

November 2022

Extended work hours at the Brisbane and Darling Street intersection, Dubbo from Saturday 3 December 2022

Together, the Australian Government and the NSW Government are jointly funding the \$220.2 million New Dubbo Bridge project to reduce traffic congestion in Dubbo and enhance access across the Macquarie River during flood events.

Work is currently underway on the new Brisbane and Darling Street intersection as part of the New Dubbo Bridge project.

The project has experienced delays due to inclement weather and we will now be extending our Saturday work hours throughout December to assist with progress.

How will the work affect you?

Our standard work hours are **between 7am and 6pm Monday to Friday** and **7am and 1pm on Saturdays**. We will now be working until **5pm on Saturdays** until **Saturday 17 December**.

We will let you know in advance if we need to do any work outside these times.

Please note: Test piling work hours will not be extended.

Traffic changes

Existing temporary traffic changes will continue to be in place to ensure the work zone is safe.

Lane closures and reduced speed limits will be in place during work hours and may affect travel times. Motorists should allow up to five minutes extra travel time during this work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact Dubbo Projects on 1800 803 818 or dubboprojects@transport.nsw.gov.au. For more information on our projects, visit nswroads.work/dubbo.

Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 803 818.
