

Scott Fayers
Project Manager
Technical and Project Services
Road and Maritime Services
20-44 Ennis Road
Milsons Point NSW 2061

Dear Mr Fayers

**Approval of Operational Noise Mitigation Report: Condition E46
Albion Park Rail Bypass (SSI 6878)**

I refer to your submission dated 23 February 2019 requesting approval of the Operational Noise Mitigation Report (ONMR) in accordance with Condition E46 of SSI 6878. I also acknowledge your response to the Department's review comments and requests for additional information.

I note that the ONMR:

- has been endorsed by the Environmental Representative; and
- contains the information required by the conditions of approval.

As nominee of the Secretary, I approve the following document pursuant to condition E46:

Plan	Revision/date
OMNR	Revision 3A, dated 26 th March 2019

I note that condition E47 requires that operational noise mitigation measures not impacted by construction, must be detailed in the Construction Noise and Vibration Management Plan (CNVMP) already approved by the Department. Please review the CNVMP and update as required.

You are reminded that if there is inconsistency between the approved plans and the conditions of the approval, then the requirements of the conditions of approval will prevail.

Please ensure you make the ONMR publicly available on the project website.

If you have any questions, please contact Adrien Lalchere on the details listed above.

Yours sincerely

Erica van den Honert

**Director – Infrastructure Management
Planning Services**
As delegate of the Planning Secretary
