- Building lift shafts and concrete stairs in the Village Green and school grounds
- Lifting the bridge span into place onto the lift shafts
- Removal of the existing pedestrian crossing on the southern side of the intersection of Beecroft Road and Copeland Road
- Installing a new pedestrian fence on the eastern side of Beecroft Road
- Installing new kerbs on Beecroft Road
- Utility adjustments and relocations in the Village Green and school grounds, including installing CCTV cameras and lighting on the new bridge
- Landscaping.
