

Wollongong Station

train timetable – a look at your station

The train timetable will provide customers using Wollongong station with:

- Weekly journey time improvements of up to 40 minutes for customers making the daily return trip to Sydney in peak times.
- 11 services which used to terminate at Central Station operating through to Sydney CBD in the morning peak - two to Martin Place and nine to Bondi Junction.
- Typical savings of 5-6 minutes per trip for journeys taken throughout the day.
- Every train now stops at Wollie Creek, making it easier for Wollongong customers to catch a train to Sydney Airport's domestic and international terminals.
- An extension of the local service between Port Kembla and Thirroul to Waterfall provides improved connections between local centres and schools with an hourly service.

The timetable is available to be viewed at www.newtimetables.com.au or customers can download the new train timetable planning app, New Times, to get an early look at the changes. Available now from the App Store and Google Play.
