule 1 (or as determined in accordance with clause 12.6) for every day after the Date for Completion of the Portion up to and including:

(i) the Date of Completion of that Portion; or

(ii) the date that this Deed is terminated under clause 14, whichever is first.

(b) The Contractor acknowledges and agrees that:

(i) the liquidated damages payable under clause 12.7(a) in respect of any Portion are cumulative and payable regardless of the Date for Completion, and the Date of Completion, of any other Portion; and

(ii) where, on any single day, liquidated damages are payable in respect of the failure to achieve Completion of more than one Portion, then the liquidated damages for each Portion will be aggregated and the total payable for that day.

Without limiting the previous part of this clause 12.7(b) where, on any single day, liquidated damages are payable in respect of the failure to achieve Completion of more than one Portion, then the liquidated damages for each Portion will be aggregated and the total payable for that day.

(c) The parties:

(i) agree that the amount of liquidated damages provided for in Schedule 1 constitutes a reasonable and good faith pre-estimate of the anticipated or actual loss or damage that will be incurred by the Principal as a result of Completion of a Portion not occurring on or before the relevant Date for Completion (except for amounts referred to in clause 12.7(d));

(ii) desire to avoid the difficulties of proving damages in connection with such failure and agree that the liquidated damages payable by the Contractor in accordance with clause 12.7(a) are reasonable and do not constitute nor are they intended to be a penalty; and

(iii) agree that the amount of liquidated damages payable by the Contractor under clause 12.7(a) will be recoverable from the Contractor as a debt immediately due and payable to the Principal.

(d) The Contractor:
(i) acknowledges that the liquidated damages referred to in clause 12.7(a) do not include any allowances for any liability of the Principal to Other Contractors; and

(ii) must indemnify the Principal against any Claim that the Principal must pay to any Other Contractor as a result of a breach of clause 10.1 by the Contractor.

(e) If clause 12.7(a) is found for any reason to be void, invalid or otherwise inoperative so as to disentitle the Principal from recovering liquidated damages, the Principal will be entitled to recover general damages as a result of the Contractor failing to achieve Completion of a Portion by the relevant Date for Completion, but the Contractor's liability for such damages (whether per day or in aggregate) will not be any greater than the liability which the Contractor would have had if clause 12.7(a) had not been void, invalid or otherwise inoperative.

(f) The Contractor's aggregate liability under clauses 12.7(a), 12.7(d)(ii), 12.7(e) and under clause 3 of Schedule 26 in respect of a Portion is limited to the amount set out in Schedule 1.

(g) The operation of this clause 12.7 does not apply in respect of Portion 2A.

12.8 Final Completion

(a) The Contractor must give the Principal's Representative written notice two months before it anticipates completing all the work to be completed prior to achieving Final Completion.

(b) The Principal's Representative and the Contractor's Representative must, within 28 days before the date the Principal's Representative expects Final Completion to occur, but no earlier than 28 days before the end of the latest Defect Rectification Period, jointly inspect the Works at a mutually convenient time.

(c) Following the joint Inspection under clause 12.8(b), the Principal's Representative must issue a notice to the Principal and the Contractor containing a list of the items that are apparent and it believes must be completed before Final Completion is achieved.

(d) If the Principal's Representative issues a notice under clause 12.8(c), the Contractor must continue to bring the Works to Final Completion and thereafter when the Contractor considers it has achieved Final Completion, the Contractor must notify the Principal's Representative in writing by means of a Contractor's Certificate of Final Completion in accordance with
Schedule 8. Thereafter, the Principal's Representative and the Contractor's Representative must jointly inspect the Works at a mutually convenient time.

(e) Following the joint Inspection under clause 12.8(d), the Principal's Representative must within 21 days of receipt of a notice under clause 12.8(d), or of receipt of a notice under clause 12.8(f), issue a notice to the Principal and the Contractor:

(i) if satisfied that Final Completion has been achieved, stating the date on which the Principal's Representative determines Final Completion was achieved; or

(ii) if not satisfied that Final Completion has been achieved:

(A) containing a list of the items which it believes must be completed before Final Completion is achieved; or

(B) stating that it believes the Contractor is so far from achieving Final Completion that it is not practicable to issue a list as contemplated by clause 12.8(e)(ii)(A).

(f) If the Principal's Representative issues a notice under clause 12.8(e)(ii)(A) or clause 12.8(e)(ii)(B), the Contractor must continue to proceed to bring the Works to Final Completion and thereafter when it considers it has achieved Final Completion of the Works the Contractor must notify the Principal's Representative in writing after which the second sentence of clause 12.8(d), clause 12.8(e) and this clause 12.8(f) will reapply.

12.9 Effect of Notice of Completion or Final Completion

A notice issued under clauses 12.3(d)(i) or 12.8(e)(i) will not:

(a) constitute approval by the Principal or the Principal's Representative of the Contractor's performance of its obligations under this Deed;

(b) be taken as an admission or evidence that the Works or the Portion complies with the requirements of this Deed; or

(c) prejudice any rights or powers of the Principal or the Principal's Representative.

12.10 Deferral of Completion Requirement

The Principal's Representative may, in its sole discretion, defer the need for the Contractor to satisfy any specified elements of the requirements of Completion and issue a Notice of Completion of a Portion. In that event, the Principal's Representative will expressly endorse the Notice of Completion with details of the specific elements deferred and the Contractor must satisfy or achieve those elements within the time directed by the Principal's Representative.
13. Care of the Work, Risks and Insurance

13.1 Care of the Works

Except where it arises from an Excepted Risk, and without limiting the generality of the Contractor's obligations, the Contractor:

(a) from and including the earlier of the date of commencement of work and the date on which the Contractor is given access to the Site, or a part of the Site, until 4:00pm on the Date of Completion of the Portion carried out at that Site will:

(i) be responsible for the care of and will bear the risk of, and indemnify the Principal against any loss of, or damage to:

(A) the Contractor's Activities;
(B) the Works;
(C) Temporary Works;
(D) Construction Plant;
(E) unfixed plant and materials (whether on or off the Site) the value of which has been included in a payment statement under clause 11.3; and
(F) things entrusted to the Contractor by the Principal or brought onto the Site by a Subcontractor for the purpose of carrying out the Contractor's Activities,

in respect of the Portion carried out at that Site; and

(ii) provide the storage and protection necessary to preserve these things;

(b) (after the time after which the Contractor ceases to be responsible under paragraph (a) for the care of a part of the Works or any other thing referred to in sub-paragraph (a)(i)) will bear the risk of, and indemnify the Principal against, any loss of or damage to that part of the Works or other thing, arising from:

(i) any act or omission of the Contractor during the Defects Rectification Period; or

(ii) any event which occurred while the Contractor was responsible for the care of the relevant part of the Works or other thing under paragraph (a) in connection with the Contractor's Activities; and
(c) will be responsible for the care of or for loss or damage to any item under this clause 13.1 unaffected by:

(i) the fact that under Schedule 22 the place in which the item is located is subject to the Control of the Contractor or an Other Contractor; or

(ii) any other provision of Schedule 22.

13.2 Other Risks

The Contractor must indemnify the Principal against:

(a) any loss of or damage to property of the Principal caused by, arising out of, or in any way in connection with, the Contractor's Activities;

(b) any liability to or claims by a third party in respect of loss of or damage to property, the loss of use of or access to property, or injury to or death of persons caused by, arising out of, or in any way in connection with, the Contractor's Activities; and

(c) (without limiting or otherwise affecting paragraphs (a) or (b)) any loss or damage to existing property in or upon which the Contractor's Activities are being carried out, caused by, or arising out of, or in any way in connection with, the Contractor's Activities,

but the Contractor's responsibility to indemnify the Principal will be reduced proportionally to the extent that an act or omission by the Principal, the Principal's Representative, other agents of the Principal or an Other Contractor contributed to the loss, damage, injury or death, provided that the Contractor has complied with its obligations under clause 2.13(b)(ii).

The indemnity in this clause 13.2 will not:

(d) exclude any other right of the Principal to be indemnified by the Contractor; or

(e) apply to the extent to which the Contractor must indemnify the Principal under clause 13.1.

13.3 Reinstatement

During the period during which the Contractor bears the risk of loss or damage, and while the Contractor is responsible for its care, if loss or damage occurs to anything for which the Contractor is responsible under clause 13.1, the Contractor must:

(a) subject to paragraph (b), promptly replace or otherwise make good the loss or repair the damage; and
(b) where the loss or damage arises from an Excepted Risk, without fault or omission on the part of the Contractor, only comply with paragraph (a) to the extent directed by the Principal's Representative.

The Contractor will bear the cost of such replacement, making good or repair except to the extent that the loss or damage arises from an Excepted Risk, in which event this replacement, making good or repair will, to the extent the loss or damage arises from an Excepted Risk (but subject to paragraph (b)), be treated as if it were a Variation the subject of a direction by the Principal's Representative and clause 6.4 applied.

13.4 Works and Public Liability Insurance

Upon entering into this Deed, the policies of insurance included in Exhibit D will come into effect and will cover the Contractor, the Principal, the Principal’s Representative and all subcontractors employed by the Contractor in respect of the Contractor's Activities.

This insurance is subject to the exclusions, conditions and excesses noted on the policies and is deemed to satisfy the Principal's obligation to effect insurance. The Contractor acknowledges and agrees that it was provided with a copy of terms of the insurance policies in Exhibit D prior to the Commencement Date and it reviewed and examined the terms of those insurance policies and:

(a) has satisfied itself as to the nature and extent of the cover provided by those insurance policies;

(b) acknowledges that the policies of insurance included in Exhibit D do not cover every risk to which the Contractor might be exposed and are subject to deductibles and limits and the Contractor may, if it chooses to do so, at its cost effect appropriate insurance for any risk or liability which is not covered by the policies of insurance included in Exhibit D; and

(c) where it bears the risk of the relevant loss or damage, or is required to indemnify the Principal, agrees to bear the cost of any excesses in the insurance policies in Exhibit D or any insurance taken out under clause 13.4.

