

New and extended clearways on Stacey Street, Fairford Road, Davies Road and Alfords Point Road between Hume Highway, Bankstown and Alfords Point Bridge, Padstow Heights, from Friday 7 July

The NSW Government is acting to reduce congestion and delays by introducing new and extended clearways on Sydney's roads.

In March 2017, Roads and Maritime Services sought feedback on a proposal to install new and extended clearways on Stacey Street, Fairford Road, Davies Road and Alfords Point Road between Hume Highway, Bankstown and Alfords Point Bridge, Padstow Heights.

We would like to thank everyone who took the time to consider our proposal and provide feedback. We received feedback from 35 community members and two businesses. After considering the feedback, Roads and Maritime have decided to proceed with the proposal, without change.

The new clearways will operate in both directions from:

- 6am to 7pm on weekdays
- 9am to 6pm on weekends and public holidays.

We have included a map to show the locations where the new clearways will be implemented.

The new and extended clearways will be in place from **Monday 24 July**. Any vehicles parked in the clearway on or after this date would risk being fined and towed. The existing parking restrictions will continue to operate outside of these clearway times.

What is a clearway?

You must not stop or park on a length of road where a clearway sign is present. The drivers of public buses and taxis are permitted to stop when dropping off or picking up passengers. If your vehicle is left in a clearway it will be towed away, usually to a nearby street, and fines apply.

To report a vehicle parked in a clearway or if your vehicle has been towed from a clearway, please call the Transport Management Centre on 131 700.

What happens next?

The installation of new signs and posts will be completed between **Friday 7 July** and **Sunday 23 July**, weather permitting. Our work hours will be between **8pm** and **5am**.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise its impact by carrying out the noisiest work before **11pm**.

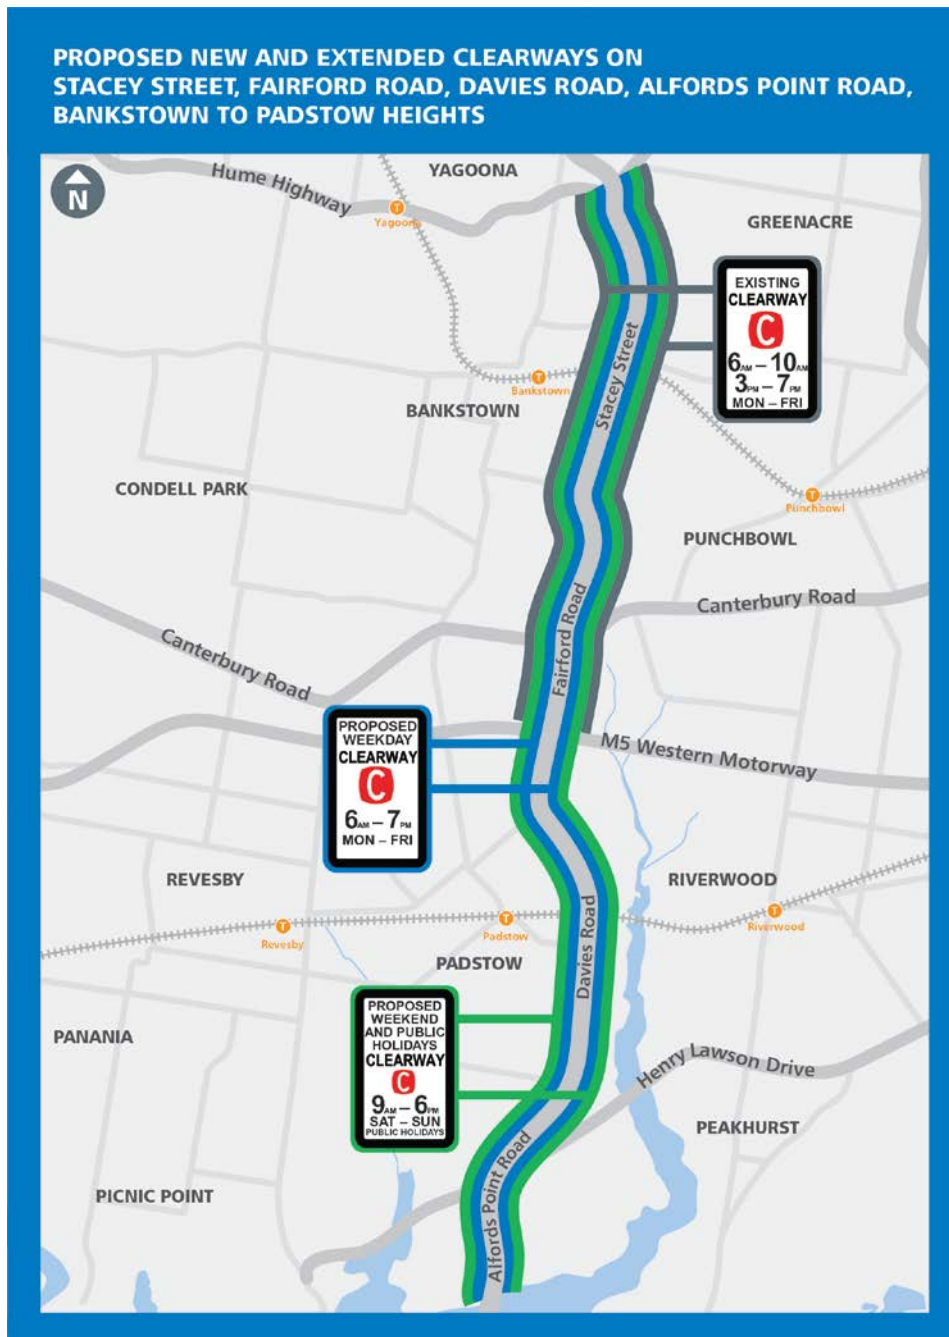

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App

Contact

If you have any queries or would like further information please contact the Clearways project team on 1300 706 232 or clearways@rms.nsw.gov.au.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1300 706 232.
