

Access changes – Croom Regional Sporting Complex

Work is progressing on the Albion Park Rail bypass, with construction expected to be complete in 2022, weather permitting.

As part of the work taking place inside the Croom Regional Sporting Complex, there will be some temporary changes to how you will access the facilities. These changes will be in place from **Monday 1 July 2019** for up to **three months**, weather permitting.

Managing the safety of our workers and the public is critically important to the project team. Full closures of some access roads within the sporting complex will be required while work is taking place.

Construction will generally be carried out during standard hours between **7am and 7pm on weekdays and 8am to 5pm on Saturdays**, weather permitting.

How will this work affect you?

Over the next three months, access to the northern fields including Illawarra Model Car Club, Southlake BMX Club, little athletics field and the senior rugby league field will be from Croome Road, near Cedar Street, Albion Park Rail.

Access to the southern fields including hockey, netball and junior rugby league fields and Shellharbour City Stadium will be from a new gate south of the Croome Road and the East West Link roundabout.

Details of the closure and temporary access arrangements are included in the map on the next page.

Contact us

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. For more information on the project or if you have any questions about this upcoming work, please contact the project team on:

Phone: 1800 708 727 (toll free, option 1)

Email: APRbypass@fulton Hogan.com.au

Visit: 1914 Illawarra Highway (corner of Princes Highway and Illawarra Highway), Albion Park Rail

Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 708 727, option 1.