13.5 Contractor's Insurance Obligations

The effecting of insurance will not limit the liabilities or obligations of a party under any other provision of this Deed.

The Contractor must, or in the case of asbestos liability insurance, either the Contractor or its specialist asbestos removal Subcontractor must (if required by clause 13.5(a)(iii) below), before the Contractor commences the Contractor's Activities or as otherwise required by this Deed:
(a) effect and have in place the following insurance with insurers of the Required Rating:

(i) workers compensation insurance, employers indemnity insurance or similar insurance, in accordance with the Laws of any State, Territory or other jurisdiction where the Contractor's Activities are being performed;

(B) in addition to the coverage provided under clause 13.4, insurance for third party property damage and personal injury or death;

(vi) if the things the care of which the Contractor is responsible for under clause 13.1 are in transit (including storage and transhipment) from any place outside of Australia, marine transit insurance on an "all risks" basis, including war, riots, strikes and civil commotion coverage, covering those things until they are delivered to the Site, unpacked, inspected and confirmed as in sound condition;

(vii) any insurance that the Contractor is required to obtain by virtue of any Law or Change in Law; and

(viii) appropriate insurance (for replacement value) in respect of all materials being or to be fabricated overseas for the Works and any other insurance that the Principal may reasonably require the Contractor to obtain,

for amounts not less than the amounts (if any) referred to in Schedule 1;

(i) are policies in the joint names of the Principal and the Contractor, and cover the Principal, the Principal's Representative (including any appointee under clauses 9.2 or 9.3), the Contractor and all its Subcontractors, for their respective rights and interests, and their liabilities to third parties and liability to each other;

(ii) cover loss or damage to property (other than property described in clause 13.1) and the death of or injury to any person (other than liability which the Law requires to be covered under a workers compensation insurance or similar insurance policy), arising out of, or in any way in connection with, the Contractor's Activities;

(iii) includes a cross-liability clause in accordance with clause 13.9; and

(A) design or documentation of the Works or the Temporary Works; or

carried out by the Contractor or any of its Subcontractors; and

(iii) provide:

(A) cover for any amount in respect of any one claim of not less than;

(B) cover for an amount in the aggregate of not less than; and

(C) for an excess not greater than,

(ii) ensure that each of its Subcontractors has such workers compensation insurance or similar insurance covering the Subcontractor's employees; and

(iii) ensure it insures against liability for death of or injury to persons employed by the Contractor or its Subcontractors as required by any Law for an amount not less than the amount stated in Schedule 1 (if any) for any one event, subject to the maxima or minima imposed by relevant Law; and

(g) in relation to marine transit insurance, ensure that the policy:

(iii) includes a delayed unpacking clause and a 50:50 clause; and

(iv) is for an amount in respect of any occurrence not less than the amount referred to in Schedule 1.

13.6 General Insurance Policies

The Contractor must:

(a) in respect of any insurance policy (including an insurance policy which clause 2.2(c) of this Deed requires the Contractor to procure to be effected by a Subcontractor) which it is required to effect, or procure to be effected, pursuant to this Deed and where required by the Principal's Representative, provide the Principal's Representative (or other person nominated for this purpose by the Principal's Representative) within 5 days of a request with:

(i) a certificate of currency and any other evidence satisfactory to the Principal's Representative demonstrating that the policy is current and in compliance with the Contractor's obligation to insure (or procure insurance), or (where relevant) a licence as a self-insurer or other proof of being a self-insurer under the Workers Compensation Act 1987 (Cth); and

(ii) a certified copy of the insurance policy and any other evidence which may be reasonably necessary to satisfy the Principal's
Representative that the policy is current and complies with the requirements of this Deed;

(b) ensure that except for workers compensation or similar insurance:

(i) the Principal receives at least 30 days' notice of any cancellation or material change of any insurance policy effected under clauses 13.4 or 13.5;

(ii) a notice of claim given to the insurer by the Principal, the Contractor or a Subcontractor will be accepted by the insurer as a notice of claim by the Principal, the Contractor and the Subcontractor; and

(c) ensure that it:

(i) does not do anything which prejudices any insurance;

(ii) where required, rectifies anything which might prejudice any insurance;

(iii) reinstates an insurance policy if it lapses;

(iv) does not cancel, vary or allow an insurance policy to lapse without the prior written consent of the Principal's Representative;

(v) immediately notifies the Principal's Representative of any event that may result in an insurance policy lapsing or being cancelled, and replaces that insurance policy prior to it lapsing or being cancelled; and

(vi) gives full, true and particular information to the insurer of all matters and things the non-disclosure of which might in any way prejudice or affect any such policy or the payment of all or any benefits under the insurance.

If the Contractor fails to:

(d) provide copies of any insurance policy (including an insurance policy which clause 2.2(c) of this Deed requires the Contractor to procure a Subcontractor to effect) which the Contractor is required to effect together with evidence satisfactory to the Principal's Representative that the policy is current; or

(e) effect or procure to be effected insurance which is with insurers of the Required Rating,
as required by clauses 2.2(c), 13.5 or 13.6, the Principal may, at its sole discretion and without prejudice to any other rights that it may have, take out that insurance and the cost will be a debt due from the Contractor to the Principal.

The Principal may refuse payment until the Contractor produces evidence of compliance with its insurance obligations under clauses 2.2(c) and 13.5 to the satisfaction of the Principal. The rights given by this clause 13.6 are in addition to any other right.

13.7 Period of Insurance

The insurance the parties are required to have in place under this clause 13 must be maintained:

(a) in the case of the works and public liability insurance policy required by clause 13.4, so as to provide cover until the later to occur of:
   (i) the Contractor ceasing to be responsible under clause 13.1 for the care of anything; and
   (ii) the Principal's Representative issues a notice under clause 12.8(e)(i) stating the date on which Final Completion was achieved;

(b) in the case of the Construction Plant insurance:
   (i) until the Contractor ceases to bear the risk of loss of or damage to anything under clause 13.1; and
   (ii) at any time it is being used in connection with the Contractor's Activities;

(c) in the case of the workers compensation insurance and motor vehicle insurances, until the latest to occur of:
   (i) the end of the last Defects Rectification Period (including any extension under clause 8.6);
   (ii) the date upon which all Defects have been rectified in accordance with this Deed; and
   (iii) the Principal's Representative issues a notice under clause 12.8(e)(i) stating the date on which Final Completion was achieved;

(d) in the case of professional indemnity insurance, before commencing work covered by the policy referred to in clause 13.5(e) until at least the period specified in Schedule 1 after the Date of Final Completion;

(e) in the case of asbestos liability insurance, marine transit insurance and insurance required under clause 13.5(a)(viii), for so long as there is a risk
that an event covered by the insurance may occur in relation to the Works or the Contractor's Activities; and

(f) in the case of insurance required under clause 13.5(a)(vii), during the period required by any Law.

13.8 Notice of Potential Claim

The Contractor must:

(a) as soon as possible inform the Principal in writing of any occurrence that may give rise to a claim under an insurance policy required by this Deed (except for the professional indemnity insurance policy);

(b) keep the Principal informed of subsequent developments concerning the claim; and

(c) ensure that its Subcontractors similarly inform the Contractor and the Principal in respect of occurrences that may give rise to a claim.

13.9 Cross Liability

Where this Deed requires insurance to be effected in joint names the party effecting the insurance must ensure that the insurance policy provides that:

(a) insofar as the policy may cover more than one insured, all insuring agreements and endorsements (with the exception of limits of liability) will operate in the same manner as if there were a separate policy of insurance covering each named insured;

(b) the insurer waives all rights, remedies or relief to which it might become entitled by subrogation against any of the parties covered as an insured;

(c) failure by any insured to observe and fulfil the terms of the policy will not prejudice the insurance in regard to any other insured;

(d) any non-disclosure by one insured does not prejudice the right of any other insured to claim on the policy; and

(e) a notice to the insurer by one insured will be deemed to be notice by all insured parties.

13.10 Loss or Damage to Third Party Property

(a) Without limiting clauses 13.1 and 13.2, where any loss of or damage to real or personal property (other than the Works, Temporary Works or Construction Plant) occurs arising out of, or in any way in connection with, the carrying out by the Contractor of the Contractor's Activities or a failure by the Contractor to comply with its obligations under this Deed, the Contractor must, at its cost, promptly repair any such loss or damage.
(b) Without limiting clause 16.14, if the Contractor fails to carry out any repair work under clause 13.10(a), the Principal may carry out such work and all costs, losses and damages so suffered or incurred by the Principal will be a debt due and payable from the Contractor to the Principal.

(c) The Contractor must immediately notify the Principal's Representative upon receipt of any letter of demand or notice of claim from or on behalf of any third party or any writ, summons, proceedings, impending prosecution or inquest and immediately forward a copy of any such documents to the Principal's Representative.

13.11 Risk of Deductibles

The Contractor must pay all insurance deductibles or excesses in respect of any event and claim made under a policy referred to in this clause 13.

14. Default or Insolvency

14.1 Default

If the Contractor commits a breach of this Deed referred to below, the Principal may give the Contractor a written notice.

The breaches by the Contractor to which this clause applies are:

(a) not commencing or not progressing the Contractor's Activities regularly and diligently in accordance with the requirements of this Deed, in breach of clause 10.1;

(m) any other failure to comply with a material obligation under this Deed.

14.2 Contents of Notice

A written notice under clause 14.1 must:

(a) state that it is a notice under clause 14.1;

(b) specify the alleged breach;

(c) require the Contractor to remedy the breach or, where the breach is not capable of being remedied, make other arrangements satisfactory to the Principal; and

(d) specify the time and date by which the Contractor must remedy the breach or make other arrangements satisfactory to the Principal (which time must not be less than 21 clear days after the notice is given).

14.3 Rights following Notice

(a) Upon giving a notice under clause 14.1, the Principal may suspend payments to the Contractor until the date upon which the Contractor remedies the breach or makes arrangements satisfactory to the Principal.

