Feedback Form: Proposed Noise Barrier from Nallada Road to Marlock Place

The NSW Government is investigating a proposed noise barrier running along the top of the rock face from Nallada Road to Marlock Place to reduce the operational noise from the Alfords Point Road upgrade and we are inviting the community to have their say and contribute their feedback before **Friday 8 December 2017**.

Your contact details:	
Name:	Email:
Address:	Contact Number:
☐ I would like to receive more information and updates on this project.	
We have attached the visualisation and animation of the three proposed options.	
To allow us to effectively collate your feedback, please tick the box of your chosen option below:	
☐ full 4.5 metre Hebel wall ☐ a 2.7 metre Hebel wall with 1.8 metre clear Plexiglass top ☐ full architectural treatment for affected properties in lieu of the wall ☐ Other	
Any other comments for consideration:	

A community session will be held in November 2017 inviting you to attend and ask the project team any further questions.

We will be sending out invitations soon.

Thank you for your feedback

If you have any further comments, please do not hesitate to contact the project team:
