Dear Mr Blacka

RE: Albion Park Rail bypass Stage 2 (Princes Motorway between Yallah and Oak Flats)
Construction and Pre-operation Compliance and Monitoring Report No. 5:
08 January to 07 July 2021

This correspondence confirms that the Environmental Representative (ER) for the Albion Park Rail bypass (APRb) has reviewed the above referenced construction and pre-operation compliance and monitoring report, as prepared in accordance with Infrastructure approval (SSI No. 6878) conditions A30 and C15, prior to issue to the Secretary of the NSW Department of Planning, Industry and Environment. The subject compliance and monitoring report covers the six (6) month construction period from 08 January to 07 July 2021 and pre-operation compliance with operation scheduled for late October 2021.

It is hereby certified that the document entitled:

"SSI 6878 Albion Park Rail bypass – Construction and Pre-operation Compliance and Monitoring Report – Report 5, 8 January – 7 July 2021" (19 August 2021, Rev. 1)"

is a fair and reasonable representation of compliance and monitoring with respect to the implementation of the relevant portions of the conditions of the Infrastructure approval and the project Construction Environmental Management Plan (CEMP).

Should you require any further information please don't hesitate to contact the undersigned at your convenience.

Yours sincerely

Toby Hobbs, Principal
Environmental Representative: Albion Park Rail bypass