(b) If, by the time specified in a notice under clause 14.1, the Contractor fails to remedy the breach or make arrangements satisfactory to the Principal, the Principal may, by notice in writing to the Contractor:

(i) take out of the hands of the Contractor the whole or part of the work remaining to be completed; or

(ii) terminate this Deed.

14.4 Immediate Termination or Immediate Take Out

If:

(a) an Insolvency Event occurs:
(i) to the Contractor;
(ii) where the Contractor comprises more than one person, any one of
those persons; or

clause 2.16(d); or

(d) the Contractor’s aggregate liability under clauses 12.7(a), 12.7(d)(ii) and
12.7(e) reaches or exceeds the amount to which its aggregate liability is
limited under clause 12.7(f),

then, whether or not the Contractor is then in breach of this Deed, the Principal may,
without giving a notice under clause 14.1, exercise the right under clauses 14.3(b)(i)
or 14.3(b)(ii).

14.5 Principal's Common Rights After Take-Out or Termination

If:

(a) the Principal:
   (i) exercises its rights under clause 14.3(b)(i); or
   (ii) terminates this Deed under clauses 14.3(b)(ii), 14.4 or 14.9;

(b) the Contractor repudiates this Deed and the Principal otherwise terminates
this Deed; or

(c) this Deed is frustrated under the Law,

then:

(d) the Contractor:
   (i) must novate to the Principal or the Principal’s nominee those
Subcontracts between the Contractor and its Subcontractors that the
Principal directs;
   (ii) irrevocably appoints (for valuable consideration) the Principal and any

      (A) execute, sign, seal and deliver all notices, deeds and

for the purposes referred to in clause 14.5(d)(i); and

(iii) must immediately hand over to the Principal's Representative all copies of:

(A) any documents provided by the Principal to the Contractor;
(B) all Contract Documentation prepared by the Contractor to the date on which the Principal exercises its rights under clauses 14.3(b)(i) or 14.3(b)(ii) (whether complete or not); and
(C) any other documents or information in existence that is to be provided to the Principal under the terms of this Deed; and

(e) the Principal:

(i) will be entitled to require the Contractor to remove from the Site or any area affected by the Works, any Construction Plant and Temporary Works and all materials, equipment and other things intended for the Works;
(ii) may complete that work;
(iii) may take possession of such of the Construction Plant, Temporary Works and other things on or in the vicinity of the Site, Remote Sites or Extra Land as are owned by the Contractor and are reasonably required by the Principal to facilitate completion of the work; and
(iv) must, if it takes possession of the items referred to in clause 14.5(e)(iii):

(A) for the period during which it retains possession of the Construction Plant, Temporary Works or other things pay to the Contractor rent for the use of the Construction Plant, Temporary Works or other things at a market rate to be agreed by the parties or, failing agreement, to be determined pursuant to clause 15; and

(B) maintain the Construction Plant, Temporary Works or other things and, subject to clause 14.6, on completion of the work return to the Contractor the Construction Plant, Temporary Works and any things taken under clause 14.5(e)(iii) which are surplus.

This clause 14.5 will survive the termination or frustration of this Deed.

14.6 Principal's Entitlements after Take-Out

(a) If the Principal exercises the right under clause 14.3(b)(i), the Contractor will not be entitled to any further payment in respect of the work taken out of the
hands of the Contractor unless a payment becomes due to the Contractor under this clause 14.6.

(b) When work taken out of the hands of the Contractor under clause 14.3(b)(i) is completed, the Principal's Representative will ascertain the cost incurred by the Principal in completing the work and will issue a certificate certifying the amount.

(c) If the cost incurred by the Principal is greater than the amount that would have been paid to the Contractor if the Contractor had completed the work, the difference will be a debt due from the Contractor to the Principal. If the cost incurred by the Principal is less than the amount that would have been paid to the Contractor if the Contractor had completed the work, the difference will be a debt due to the Contractor from the Principal.

(d) Without limiting clause 14.6(c), if the Principal exercises the right under clause 14.3(b)(i), the Principal will be entitled to recover from the Contractor any costs, expenses, losses or damages incurred or suffered by it as a result of, or arising out of, or in any way in connection with, the exercise of such right.

(e) If the Contractor is indebted to the Principal, the Contractor grants to the Principal a lien over the Construction Plant, Temporary Works or other things taken under clause 14.5 such that the Principal may retain that property until the debt is met. If after reasonable notice, the Contractor fails to pay the debt, the Principal may sell the Construction Plant, Temporary Works or other things and apply the proceeds to satisfaction of the debt and the costs of sale. Any excess will be paid to the Contractor.

14.7 Parties' Rights after Termination

Subject to clause 14.11, if the Principal terminates this Deed under clause 14.3 or clause 14.4, or if the Contractor repudiates this Deed and the Principal otherwise terminates this Deed:

(a) the Principal will:

(i) subject to clause 14.7(b), not be obliged to make any further payments to the Contractor, including any money that is the subject of a payment claim under clause 11.2 or a payment statement under clause 11.3;

(ii) be absolutely entitled to call, convert and have recourse to any unconditional undertaking held under clause 2.8; and
(iii) be entitled to recover from the Contractor any costs, expenses, losses or damages incurred or suffered by it as a result of, or arising out of, or in any way in connection with, such termination; and

(b) the Contractor will:

(i) for work carried out prior to the date of termination, be entitled to an amount (determined by the Principal’s Representative when the Principal has completed the work) that would have been payable if:

(A) this Deed had not been terminated; and

(B) the Contractor submitted a payment claim under clause 11.2 for work carried out to the date of termination; and

(ii) not be entitled to claim for any further payment of money (including for damages) in respect of the termination or for any other reason.

This clause 14.7 will survive the termination of this Deed.

14.8 Contractor’s Rights after Repudiation or Wrongful Termination

(a) If the Principal:

(i) repudiates this Deed and the Contractor terminates this Deed; or

(ii) wrongfully:

(A) exercises or attempts to exercise any right or power conferred on it by clauses 14.3, 14.4 or 14.9; or

(B) determines or purports to determine this Deed at common law,

then the:

(iii) Principal’s actions will be deemed to have been a lawful termination in accordance with clause 14.9 and the Contractor’s sole rights in such circumstances will be those set out in clause 14.10; and

(iv) Contractor:

(A) will not be entitled to the payment of damages;

(B) will not be entitled to any payment on a quantum meruit basis; and

(C) waives all other rights it has to make a Claim in such circumstances.

(b) This clause 14.8 will survive the termination of this Deed.
14.9 Termination for Convenience

Without prejudice to any of the Principal's other rights or entitlements or powers under this Deed, the Principal may:

(a) at any time for its sole convenience, and for any reason, by written notice to the Contractor terminate this Deed effective from the time stated in the notice or if no such time is stated, at the time the notice is given to the Contractor; and

(b) thereafter, at the Principal's absolute discretion complete the uncompleted part of the Contractor's Activities or the Works either itself or by engaging Other Contractors.

14.10 Payment with Termination under Clause 14.9

If the Principal terminates this Deed under clause 14.9 or is deemed by clause 14.8 to have terminated this Deed under clause 14.9, the Contractor:

(a) will be entitled to payment of the following amounts as determined by the Principal's Representative:

(i) for work carried out prior to the date of termination, the amount which would have been payable if this Deed had not been terminated and the Contractor submitted a payment claim under clause 11.2 for work carried out to the date of termination;

(ii) the cost of plant and materials reasonably ordered by the Contractor for the Works and for which it is legally bound to pay provided that:

(A) the value of the plant or materials have not been previously paid or included in the amount payable under sub-paragraph (a)(i); and

(B) title in the plant and materials vests in the Principal upon payment;

(iii) the reasonable cost of removing from the Site all labour, Construction Plant, Temporary Works (where required by the Principal) and other things used in the Contractor's Activities that are not part of, or to be part of, the Works;

(iv) the costs reasonably incurred by the Contractor in the expectation of completing the whole of the Contractor's Activities and not included in any other payment by the Principal; and

(v) the amount specified in Schedule 1, for all overheads and profit associated with, and to the extent not included in, the work and costs determined under sub-paragraphs (a)(ii), (a)(iii) and (a)(iv); and
(b) must take all steps possible to mitigate the costs referred to in sub-
paragraphs (a)(ii) and (a)(iii).

To the extent it has not had recourse to them, the Principal will return all
unconditional undertakings then held by it under clause 2.8 when the Contractor has
complied with all its obligations under this clause.

The amount to which the Contractor is entitled under this clause 14.10 will be a
limitation upon the Principal's liability to the Contractor arising out of, or in any way
in connection with, the termination of this Deed and the Principal will not be liable to
the Contractor upon any Claim arising out of, or in any way in connection with, the
termination of this Deed other than for the amount payable under this clause 14.10.

This clause 14.10 will survive the termination of this Deed by the Principal under
clause 14.9.

14.11 Preservation of Rights

Subject to clause 14.8, nothing in this clause 14 or that the Principal does or fails to
do pursuant to this clause 14 will prejudice the right of the Principal to exercise any
right or remedy (including recovering damages or exercising a right of set-off under
clause 16.12) which it may have where the Contractor breaches (including
repudiates) this Deed.

14.12 Termination by Frustration

If under the Law this Deed is frustrated the Principal will:

(a) pay the Contractor the following amounts as determined by the Principal's
Representative:

(i) an amount calculated in accordance with clause 14.10(a)(i) for work
carried out prior to the date of frustration;

(ii) the costs calculated in accordance with the terms of, and subject to
the conditions in, clauses 14.10(a)(ii); and

(iii) the costs calculated in accordance with the terms of clauses
14.10(a)(iii) and 14.10(a)(iv); and

(b) to the extent it has not had recourse to them, return all unconditional
undertakings then held by it under clause 2.8 when the Contractor has
complied with its obligations under this clause.

The amount to which the Contractor is entitled under this clause 14.12 will be a
limitation upon the Principal's liability to the Contractor arising out of, or in any way
in connection with, the frustration of this Deed and the Principal will not be liable to
the Contractor upon any Claim arising out of, or in any way in connection with, the
frustration of this Deed other than for the amount payable under this clause 14.12.
Without limiting any other provision of this Deed, this clause 14.12 will survive the frustration of this Deed.

14.13 Codification of Contractor’s Entitlements

This clause 14 is an exhaustive code of the Contractor’s rights arising out of or in any way in connection with any termination and the Contractor:

(a) cannot otherwise terminate, rescind or treat this Deed as repudiated; and
(b) waives all rights at Law to terminate, rescind or treat this Deed as repudiated,

otherwise than in accordance with this clause 14.

15. Disputes

15.1 Dispute

If a dispute or difference arises between the Contractor and the Principal or between the Contractor and the Principal's Representative in respect of any fact, matter or thing arising out of, or in any way in connection with, the Contractor's Activities, the Works or the subject matter of this Deed (Dispute), the Dispute must be determined in accordance with the procedure in this clause 15.

15.2 Notice of Dispute

Where such a Dispute arises, either party may give a notice in writing to the Principal's Representative and the other party (Notice of Dispute). The Notice of Dispute must:

(a) specify the Dispute;
(b) provide particulars of the party's reasons for being dissatisfied;
(c) set out the position which the party believes is correct; and
(d) in the case of a Dispute in respect of a direction of the Principal's Representative under one of the clauses referred to in Schedule 1 (a Schedule 1 Dispute), be given in accordance with clause 15.4.

15.3 Request for further particulars

Where a Notice of Dispute is given by the Contractor, if the Contractor fails to provide sufficient particulars of the Dispute to enable the Principal's Representative to properly consider the matter, then within 21 days after receipt of the Notice of Dispute the Principal's Representative may request the Contractor to provide further particulars of the Dispute.
If within 14 days after the request the Contractor has not furnished the particulars sought, and where the Dispute relates to a Schedule 1 Dispute, then, whether the direction is by the Principal's Representative or by a person appointed pursuant to clause 9.3(a)(i):

(a) the Contractor will be deemed to have accepted the Principal's Representative's direction as final and binding and the direction will not be capable of being challenged, opened up or reviewed in any forum; and

(b) where the direction relates to the rejection or deemed rejection of a Claim pursuant to clause 17.4, the Claim will be barred in accordance with clause 17.6.

15.4 **Time for Submitting Notice of Dispute Concerning Principal's Representative's Direction**

The parties acknowledge that any direction by the Principal's Representative under one of the clauses referred to in Schedule 1 is an interim position only and that, without limiting the rights of the Principal's Representative under clauses 11.3 or 11.15, either party may seek to have any such direction opened up, reviewed, decided and substituted pursuant to this clause 15 by giving a Notice of Dispute to the other party and the Principal's Representative.

The Principal will not be liable upon any Claim by the Contractor arising out of or in any way in connection with any such direction by the Principal's Representative in circumstances where it is incorrect, subsequently overturned pursuant to clause 15 or is unreasonable (other than in accordance with the corrected determination). The Contractor acknowledges and agrees that its sole means of redressing any errors contained in or associated with any such direction by the Principal's Representative is by giving a Notice of Dispute.

If the Contractor wishes to have a direction by the Principal's Representative under one of the clauses referred to in Schedule 1 opened up, reviewed, decided and substituted, then, whether the direction is by the Principal's Representative or by a person appointed pursuant to clause 9.3(a)(i), the Contractor must give a Notice of Dispute in respect of the Dispute to the Principal and the Principal's Representative within 14 days of the date of the direction after which the Principal's Representative may review the Dispute and make a determination in accordance with clause 15.5.

If the Contractor fails to give such a notice to the Principal and the Principal's Representative within the time period required:

(a) the direction will be final and binding and will not be capable of being challenged, opened up or reviewed in any forum; and
(b) where the direction relates to the rejection or deemed rejection of a Claim pursuant to clause 17.4, the Claim will be barred in accordance with clause 17.6.

15.5 Determination of Schedule 1 Disputes by the Principal's Representative

Upon receipt of a Notice of Dispute in respect of a Schedule 1 Dispute which is given in accordance with clause 15.4, the Principal's Representative may review and make a determination in respect of the Dispute. The determination of the Principal's Representative in respect of any such Notice of Dispute:

(a) must be in writing;

(b) must be given within 21 days after the Notice of Dispute is given or where further particulars have been requested under clause 15.1, within 21 days after the further particulars have been provided to the Principal's Representative;

(c) will be substituted for the relevant direction the subject of the Notice of Dispute; and

(d) is to be given effect to by the parties unless and until it is reversed, overturned or otherwise changed under the procedure in the following clauses.

If the Principal's Representative fails to make a determination as required by this clause 15.5 the direction the subject of the Notice of Dispute will be deemed to be confirmed by the Principal's Representative.

15.6 Response to Notice of Dispute

Where a Notice of Dispute has been given in accordance with clause 15.2 then the party to whom the Notice of Dispute is addressed must:

(a) if the Notice of Dispute does not relate to a Schedule 1 Dispute, within 21 days of the date of:

(i) receipt of the Notice of Dispute; or

(ii) if any further particulars have been requested under clause 15.3, receipt of those particulars; or

(b) if the Notice of Dispute does relate to a Schedule 1 Dispute and if the direction is confirmed, or deemed to have been confirmed, by the Principal's Representative under clause 15.5, within 42 days of the receipt of the Notice of Dispute,

   (i) the date of receipt of the response to the Notice of Dispute pursuant to clause 15.6; or

(iii) clarifying and narrowing the issues in dispute in the event that the Dispute is not resolved; and

(iv) resolving the Dispute.

(b) If appropriate in the circumstances, at or prior to the meeting the parties will exchange documents critical to the resolution of the Dispute.

15.9 Rules of Expert Determination

(a) An expert determination conducted under this clause 15 is not an arbitration and the expert is not an arbitrator. The expert may reach a decision from his or her own knowledge and expertise.

(b) The expert determination must be made in accordance with the rules for the expert determination process included in the agreement which appears in Schedule 28 or such other rules as the parties and the expert may agree.

(c) The expert must:

(i) disclose to the parties any interest he or she has in the outcome of the determination; and

(ii) not communicate with one party to the determination without the knowledge of the other.

(d) Each party will:

(i) bear its own costs in respect of any expert determination; and

(ii) pay one-half of the expert's costs.

(e) Unless otherwise agreed between the parties, the expert must notify the parties of his or her decision upon an expert determination conducted under this clause 15 within the period set out in the agreement between the parties and the expert.

15.10 Agreement with Expert

(a) The expert will not be liable to the parties arising out of, or in any way in connection with, the expert determination process, except in the case of fraud.

(b) The parties must enter into an agreement with the appointed expert on the terms set out in Schedule 28 or such other terms as the parties and the expert may agree.

15.11 Determination of Expert

The determination of the expert:

(a) must be given to the parties in writing;

(b) will be:

(i) substituted for the relevant direction of the Principal's Representative; and
(ii) final and binding,

unless a party gives a notice of appeal to the other party within 21 days of receipt of the determination; and

(c) is to be given effect to by the parties unless and until it is reversed, overturned or otherwise changed under the procedure in the following clauses.

15.12 Arbitration Agreement

If:

(a) a notice of appeal is given under clause 15.11; or

(b) the dispute does not relate to a Schedule 1 Dispute and is not resolved within 21 days of the Referral Date,

the dispute must be determined by arbitration in accordance with the following clauses.

The dispute will be referred to arbitration whether or not the persons described in Schedule 1 have complied with clause 15.6A(a).

15.13 Arbitration

Any Dispute which is referred to arbitration will be conducted before a person to be:

(a) agreed between the parties; or

(b) failing agreement within 21 days after the Dispute has been referred to arbitration, appointed by the President for the time being of The Institute of Arbitrators and Mediators Australia.

To the extent that they are not inconsistent with this Deed, the Rules for the Conduct of Commercial Arbitration of The Institute of Arbitrators and Mediators Australia will apply to the arbitration.

The seat of the arbitration will be Sydney, Australia.

The arbitrator will have power to grant all legal, equitable and statutory remedies and, subject to clause 15.9, to open up, review and substitute any decision of the expert under clause 15.11 that is not final and binding on the parties pursuant to clause 15.11.

Notwithstanding anything else, to the extent permissible by Law, the arbitrator will have no power to apply or to have regard to the provisions of Part 4 of the Civil Liability Act 2002 (NSW).

15.14 Survive Termination

This clause 15 will survive the termination of this Deed.
15.15 Continuation of Work

(d) In relation to the relevant Common Dispute:

   (i) clauses 15.3 to 15.13 will not apply to the resolution of that Common Dispute; and

   (ii) the Contractor acknowledges and agrees that the purpose of this clause 15.17 is:
(A) to provide the Contractor with comparable remedies and entitlements in respect of Common Disputes, and to limit the Contractor's rights against the Principal in respect of Common Disputes by reference to the Principal's rights and entitlements under or in connection with Third Party Agreements; and

(B) not to reduce or disentitle or otherwise affect the validity of any Claim by the Principal against a Third Party under, arising out of, or in any way in connection with the respective Third Party Agreement.

(j) To the extent the Contractor has recovered compensation in respect of a Common Dispute under another provision of this Deed, then the Contractor is not entitled to the same compensation under this clause 15.17.

(f) Subject to clause 16.1(g), a notice sent by facsimile will be taken to have been received on the next day after the day shown on the transmission record showing the number of the person to whom it is addressed in accordance with clause 16.1(b)(i), 16.1(b)(ii)(A)(2) or 16.1(b)(ii)(B)(1) (as applicable), which is a Business Day.
Where clause 16.1(b)(ii)(A)(2) applies, the relevant notice will be taken to have been received on the later of:

(i) the date determined in accordance with clause 16.1(d); and

(ii) the date determined in accordance with clause 16.1(e) or 16.1(f) (as the case may be).

16.2 Law and Jurisdiction

(a) This Deed is governed by and will be construed according to the Laws of New South Wales.

(b) Where clause 15.16 applies:

(i) the parties irrevocably submit to and accept, generally and unconditionally, the non-exclusive jurisdiction of the courts and appellate courts of the State of New South Wales with respect to any proceedings that are permitted to be brought at any time under clause 15.16; and

(ii) in respect of the jurisdiction referred to in clause 16.2(b)(i) the parties irrevocably waive any objection they may now or in the future have to the venue of any action or proceeding, and any claim they may now or in the future have that any action or proceeding has been brought in an inconvenient forum.

16.3 No Waiver

(a) Failure to exercise or enforce or a delay in exercising or enforcing or the partial exercise or enforcement of any right, power or remedy provided by Law or under this Deed by the Principal will not in any way preclude, or operate as a waiver of, any exercise or enforcement, or further exercise or enforcement of that or any other right, power or remedy provided by Law or under this Deed.

(b) Any waiver or consent given by the Principal under this Deed will only be effective and binding on the Principal if it is given or confirmed in writing by the Principal.

(c) No waiver by the Principal of:

(i) a breach of any term of this Deed; or

(ii) any other failure by the Contractor to comply with a requirement of this Deed, including any requirement to give any notice which it is required to give in order to preserve its entitlement to make any Claim against the Principal,
will operate as a waiver of another breach of that term or failure to comply
with that requirement or of a breach of any other term of this Deed or failure
to comply with any other requirement of this Deed.

16.4 Assignment

The Contractor cannot assign its rights or liabilities under this Deed without the prior
written consent of the Principal and except on such terms and conditions as are
determined in writing by the Principal.

16.5 Entire Agreement

This Deed and the Deed of Disclaimer constitute the entire agreement and
understanding between the parties and will take effect according to its tenor despite,
and supersede:

(a) any prior agreement (whether in writing or not), negotiations and discussions
between the parties in relation to the subject matter of this Deed and the
Deed of Disclaimer; and

(b) any correspondence or other documents relating to the subject matter of this
Deed and the Deed of Disclaimer that may have passed between the parties
prior to the Commencement Date and that are not expressly included in this
Deed and the Deed of Disclaimer.

16.6 Joint and Several Liability

The obligations of the Contractor, if more than one person, under this Deed, are joint
and several. Each person constituting the Contractor acknowledges and agrees that
it will be causally responsible for the acts and omissions (including breaches of this
Deed) of the other as if those acts or omissions were its own and the Principal may
proceed against any or all of them.

16.7 Severability

If at any time any provision of this Deed is or becomes illegal, invalid or
unenforceable in any respect under the Law of any jurisdiction, that will not affect or
impair:

(a) the legality, validity or enforceability in that jurisdiction of any other provision
of this Deed; or

(b) the legality, validity or enforceability under the Law of any other jurisdiction of
that or any other provision of this Deed.
16.8 **Indemnities to Survive**

Each indemnity in this Deed is a continuing obligation, separate and independent from the other obligations of the parties, and survives termination, completion or expiration of this Deed.

Nothing in this clause 16.8 prevents any other provision of this Deed, as a matter of interpretation also surviving the termination of this Deed.

It is not necessary for a party to incur expense or make any payment before enforcing a right of indemnity conferred by this Deed.

16.9 **Stamp Duty and Other Fees**

The Contractor must pay all stamp duties and other fees payable in respect of the execution of this Deed and the performance of its obligations in respect of this Deed.

16.10 **Taxes**

Without limiting clause 2.3 but subject to clause 18, the Contractor must pay all Taxes that may be payable in respect of the Contractor's Activities, including any customs duty or tariff, and primage applicable to imported materials, plant and equipment required for the Contractor's Activities.

16.11 **Confidentiality**

(a) Subject to clause 16.11(b), the Contractor must:

(i) keep confidential this Deed and any information relating to the Contractor's Activities and any discussions concerning this Deed;

(ii) not use the information referred to in sub-paragraph (a)(i) except as necessary for the performance of the Contractor's Activities; and

(iii) ensure that each of its officers, employees and Subcontractors complies with the terms of sub-paragraphs (a)(i) and (a)(ii).

(b) The Contractor is not obliged to keep confidential any information:

(i) which is in the public domain through no default of the Contractor; or

(ii) the disclosure of which is:

(A) required by Law;

(B) consented to in writing by the Principal; or

(C) given to a court in the course of proceedings to which the Contractor is a party or to an expert or other person appointed under this Deed or an agreed arbitrator.
(c) The Contractor must:

(i) execute and submit to the Principal within 14 days of this Deed a Confidentiality Undertaking;

(ii) ensure that all employees of the Contractor that have access to the information described in the Confidentiality Undertaking are aware of their obligations under the terms of the Confidentiality Undertaking; and

(iii) ensure that each Subcontractor, including suppliers and consultants, to the Contractor execute and submit a Confidentiality Undertaking to the Principal.

(d) The Contractor acknowledges that the Principal may disclose this Deed (and information concerning the terms of this Deed) under or in accordance with any one or more of the following:

(i) the *Government Information (Public Access) Act 2009* (NSW); and

(ii) to satisfy the disclosure requirements of the New South Wales Auditor General or to satisfy the requirements of Parliamentary accountability.

(e) The Contractor must provide to the Principal any other information which the Principal reasonably requires to comply with its obligations under clause 16.11(d).

16.12 Right of Set-Off

The Principal may deduct from moneys otherwise due to the Contractor:

(a) any debt or other moneys due from the Contractor to the Principal (including any debt due from the Contractor to the Principal pursuant to section 26C of the SOP Act);

(b) any amount that is less than or equal to the amount claimed to be owed under a payment withholding request served on the Principal pursuant to Division 2A of Part 3 of the SOP Act; or

(c) any claim to money which the Principal may have against the Contractor whether for damages (including liquidated damages) or otherwise, whether under this Deed or otherwise at Law.

If those moneys are insufficient, the Principal can have recourse to the security held under clause 2.8.
16.13 Entire Contract

Despite any progress payments that may be made to the Contractor under clause 11.5(a), this Deed is an entire contract.

16.14 Principal May Act

(a) The Principal may, either itself or by a third party, perform an obligation under this Deed that the Contractor was obliged to perform but which it failed to perform. The costs, losses, expenses and damages suffered or incurred by the Principal in so performing such an obligation will be a debt due from the Contractor to the Principal.

(b) Where the Principal or the Principal's Representative is entitled under this Deed to exercise any right or power to:

(i) direct or instruct the Contractor to, or

(ii) itself step in to,

take any action or omit to take any action, it is not obliged to exercise that right or power, and may do so in their absolute discretion.

Where the Principal or the Principal's Representative does exercise any such right or power, the Contractor remains responsible for, controls and assumes the risk of all environmental, health and safety issues relating to the Works.

16.15 Unlimited Discretion

(a) Except as expressly provided in this Deed (including in clause 16.15(c)) no procedural or substantive limitation (including any which may otherwise be implied by Law) is intended to be imposed upon the manner in which the Principal or the Principal's Representative may exercise any discretion, power or entitlement conferred by this Deed.

(b) Without limiting clause 16.15(a):

(i) except as expressly provided in this Deed (including in clause 16.15(c)) neither the Principal nor the Principal's Representative will be:

(A) constrained in the manner in which it exercises; or

(B) under any obligation to exercise,

any discretion, power or entitlement conferred by this Deed because of the operation of any legal doctrine which in any way limits or otherwise affects the express words used in the provision of this Deed conferring the discretion, power or entitlement; and
(ii) any approval or consent referred to in, or required under, this Deed from the Principal or the Principal's Representative may be given or withheld, or may be given subject to any conditions, as the Principal or the Principal's Representative (in their absolute discretion) think fit, unless this Deed expressly provides otherwise.

(c) Nothing in this clause 16.15 will prevent the implication of a term into this Deed where the implication of the term is required to ensure that this Deed (or a part of this Deed) is not void or voidable due to uncertainty or any other legal principle.

16.16 No Partnership, Joint Venture or Other Fiduciary Relationship

Nothing in this Deed will be construed or interpreted as constituting the relationship between the Principal on one hand and the Contractor on the other hand as that of partners, joint venturers or any other fiduciary relationship.

16.17 Process Agent

If the Contractor is a foreign company (as defined in the Corporations Act 2001 (Cth)), the Contractor must:

(a) appoint a local process agent acceptable to the Principal as its agent to accept service of process under or in any way in connection with this Deed. The appointment must be in a form acceptable to the Principal and may not be revoked without the Principal's consent; and

(b) obtain the process agent's consent to the appointment.

16.18 Indemnity

The Contractor must indemnify the Principal against:

(a) any liability to or claim by any other person (including any Third Party); and

(b) all costs, expenses, losses, damages, fines and penalties suffered or incurred by the Principal,

arising out of, or in any way connected with:

(c) the Contractor's breach of a term of this Deed;

(d) any obligation under any Third Party Agreement (including Draft Third Party Agreements and executed Third Party Agreements) which the Contractor is obliged to perform under clause 2.12(a)(ii);

(e) the Contractor's Activities during a Track Possession or power isolation; or

(f) any Defect or the consequences of a Defect,
provided that the Contractor's liability to indemnify the Principal will be reduced proportionally to the extent that an act or omission of the Principal, an Other Contractor or an agent of the Principal contributed to the liability claim, costs losses or damages.

16.19 Variations

Subject to clauses 2.12(b), 2.3A and 6.3, this Deed may only be varied by a document signed by or on behalf of both the Principal and the Contractor.

16.20 Provisions Limiting or Excluding Liability

Any provision of this Deed which seeks to limit or exclude a liability of the Principal or the Contractor is to be construed as doing so only to the extent permitted by Law.

16.21 Limit of Contractor's Liability

(a) Subject to clause 16.23, the liability of the Contractor to the Principal, whether arising under or in connection with this Deed or the performance or non-performance thereof or anything incidental thereto, and whether by way of indemnity, by statute (to the extent that it is possible to exclude such liability), in tort (for negligence or otherwise) or on any basis in Law:

(i) to the extent that such liability is incurred in the carrying out of the Contractor's Activities in respect of:

(A) Portion 1, is limited to 100% of Original Contract Price for Portion 1;

(B) Portion 2, is limited to 100% of Original Contract Price for Portion 2;

(C) Portion 3, is limited to 100% of Original Contract Price for Portion 3; and

(D) Portion 4, is limited to 100% of Original Contract Price for Portion 4,

increased or decreased by the amounts by which this Deed requires the Contract Sum applicable to that Original Contract Price to be increased or decreased, provided that such limits have not been reached due to the application of clause 16.21(a)(ii); and

(ii) in any other case where there is a liability incurred otherwise than relating to the carrying out of the Contractor's Activities in respect of a Portion (for example a liability arising from a breach of clause 2.8 or clause 13.5), the cumulative aggregate of the limits of liability under clause 16.21(a)(i) for all Portions provided that such
limits have not been reached due to the application of clause 16.21(a)(i).

(b) Where a liability to which clause 16.21(a)(ii) applies is incurred, and to the extent that the limits applicable to any one or more Portions have not been reached, the Principal may (by written notice to the Contractor) at any time allocate such liability, in any proportion, against any one or more of the limits in clause 16.21(a)(i) as the Principal may determine in its absolute discretion.

16.22 No Liability for Certain Matters

Subject to clause 16.23, the Contractor will have no liability whatsoever to the Principal for loss of use, production, profit, revenue, business, data, contract or anticipated saving or for any financing costs or increase in operating costs.

16.23 Qualification on Limitation of Liability

Clauses 16.21 and 16.22 do not apply to limit or restrict in any way:

(a) any liability to the extent to which the Contractor is (or will be) entitled to be indemnified pursuant to an insurance policy in respect of that liability;

(b) any liability for which, but for a failure by the Contractor to comply with its obligations under this Deed or under an insurance policy, the Contractor would have received payment or been indemnified under an insurance policy effected in accordance with this Deed;

(c) the Contractor's liability to pay liquidated damages under clause 12.7(a) or general damages under clause 12.7(e);

(d) the Contractor's liability to indemnify the Principal under clauses 2.5(a)(vi), 2.7(c), 2.7A(d), 2.12(c), 3.4(b)(iv), 3.7(d), 3.9(f), 3.14(d), 5.8(c)(ii), 5.11(a)(ii), 12.7(d)(ii) or 13.2 or for breach of clause 2.9;

(e) the Contractor's liability for costs, losses and damage caused by the malicious or fraudulent acts of employees of the Contractor or its Subcontractors or its agents;

(f) liability which is otherwise limited by another provision of this Deed;

(g) the Contractor's liability for Abandonment

(h) the Contractor's liability to indemnify any Rail Transport Agency under the deed poll executed in the form of Schedule 26; or

(i) liability out of which by Law the Contractor cannot contract.

16.24 No Circularity

(a) In determining:
(i) whether an insurance policy extends to cover this Deed in respect of any matters referred to in clauses 16.21 or 16.22 and the liability (if any) of the Contractor arising out of or in connection with the matter; or

(ii) the amount recovered or recoverable by the Contractor under an insurance policy in connection with a matter referred to in clauses 16.21 or 16.22,

(together the **Determinable Matters**), the limitation on the Contractor’s liability pursuant to clauses 16.21 or 16.22 will be disregarded and it must be assumed that the Contractor has paid in full the amount of its liability to the Principal (unlimited by clauses 16.21 or 16.22) in a manner which entitles the Contractor to claim under the relevant insurance policy.

(b) The Contractor waives and disclaims any right or entitlement it may now or in the future have, but for this clause 16.24(b), to:

(i) not disregard clauses 16.21 or 16.22, in connection with any determination of the Determinable Matters; or

(ii) do any of the following:

(A) claim or assert (including by way of defence, counter-claim or third party proceeding); or

(B) instigate, participate in, consent to, or lend its name to, any action or proceedings of any kind under which it is claimed or asserted (including by way of defence, counter-claim or third party proceeding),

that clauses 16.21 or 16.22 are not to be disregarding in connection with the determination of the Determinable Matters.

(c) The parties agree that clauses 16.24(a) and 16.24(b) may be pleaded in bar to any claim or assertion by:

(i) the Contractor; or

(ii) any insurer;

in any Claim to the effect that clauses 16.21 or 16.22 are not to be disregarded as provided in clause 16.24(a).

(d) If for any reason in relation to a matter referred to in clauses 16.21 or 16.22:

(i) clauses 16.24(a) to 16.24(c) (or any of them) are unenforceable, void, voidable or illegal, clauses 16.21 and 16.22 will be of no force or effect and will be treated as if they were severed from, and had never been terms of, this Deed; and
(ii) the Contractor, or an insurer is for any reason not obliged to
disregard, or is for any reason entitled to have regard to, clauses
16.21 and 16.22 in determining the Determinable Matters, then
clauses 16.21 and 16.22 will treated as if they were severed from and
had never been terms of, this Deed and as of no force or effect
whatsoever as against the person(s) who is so not obliged, or who is
so entitled.

16.25 Proportionate Liability

(a) To the extent permitted by Law, Part 4 of the Civil Liability Act 2002 (NSW)
(and any equivalent statutory provision in any other state or territory) is
excluded in relation to all and any rights, obligations or liabilities of either
party under or in any way in connection with this Deed whether such rights,
obligations or liabilities are sought to be enforced in contract, tort or
otherwise.

Without limiting the above, the rights, obligations and liabilities of the
Principal and the Contractor under this Deed with respect to proportionate
liability are as specified in this Deed and not otherwise, whether such rights,
obligations or liabilities are sought to be enforced by a claim in contract, in
tort or otherwise.

(b) To the extent permitted by Law:

(i) the Contractor must not seek to apply the provisions of Part 4 of the
Civil Liability Act 2002 (NSW) in relation to any claim by the Principal
against the Contractor (whether in contract, tort or otherwise); and

(ii) if any of the provisions of Part 4 of the Civil Liability Act 2002 (NSW)
are applied to any claim by the Principal against the Contractor
(whether in contract, tort or otherwise), the Contractor will indemnify
the Principal against any loss, damage, cost or expense that forms
part of a claim by the Principal against the Contractor which the
Principal is not able to recover from the Contractor because of the
operation of Part 4 of the Civil Liability Act 2002 (NSW).

(c) The Contractor must:

(i) in each Subcontract into which it enters for the carrying out of the
work under this Deed or for the supply of materials or services,
include a term that (to the extent permitted by Law) excludes the
application of Part 4 of the Civil Liability Act 2002 (NSW) in relation to
all and any rights, obligations or liabilities of either party under or in
any way in connection with each Subcontract whether such rights,
obligations or liabilities are sought to be enforced by a claim in contract, tort or otherwise; and

(ii) require each Subcontractor or supplier of materials or services to include, in any further contract that it enters into with a third party for the carrying out of the work under this Deed, a term that (to the extent permitted by Law) excludes the application of Part 4 of the Civil Liability Act 2002 (NSW) in relation to all and any rights, obligations or liabilities of either party under or in any way in connection with each further agreement whether such rights, obligations or liabilities are sought to be enforced by a claim in contract, tort or otherwise.

(d) The Contractor must ensure that all policies of insurance covering third party liability it is required by this Deed to effect or maintain (including the professional indemnity policy referred to in clause 13.5(a)(iv)):

(i) cover the Contractor for potential liability to the Principal assumed by reason of the exclusion of Part 4 the Civil Liability Act 2002 (NSW); and

(ii) do not exclude any potential liability the Contractor may have to the Principal under or by reason of this Deed.

(e) The powers conferred and restrictions imposed on a court by Part 4 of the Civil Liability Act 2002 (NSW) are not conferred on any expert or arbitrator appointed in accordance with the provisions of this Deed.

(f) An expert or arbitrator (as the case may be) has no power to make a binding or non-binding determination or any award in respect of a claim by applying or considering the provisions of Part 4 of the Civil Liability Act 2002 (NSW) (and any equivalent statutory provisions in any other state or territory) which might, in the absence of this provision, have applied to any dispute referred to expert determination or arbitration.

16.26 Prior Work

The Contractor agrees that the work in connection with the Contractor's Activities carried out by the Contractor prior to the Commencement Date will be deemed to be governed by the provisions of this Deed and will be deemed to be part of the Contractor's Activities and any payments made to the Contractor by the Principal prior to the Commencement Date in respect of the Contractor's Activities will be treated as part payments of the amount required to be paid by the Principal under this Deed.
16.27 Design Life

(a) The Contractor waives any and all rights it may have under sections 14 and 16 of the Limitation Act 1969 (NSW) and section 109ZK of the Environmental Planning and Assessment Act 1979 (NSW) in respect of the design lives of the asset elements referred to in clause 6.5.7 of the Works Brief where those design lives are for periods longer than those provided for in those Acts.

(b) If the waiver referred to in clause 16.27(a) is held to be without effect or otherwise unenforceable, or if it is severed from this Deed, the Contractor shall indemnify and keep the Principal indemnified at all times from and against all costs that the Principal may suffer or incur out of the Principal's loss of the benefit of the waiver.

(c) The indemnity in clause 16.27(b) is to continue and remain in full force and effect until the expiration of the last of the design lives referred to in clause 6.5.7 of the Works Brief.

(d) The parties agree that any action by the Principal on the indemnity in clause 16.27(b) is not a "building action" for the purposes of section 109ZI of the Environmental Planning and Assessment Act 1979 (NSW).

16.28 Counterparts

This Deed may be executed in any number of counterparts. All counterparts together will be taken to constitute one instrument.

16.29 Personal Property Securities Act

(a) By signing this Deed, the Contractor acknowledges and agrees that if this Deed and the transactions contemplated by it, operate as, or give rise to, a security interest for the purposes of the PPS Law (Security Interest), the Contractor shall do anything (including amending this Deed or any other document, executing any new terms and conditions or any other document, obtaining consents, getting documents completed and signed and supplying information) that the Principal considers necessary under or as a result of the PPS Law for the purposes of:

(i) ensuring that the Security Interest is enforceable, perfected or otherwise effective and has the highest priority possible under PPS Law;

(ii) enabling the Principal to apply for any registration, or give any notification, in connection with the Security Interest, including the registration of a financing statement or financing change statement; or
(iii) enabling the Principal to exercise rights in connection with the Security Interest and this Deed.

(b) If Chapter 4 of the PPS Act applies to the enforcement of the Security Interest, the Contractor agrees that sections 95, 120, 121(4), 125, 130, 132(3)(d), 132(4), 135, 142 and 143 of the PPS Act will not apply to the enforcement of the Security Interest.

(c) The Contractor:

(i) acknowledges that the Security Interests created under or pursuant to this Deed relate to collateral and all proceeds in respect of that collateral (until the Principal is paid in full for the collateral);

(ii) acknowledges that to the maximum extent permitted by law, it waives any right to receive a verification statement under the PPS Law in respect of the Security Interest; and

(iii) undertakes it will not register a financing change statement without the prior written consent of the Principal.

(d) The parties agree that neither of them will disclose information of the kind referred to in section 275(1) of the PPS Act and that this clause constitutes a confidentiality agreement within the meaning of the PPS Law.

(e) The Contractor agrees to waive any right it may have, or but for this clause may have had, under section 275(7)(c) of the PPS Act to authorise the disclosure of the above information.

16.30 Vienna Convention

The United Nations Convention on Contracts for the International Sale of Goods does not apply to this Deed.

17. Notification of Claims

17.1 Notice of Variation

If a direction by the Principal's Representative, other than a Variation Order under clause 6.2, constitutes or involves a Variation, the Contractor must, if it wishes to make a Claim against the Principal arising out of, or in any way in connection with, the direction:

(a) within the time specified in Schedule 1 of receiving the direction and before commencing work on the subject matter of the direction, give notice to the Principal's Representative, that it considers the direction constitutes or involves a Variation;
(b) within the time specified in Schedule 1 of giving the notice under paragraph (a), submit a written Claim to the Principal's Representative, which includes the details required by clause 17.3(b); and

(c) continue to carry out the Contractor's Activities in accordance with this Deed and all directions of the Principal's Representative, including any direction in respect of which notice has been given under this clause 17.1.

17.2 Notice of Other Claims

If the Contractor wishes to make any Claim (other than an Excluded Claim) against the Principal in respect of any direction of the Principal's Representative or any other event, circumstance, act, omission, fact, matter or thing (including a breach of this Deed by the Principal) under, arising out of, or in any way in connection with, this Deed, the Contractor's Activities or the Works, including anything in respect of which:

(a) it is otherwise given an express entitlement under this Deed; or

(b) this Deed expressly provides that:

(i) specified costs are to be added to the Contract Sum; or

(ii) the Contract Sum will be otherwise increased or adjusted,

as determined by the Principal's Representative, the Contractor must give the Principal's Representative the notice required by clause 17.3(a) and a Claim in accordance with clause 17.3(c).

17.3 Prescribed Notices

(a) Any written notice referred to in clauses 17.1 and 17.2 must:

(i) be provided not later than the time specified in Schedule 1 after the first occurrence of the direction, event, circumstance, act, omission, fact, matter or thing which gave rise to the alleged entitlement; and

(ii) expressly specify:

(A) that the Contractor proposes to make a Claim; and

(B) the direction event, circumstance, act, omission, fact, matter, or thing, which gave rise to the alleged entitlement in the Claim.

(b) Any written Claim referred to in clause 17.1(b) must include:

(i) detailed particulars, including the date or dates, of the direction, including any related event, circumstance, act, omission, fact, matter or thing upon which the Claim is based;
(ii) the provisions of this Deed or other legal basis upon which the Claim is based; and

(iii) details of the amount claimed and how it has been calculated.

(c) Any written Claim referred to in clause 17.2 must:

(i) be provided not later than the time specified in Schedule 1 of giving the written notice under clause 17.3(a); and

(ii) include:

(A) detailed particulars, including the date or dates, of the direction, event, circumstance, act, omission, fact, matter or thing upon which the Claim is based;

(B) the legal basis for the Claim, whether based on a term of this Deed or otherwise, and if based on a term of this Deed, clearly identifying the specific term;

(C) the facts relied upon in support of the Claim in sufficient detail to permit verification; and

(D) details of the amount claimed and how it has been calculated.

17.4 Submission of Claims

Claims submitted by the Contractor under clauses 17.1(b) and 17.2 will be considered in the first instance by the Principal's Representative who may accept or reject the Claim in part or in full.

If within 28 days after first receipt of a Claim the Principal's Representative has not made a decision on the Claim, the Claim will be deemed to have been rejected on that 28th day.

17.5 Continuing Events

If the direction, event, circumstance, act, omission, fact, matter or thing upon which a Claim is based, or their consequences are continuing, the Contractor must continue to give the information required by clause 17.3(b) or 17.3(c) every 28 days after the written Claim under clause 17.1(b) or 17.2 (as the case may be) was submitted or given to the Principal's Representative, until after the direction, event, circumstance, act, omission, fact, matter or thing or the consequences thereof have ceased.

17.6 Bar

If the Contractor fails to comply with clauses 2.3(g), 15.1, 15.2, 15.3, 15.4, 17.1, 17.2, 17.3 or 17.5:

(a) the Principal will not be liable upon any Claim by the Contractor; and
(b) the Contractor will be absolutely barred from making any Claim against the Principal,

arising out of or in any way in connection with the relevant direction, event, circumstance, act, omission, fact, matter or thing (as the case may be) to which those clauses apply.

17.7 Other Provisions Unaffected

Nothing in clauses 17.1 to 17.6 will limit the operation or effect of any other provision of this Deed that requires the Contractor to give notice to the Principal's Representative in order to preserve an entitlement to make a Claim against the Principal.

18. General Provisions Relating to GST

(a) The parties acknowledge that unless otherwise expressly stated all amounts of monetary consideration in this Deed are exclusive of GST.

(b) If GST is or becomes payable on a supply made by a party (Supplier) under or in connection with this Deed, including the Contractor's Activities or the Works, the party providing consideration for the supply (Recipient) must pay an additional amount to the Supplier equal to the GST payable by the Supplier (or representative member of a GST group of which the Supplier is a member) in relation to the supply.

(c) Any amount payable under clause 18(b) will be paid to the Supplier at the same time as the consideration for the supply is paid to the Supplier.

(d) If any party is required under this Deed to reimburse or pay to the other party an amount (other than any payment on account of the Contract Sum) calculated by reference to a cost, expense, or an amount paid or incurred by that party, the amount of the reimbursement or payment will be reduced by the amount of any input tax credits to which that party (or representative member of a GST group of which that party is a member) is entitled in respect of any acquisition relating to that cost, expense or other amount.

(e) Notwithstanding any other provision of this Deed, where the Recipient is the Contractor, it will not be obliged to pay any amount in respect of GST to the Principal (whether under this clause 18 or otherwise) in respect of a taxable supply made by the Principal unless the Principal issues to the Contractor a tax invoice that complies with the GST Legislation in respect of that taxable supply.
The parties agree that, unless otherwise agreed in writing, the following will apply to all taxable supplies made by the Contractor to the Principal under or in connection with this Deed:

(i) the Principal will issue to the Contractor a recipient created tax invoice (RCTI) for each taxable supply made by the Contractor to the Principal under this Deed;

(ii) the Principal will issue to the Contractor an adjustment note for any adjustment event;

(iii) the Contractor will not issue a tax invoice in respect of any taxable supply it makes to the Principal; and

(iv) the Principal may notify the Contractor that it will no longer issue a RCTI for each taxable supply made by the Contractor under this Deed, in which case, from that point in time, the Principal will not be required to issue RCTIs in respect of such supplies and the Contractor will be required to issue tax invoices to the Principal (including under clause 11.3(e)) as a condition precedent to the Principal being obliged to pay any amount in respect of GST to the Contractor in respect any such taxable supply.

Each party acknowledges and warrants that at the time of entering into this Deed it is registered for GST and will notify the other party if it ceases to be registered for GST or ceases to comply with any of the requirements of any taxation ruling issued by a taxation authority relating to the creation of RCTIs.

If the GST payable in relation to a supply made by the Supplier under this Deed varies from the additional amount paid by the other party under this clause 18 in respect of that supply, then the Supplier will provide a corresponding refund or credit to or will be entitled to receive the amount of that variation from the other party (as appropriate).

In this clause 18:

(i) terms defined in GST Legislation have the meaning given to them in GST Legislation; and

(ii) any part or progressive or periodic component of a supply that is treated as a separate supply for GST purposes (including attributing GST to tax periods) will be treated as a separate supply.
19. **NSW Code of Practice**

19.1 **NSW Code and NSW Guidelines**

In addition to terms defined in this Deed, terms used in this clause 19 have the same meaning as is attributed to them in the NSW Guidelines. The NSW Code and NSW Guidelines are available at www.industrialrelations.nsw.gov.au.

19.2 **Primary Obligation**

(a) The Contractor must at all times comply with, and meet any obligations imposed by the NSW Code and the NSW Guidelines.

(b) The Contractor must notify the CCU and the Principal of any possible non-compliance with the NSW Code and NSW Guidelines and of remedial action taken, within 24 hours of becoming aware of the possible non-compliance.

(c) Where the Contractor engages a Subcontractor, the Contractor must ensure that the contract imposes on the Subcontractor equivalent obligations to those in this clause 19, including that the Subcontractor must at all times comply with, and meet any obligations imposed by, the NSW Code and the NSW Guidelines.

(d) The Contractor must not appoint or engage another party in relation to the Works where that appointment or engagement would breach a sanction imposed on the other party in relation to the NSW Code or NSW Guidelines.

19.3 **Access and information**

(a) The Contractor must maintain adequate records of compliance with the NSW Code and NSW Guidelines by it, its Subcontractors and related entities.

(b) The Contractor must allow, and take reasonable steps to facilitate, authorised personnel (including personnel of the CCU) to:

   (i) enter and have access to sites and premises controlled by the Contractor, including but not limited to the Site;

   (ii) inspect any work, material, machinery, appliance, article or facility;

   (iii) access information and documents;

   (iv) inspect and copy any record relevant to the Works;

   (v) have access to personnel; and

   (vi) interview any person,

as is necessary for the authorised personnel to monitor and investigate compliance with the NSW Code and NSW Guidelines, by the Contractor, its Subcontractors and related entities.
(c) The Contractor, and its related entities, must agree to, and comply with, a request from authorised personnel (including personnel of the CCU) for the production of specified documents by a certain date, whether in person, by post or electronic means.

19.4 Sanctions

(a) The Contractor warrants that at the time of entering into this Deed, neither it, nor any of its related entities, are subject to a sanction in connection with the NSW Code or NSW Guidelines that would have precluded it from responding to a procurement process for work to which the NSW Code and NSW Guidelines apply.

(b) If the Contractor does not comply with, or fails to meet any obligation imposed by, the NSW Code or NSW Guidelines, a sanction may be imposed against it in connection with the NSW Code or NSW Guidelines.

(c) Where a sanction is imposed:

(i) it is without prejudice to any rights that would otherwise accrue to the parties; and

(ii) the State of NSW (through its agencies, Ministers and the CCU) is entitled to:

(A) record and disclose details of non-compliance with the NSW Code or NSW Guidelines and the sanction; and

(B) take them into account in the evaluation of future procurement processes and responses that may be submitted by the Contractor, or its related entities, in respect of work to which the NSW Code and NSW Guidelines apply.

19.5 Compliance

(a) The Contractor bears the cost of ensuring its compliance with the NSW Code and NSW Guidelines, including in respect of any positive steps it is obliged to take to meet its obligations under the NSW Guidelines. The Contractor is not entitled to make a claim for reimbursement or an extension of time from the Principal or the State of NSW for such costs.

(b) Compliance with the NSW Code and NSW Guidelines does not relieve the Contractor from responsibility to perform the Works and any other obligation under this Deed, or from liability for any Defect in the Works or from any other legal liability, whether or not arising from its compliance with the NSW Code and NSW Guidelines.
(c) Where a change in this Deed or the Works is proposed, and that change may, or may be likely to, affect compliance with the NSW Code and NSW Guidelines, the Contractor must immediately notify the Principal (or nominee) of the change, or likely change and specify:

(i) the circumstances of the proposed change;

(ii) the extent to which compliance with the NSW Code and NSW Guidelines will be, or is likely to be, affected by the change; and

(iii) what steps the Contractor proposes to take to mitigate any adverse impact of the change (including any amendments it proposes to a Workplace Relations Management Plan or Work Health and Safety Management Plan),

and the Principal will direct the Contractor as to the course it must adopt within 10 Business Days of receiving notice.

12. Subcontractors - Security of Payment

(Claue 2.2(f)(i))

The following terms must be included in each Subcontract, and the Subcontracts let by those Subcontractors, as referred to in clause 2.2(f) of the General Conditions.

12.1 Options as to Form of Security

A clause which allows the Subcontractor to lodge an approved unconditional undertaking from a bank or financial institution instead of a cash security or retention moneys as its security for performance of the Subcontract.

A clause which provides that if the Subcontractor does lodge an unconditional undertaking for the required amount, the Contractor must not deduct further retention moneys and any retention moneys or other cash security then held will be promptly released to the Subcontractor.

12.2 Trust for Cash Security and Retention Moneys

A clause which has the effect that:

(a) cash securities and retentions under the Subcontract and the cash proceeds of any security converted to cash (other than in exercise of a contractual right of enforcement) is trust money and must be deposited into and held in a trust account with a bank within 24 hours of receipt or conversion;

(b) the trust money is beneficially owned by the party which provided the security at all times unless the other party becomes entitled to receive them under the Subcontract;

(c) the security holder must hold proper records and account to the security provider for the trust moneys; and

(d) any interest earned by the trust account will not be held in trust, and will be owned by the security holder.

12.3 Payment Provisions

A clause which:

(a) has the effect of requiring the Contractor to pay the Subcontractor (and Subcontractors their Subcontractors) regular progress payments for 100% of the value of work (less only retention moneys, if any, paid into the trust account) for which payment is claimed by the Subcontractor and for which the Contractor has claimed payment from the Principal, no later than:

(i) in the case of the Contractor's Subcontractors, 7 days; and
(ii) in the case of the Subcontractor's subcontractors, 14 days, after the last day for payment by the Principal to the Contractor for such work;

(b) states nothing in the clause referred to in paragraph (a) is to be read so as to prevent the Contractor from paying the Subcontractor an amount in excess of that claimed from the Principal, or before the time stipulated in that clause; and

Notes

1. This form is prepared for the purpose of section 175B of the *Workers Compensation Act 1987* (NSW), Schedule 2 Part 5 *Payroll Tax Act 2007* (NSW) and section 127 of the *Industrial Relation Act 1996* (NSW). If this form is completed in accordance with these provisions, a principal contractor is relieved of liability for workers compensation premiums, payroll tax and remuneration payable by the subcontractor.

A principal contractor can be generally defined to include any person who has entered into a contract for the carrying out of work by another person (or other legal entity called the subcontractor) and where employees of the subcontractor are engaged in carrying out the work which is in connection with the principal contractor’s business.

2. For the purpose of this Subcontractor’s Statement, a principal contractor is a person (or other legal entity), who has entered into a contract with another person (or other legal entity) referred to as the subcontractor, and employees / workers of that subcontractor will perform the work under contract. The work must be connected to the business undertaking of the principal contractor.

3. Provide the unique contract number, title, or other information that identifies the contract.

4. In order to meet the requirements of section 127 of the *Industrial Relations Act 1996* (NSW), a statement in relation to remuneration must state the period to which the statement relates. For sequential Statements ensure that the dates provide continuous coverage.

Section 127(6) of the *Industrial Relations Act 1996* (NSW) defines remuneration ‘as remuneration or other amounts payable to relevant employees by legislation, or under an industrial instrument, in connection with work done by the employees.’

Section 127(11) of the *Industrial Relations Act 1996* (NSW) states ‘to avoid doubt, this section extends to a principal contractor who is the owner or occupier of a building for the carrying out of work in connection with the building so long as the building is owned or occupied by the principal contractor in connection with a business undertaking of the principal contractor.’

5. Provide the date of the most recent payment claim.

6. For Workers Compensation purposes an exempt employer is an employer who pays less than $7500 annually, who does not employ an apprentice or trainee and is not a member of a group.

7. In completing the Subcontractor’s Statement, a subcontractor declares that workers compensation insurance premiums payable up to and including the date(s) on the Statement have been paid, and all premiums owing during the term of the contract will be paid.
8. In completing the Subcontractor’s Statement, a subcontractor declares that all remuneration payable to relevant employees for work under the contract has been paid.

9. In completing the Subcontractor’s Statement, a subcontractor declares that all payroll tax payable relating to the work undertaken has been paid.

10. It is important to note that a business could be both a subcontractor and a principal contractor, if a business ‘in turn’ engages subcontractors to carry out the work. If your business engages a subcontractor you are to also obtain Subcontractor’s Statements from your subcontractors.

Statement Retention

The principal contractor receiving a Subcontractor’s Statement must keep a copy of the Statement for the periods stated in the respective legislation. This is currently up to seven years.

Offences in respect of a false Statement

In terms of s127(8) of the Industrial Relations Act 1996, a person who gives the principal contractor a written statement knowing it to be false is guilty of an offence if:

(a) the person is the subcontractor;
(b) the person is authorised by the subcontractor to give the statement on behalf of the subcontractor; or
(c) the person holds out or represents that the person is authorised by the subcontractor to give the statement on behalf of the subcontractor.

In terms of s175B of the Workers Compensation Act and clause 18 of Schedule 2 of the Payroll Tax Act 2007 a person who gives the principal contractor a written statement knowing it to be false is guilty of an offence.

(b) is otherwise subject to the same limitations of liability, and qualifications on such limitations of liability, as are specified in the Main Deed.

The liability of the Guarantor under this Deed will not be reduced or avoided by any defence, set-off or counterclaim available to the Contractor against the Principal.

5.8 **Claim on the Guarantor**

The Principal is not required to make any claim or demand on the Contractor, or to enforce the Contract, or any other right, power or remedy against the Contractor, before making any demand or claim on the Guarantor.

The Guarantor acknowledges that it has not entered into this Deed as a result of any representation, promise, statement or inducement to the Guarantor by or on behalf of the Principal, the Contractor or any other person.

6. **Representations and Warranties**

6.1 **General representations and warranties**

The Guarantor or, if there is more than one Guarantor, each Guarantor represents and warrants to the Principal that:

(a) this Deed constitutes a valid and legally binding obligation of the Guarantor in accordance with its terms;

(c) pay to the Principal any additional amounts necessary to enable the Principal to receive (after all deductions and withholdings for those Taxes) a net amount equal to the full amount which would otherwise be payable to the Principal if no deduction or withholding was required to be made;

(d) promptly (and within the time prescribed by law) pay to the relevant taxing authority the amount of those Taxes which it is compelled by law to deduct or withhold, and indemnify the Principal for any Taxes and interest or penalties to which the Principal may become liable consequent on the failure of the Guarantor to pay those Taxes; and
